

With the arrival of spring weather we are pleased to announce that it is no longer necessary to have restrictions on overnight parking in parking lots B, C, D and E. The tenants of Blanchard Hall may continue to use parking lot A, as usual, for their overnight parking. Please direct any queries to the Security Department.

Respectfully yours,
A.J. MacLeod
Director of Security.

NEW BRUNSWICK STUDENTS !!

STUDENT AID ANNOUNCEMENT

1977 - 1978

Summer Savings will depend on your entire gross summer income.

To calculate your contribution the following procedure will be used:

- a) 45% of gross summer income - living away from place of residence (Parents Home).
- b) 60% of gross summer income - living at place of residence (Parents Home).

The SUMMER SAVINGS TABLE will be used in our original assessment if you cannot estimate your summer income. (The Summer Savings Table will be enclosed with the Application form.)

You will be required to verify actual summer income. As soon as you enroll, you will be required to complete an EARNINGS REPORT FORM. You will also be required to provide official proof(s) of earnings, i.e. separation certificate, statement of unemployment insurance benefits, etc. (The Earnings Report Form will be enclosed with your original award.)

If you earned more than the minimum wage, your award may be reduced accordingly. To avoid a reduction in your award you may estimate your gross summer income and use the above formula to calculate your student contribution when you complete the Application Form.

Your New Brunswick Bursary cheque, if applicable, will not be released until the Earnings Report Form and documentation are forwarded to the Student Aid Branch.

Canada Student Loans and New Brunswick Bursary Application Forms will be available during the month of May. It is to your advantage to apply early.

Direct further inquiries to: Department of Youth, Recreation and Cultural Resources Student Aid Branch P.O. Box 6000 Fredericton, N.B. E3B 5H1 Telephone: (506)453-2577
