A SERIOUS ACCIDENT.—Mark Etter, a twelve year old boy of Westmorland Point, near Amherst, met with a bad accident on Wednesday. He was crossing a dyke with a gun in his hand, when the gun went off and the charge entered the knee, split the knee cap, passed through the lower jaw, shattering it severely, and coming out near the right eye. But slight hopes of his recovery are entertained.

THE THIEF STILL ALIVE.—Yesterday THE EXAMINER published a despatch from St. John stating that Chief of Police Clarke's $200 horse was dead, but no further information was given. It appears that Mr. Clarke drove rather rapidly to Westfield on Tuesday to catch a thief. Next morning when he went to his stable he found his horse dead. The thief is still at large, and supposed to be in the enjoyment of excellent health.

DIED FROM HER INJURIES.—A little girl, daughter of Howard Merritt, of Smith's Cove, Digby, N. S., was so badly burned a few days ago that she died shortly afterTards. TEMPERANCE IN THE NAVY.—R. N. T. S. which stands for Royal Navy Temperance Society, under the direction of that devoted English lady Miss Agnes Weston has a firm hold in almost every ship of H. M. Navy. The August number of "Ashore and Afloat" a bright illustrated paper published in London by Miss Weston, was received by the men on H. M. S. Crescent yesterday and they seem to value it highly. The I. O. G. T. also has a strong membership in the navy. An open meeting of the Templars was held in Wright's Hall last evening when a number of the sailors were present, among whom were, Joshua Reeves, W. H. Tucker and Noah E. Adshead of the R. N. T. S, and Messrs. McGuire, Chiterback and Stevenson of the I. O. G. T. An excellent impromptu programme was rendered. Mr. J. J. Chappelle of the Sons of Temperance, in a short address, congratulated the men on the noble stand they had taken for temperance and right. The evening passed away all too quickly and closed with the national anthem and a hearty handshaking. May the good work continue to prosper both at home, afloat, and abroad.

NAVAL NOTES.

Mrs. L. H. Davies was last evening "At Home" to the officers of H. M. S. Crescent and a large party of citizens, and dancing was kept up with great spirit. The weather was very fine, and the most was made of the beautiful grounds at Riverside.

The tars seemed to have the freedom of the city last night. They made things especially interesting in the vicinity of the merry-go-round.

The Crescent left here this afternoon. From here she goes to Gaspe, thence to Quebec.

A number of bluejackets from H. M. S. Crescent, reprepresenting the Lodge of Good Templars from that ship, met with Charlottetown Lodge, No. 68, last night. The Chief Templar gave up the chair to Bro. Stevens, C. T. of the Lodge, who proceeded to initiate a candidate from the ship's crew. The doors were then thrown open for visitors, and a goodly number took advantage of the permission to spend an enjoyable evening. An interesting programme of speeches, songs, recitations, etc, was given, and the meeting came to a close at 10 p. m.

By referring to another column it will be seen that Mr. S. F. Hodgson is about to open a commercial school in this city. 11 dw

Work on the Panama Canal is once more being pushed forward.

The King of the Belgians is taking a brief pleasure trip in England.

Spain has decided to pay the amount of the Mora claim to the United States.

A commercial treaty between the United States and Brazil is being formulated.

The English Agricultural Gazette says that all the grain crops are much below an average, but potatoes promise better than last year.

The Dublin Freeman's Journal states that Mr. Edward Blake will sail almost immediately for his home in Toronto. After spending a short time in Toronto he will proceed to New Zealand, returning to London in time to attend the opening of Parliament next session.

A despatch from Berne, Switzerland, says that Miss Donalds McPhee, a daughter of a resident of Montreal, has secured the degree of Ph. D. (Doctor of Philosophy) at Zurich. She is a graduate of McGill University, and a post-graduate of Cornell University.

The Armenians are great people for fasts. During one they ate nothing for a week. On the Saturday there is no real refreshment, but the younger members of the family are allowed to partake of cake and salt, so as to have dreams about water, and it is a sacred rule that every young man must marry the girl who gave him fresh water to drink in his dream that night.

