

DIRECTIONS TO VOTERS.

THE following is the form of ballot to be used in the election for Queen's County marked as it should be by all voters for Campbell and Ferguson—

Election for the Electoral District of Queen's County District, P. E. Island, February 22, 1878.

- CAMPBELL, I. William Campbell, of Milleville, Park Corner, Queen's County, Farmer and Mill Owner.
DAVIES, II. Louis Henry Davies, of Charlotteown, Queen's County, Barrister-at-Law.
FERGUSON, III. Donald Ferguson, of Tulloch, Queen's County, Farmer and Stock-raiser.
WELSH, IV. William Welsh, of Keppoch, Queen's County, Farmer and Ship-owner.

THE following is the form of ballot to be used in the election for King's County, marked as it should be by all voters for McDonald and Muttart—

Election for the Electoral District of King's County District, P. E. Island, February 22, 1878.

- MACDONALD, I. Augustine Colin McDonald, of Montague, King's County, Merchant.
MACINTYRE, II. Peter Adolphus MacIntyre, of Souris, King's County, Physician.
MUTTART, III. Ephraim Bell Muttart, of Souris, King's County, Physician.
ROBERTSON, IV. James Edwin Robertson, of Montague, King's County, Physician.

HOW TO MARK THE BALLOTS.

Be sure to mark your ballot for the Liberal Conservative Candidates. The elector, on receiving the ballot-paper, shall forthwith proceed into one of the compartments of the polling station, and there mark his ballot paper, making a cross with a pen or any part of the ballot-paper within the division containing the name of the candidate for whom he intends to vote, and shall then fold up such ballot-paper, so that the initials on the back can be seen without opening it, and hand it to the Deputy Returning Officer, who shall, without unfolding it, ascertain, by examining the initials, and the number upon the counterfoil, that it is the same he furnished to the elector, and shall first detach and destroy the counterfoil, and shall then immediately, and in the presence of the elector, place the ballot-paper in the ballot-box. Ballot Act, Sec. 45.

- 1. Poll opens at 9 o'clock a. m., and closes at five o'clock p. m.
2. Vote early.
3. See that your Liberal-Conservative neighbor votes early also.
4. If you have a sleigh, place it at the service of your Committee to bring tardy voters to the polls. Give the information to the Secretary of Committee.
5. Do not "pair" on polling day with your Grit neighbor. Poll your own vote and let him look out for his.
6. Poll every possible vote: the loss or gain of a single vote in each polling division may make all the difference between victory and defeat.
7. Each Liberal-Conservative should vote as though the result of the election depended upon his individual exertions.
8. Remember that any bribery, corrupt treating, hiring of vehicles, paying of voters' expenses, or any undue influence, will not only void the election, but is punishable by law.
9. Electors can only vote at the polling division where their names are registered.
10. Any elector's vote may be challenged who has received anything on account of his vote, or has been promised anything directly or indirectly, either to induce him to vote at the election or for loss of time, travelling expenses, hire of teams, or any other service connected therewith; or even if the said elector has directly or indirectly paid or promised anything to any person, either to induce him to vote or to refrain from voting at the election.

Astonishing Success.

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at 10 cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little shrub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gum, allays all pain, regulates the bowels, and is the best known remedy for their use, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. Feb 7/87
