Do you believe that food prices are pretty much the same in all markets?—That where you shop makes little difference in the total cost of your order? Then you're in for a pleasant surprise the very first time you shop at CO-OP SUPER MARKET. Our policy of making every price a low price gives you a storeful of savings—not a handful of "specials". You see the difference for sure—see it in more foods for less money—more cash-in-hand savings for you.
