A HORSE belonging to Mr. Philip McLeod, Central Bedouque, was stolen from his pasture on the morning of the 22nd inst. Mr. McLeod is the mail driver between Summerside and Bedouque.

THE excels has now commenced in earnest. Seventy two took passage on the Northumberland yesterday. In the evening 42 passengers came to the Island beside the visiting Foresters.

Mr. Staver, of Schurman's Point, the unfortunate victim of the lightning the night of the storm, is gaining rapidly and can now speak, hear and walk a little and will soon be all right.

SUMMERSIDERS who go down to the boat in the evening should not monopolize all the seats in the first class car to the exclusion of the through passengers as was done last night. Please take a tumble.

SMITH and his wife have every luxury money can buy, but there is one thing lacking to their happiness. Both are fond of children, but no little voices prattle, no little feet patter in their beautiful home. "I would give ten years of my life if I could have one healthy living child of my own," Smith often says to himself. No woman can be the mother of healthy offspring unless she is herself in good health. If she suffers from female weakness, general debility, bearing down, nervous, functional derangement, her physical condition is such that she cannot hope to have healthy children. Dr. Pierce's Favorite Prescription is a sovereign and guaranteed remedy for all these ailments. See guarantee printed on bottle-wrapper.

We do not know of any preparation that has caught a public favor in so short a time as DODD'S Kidney Pills, but when we consider that three-fourths of the Canadian people are afflicted with kidney troubles in some form or other, and that DODD'S Pills are a quick and permanent cure for all these troubles, the large and increasing demand can scarcely be wondered at. Sold by all dealers or by mail on receipt of price, 50 cts per box. Dr. L. A. Smith & Co., Toronto.

It has been demonstrated that the celery blight can be checked by spraying with the ammoniacal carbonate of copper.

What Stronger Proof Is needed of the merits of Hood's Sarsaparilla than the hundreds of letters on tinually coming in telling of marvellous cures that have effected after all other remedies failed? Truly, Hood's Sarsaparilla possesses peculiar curative power unknown to other medicines.

Hood's Pills cure Constipation by restoring the peristaltic action of the alimentary canal. They are the best family cathartic.

Why is an author a most extraordinary animal? He is the owner of many tails, and they all come out of his head.

The Four Cardinal Points. The four cardinal points of health are the stomach, liver, bowels and blood. Wrong action in any of these produces disease. Burdock Blood Bitters acts upon the four cardinal points of health at once and at the same time, to regulate, strengthen and purify, thus preserving health and removing disease.

New wheat never ruined as many men as old rye.

Why are pantalons worn longer in July than in June? There are 31 days in July.

Diarrhoea and Vomiting. Gentlemen.—About five weeks ago I was taken with a very severe attack of diarrhoea and vomiting. The pain was almost unbearable, and I could not eat or drink.