Sir Charles Hibbert Tupper received an ovation in Cape Breton a few days ago. He spoke of the Manitoba school question. He said he was a Protestant and clung to his faith, but he desired justice, fair play and constitutional treatment for all. We must abide by our parliamentary compacts. If he should be driven from public life he was prepared for that event if it were the price of doing that justice to a Catholic minority which would fight to obtain for a Protestant minority under similar circumstances.

THE WORLD OF SPORT.

Cricket.

Yesterday's cricket match resulted in a win for the Crescent's team. They made 94 runs in their first innings, and in their second with 7 wickets down and 72 runs to their credit, they declared the innings closed. The home team's first innings netted them only 49 runs; and in their second they had put up 34 runs with 4 wickets down when time was called at 6 o'clock. The day was a most enjoyable one for cricket, and quite a large number of spectators witnessed the match during the afternoon. The proceedings of the day were also considerably enlivened by the presence of the ship's string band, which discoursed sweet music at intervals during the afternoon. Mr. Robert Young, Manager of the Great West Life Insurance Co., St. John, and the Crescent's chaplain were the umpires. The scores were:

The Charlottetown eleven to play against Moncton left this morning. It is made up as follows: J. A. Longworth, H. Carvell, J. M. Nicholson, J. McQuillan, A. E. Ings, H. Bethune, J. M. Sullivan, D. Wilson, Geo. J. Rogers, F. W. L. Moore and W. H. Trainor. The Moncton eleven will consist of the following: McWilliams (capt.), J. M. Knight, M. Condon, Ackman, R. W. Simpson, Mills, F. J. Hunter, R. Bradbury, J. Bradbury and Robb.

The Turf.

A race between Early Bird, 2.10, and Pilot Jr., 2.21, is being talked about in St. John. Many St. John horsemen are of the opinion that Pilot would give the American horse quite a warm argument on Moosepath track.

Gracie Wilkes (2.30) ch m, by Preceptor, d Olive Wilkes, has been entered in the 2.30 class by B. H. Ramsay, Summerside. Montrose, previously entered in the 2.38 class, has been entered in the 4-year-old class.

Banker, 2.55½, ch. s, by Westlawn, 5038 owned by H. A. Darby, Abram's Village, has been entered for the 2.38 class on the Charlottetown Driving Park August 21st. His name did not appear in the list of entries published yesterday. The field in each event is good, and the races will be well worth witnessing.

The Wheel.

The tournament at Manhattan Beach track on Wednesday developed sensational record-breaking performances. Fred. J. Titus lowered the world's amateur competition record for ten miles in the race with Maddox. Titus covered the distance in 20.58 4-5 seconds, beating the previous record of 21m 39 3-5 seconds by Harry Maddox of Asbury Park. He incidently lowered all existing records from three miles up, including the five mile record of 10m 20 2-5 seconds held by himself and J. S. Johnson. H. C. Tyler, Springfield, Mass., lowered Brandon's world's professional mile record of 1 minute, 50 3-5 seconds, covering the distance in 1 minute, 49 2 5 second. He went on for the two mile record, off which he clipped 2-5 of a second, his time being 3 minutes, 56 seconds. Tylor made records as follows: Three miles in 6 6 2-5 sec; four, 3 11 3-5; five, 10 13 1 5; six, 13 53 3 5; seven, 14 29; eight, 16 33 15 seconds; nine, 28 46; ten, 20 58 4-5.

Prowse, the two Cooks, Davies, Gaudet, Harvie and a half dozen others were doing some very fast work on the track last evening, and their work was watched by a large number of people. If the local boys fail to set too hot a pace for the Summerside and other visiting racers, the knowing ones are much mistaken. On the track Edmonds, Duffy, McMillan, Goodwill, besides many men of the hose teams, were practicing quarters and halves and making pretty fast time.

Lawn Tennis.

A match between teams from H. M. S. Crescent and the Charlottetown Club was played yesterday afternoon at Victoria Park, and resulted in a victory for the home team, the score standing in their favor 16 setts to 5. Following is the score:—

THE TAIL

Should Go With the Hide

Is a homely saying, but evidently thought something of by the Customs authorities at Ottawa, as they have decided to charge (in addition to the duty of ¾c. per pound on barb wire) an extra duty of 20 per cent. on the wooden spools holding the wire. But it makes no difference in our price to the buyer, as we are still giving away the spools, and next thing to giving away the wire. If you want good wire, buy the American.
