

### Sheep Breeders Ass'n. Opens Farmers Week With Ann. Mtg.

Irving Haslam of Springfield was elected president of the Prince Edward Island Sheep Breeders Association at their annual meeting held at the Clover Club yesterday morning.

In his annual report Mr. Haslam urged the owners of small flocks to practice better husbandry, notably the avoidance of the use of scrub rams, the elimination of internal and external parasites, better pastures and the castration and docking of lambs. "The live weight market prices for lambs is adversely affected when the buyer must make up for the exceptionally poor ones."

"There is a trend toward larger flocks and with this in mind a carload of Western range ewes was brought to the Province last fall. These were fed at Falconwood for a period, then distributed. Although these ewes arrived in very poor condition, the death rate has been surprisingly low and because they are breeding ewes their true worth will not be assessed until lambs are weaned in the fall," the report stated.

Mr. Boswell and his North County sheep entries which swept the show in grand manner at the Royal Agricultural Winter Fair in Toronto last fall, received well-merited praise in the report.

"This past year at Charlottetown, the acute lack of space for the sheep exhibit was again evidenced. Something should be done to rectify this situation, perhaps by a committee visiting the exhibition committee, also a man hired or appointed to arrange stabling of sheep at the exhibition barns."

The report extended thanks to the Provincial Department for the continuous financial assistance in the importation of outstanding breeder stock.

Other officers elected were: Hudson Pridham, Montrose, vice-president, Claude Faynter, secretary. Delegates to Royal Winter Fair, Alexander Hamilton, New Perth, Reid Underhay, Bay Fortune. Representative in the Federation of Agriculture, Hudson Pridham. Three new directors were elected: Hudson Pridham, for Prince County; John Thompson, French Fort for Queens; and Alexander Hamilton, New Perth, for Kings.

### University Scholarships

**EX MAY HAVE JET**

TORONTO (CP) — Visitors to the Canadian National Exhibition next September may see the world's fastest airplane in action. Don Summerville of the CNE's international air show committee said Tuesday the RAF has been asked to display the super-sonic Fairey Delta II jet fighter, which last Saturday set a world speed record of 1,132 m.p.h.

**MINERAL SPRINGS**

Hot mineral springs with medicinal qualities are found in St. Christopher, one of the British West Indies' Leeward islands.

**DODDS KIDNEY PILLS**

Do not miss the opportunity to receive a grant of \$1,700 each will be provided this summer and in the 1956-57 academic year for scholarships to be awarded to prospective science teachers and to secondary school science teachers planning post-graduate work.

"As have many others," said Mr. Lank, "we have become increasingly aware of the critical needs in science and engineering education and of the basic necessity for better science teaching in Canada's secondary schools."

Candidates for the scholarships will be selected by the department of teacher training in each of the following universities:

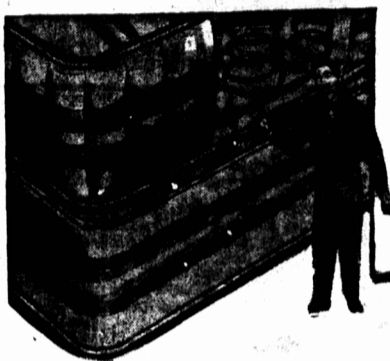

- Dalhousie, University of New Brunswick, Laval, University of Montreal, McGill, University of Toronto, University of Manitoba, University of Saskatchewan, University of Alberta and University of British Columbia.
