Baseball On The Move

BASEBALL MEETINGS have been held in all three of the Island's counties over the past few weeks. Plans for the leagues should be pretty well set by June 1.

The situation now looks like there will be a four team loop in Charlottetown, three team league in Summerside and a five or six team circuit in Kings County. Small communities have their own league, but these are the three main leagues —the ones most people are interested in.

The Kings County League held a meeting at Morell Monday night, but not enough teams were represented to get anything concrete going. Cardigan and Georgetown were not represented we understand. The next meeting will be held in Morell, Thursday night.

We haven't heard much talk about having an interlocking Island schedule for the coming year. All areas seem too concerned with their own league to be bothered forming any kind of Island exhibition schedule. Kings County seems to be quite happy with its league. And why shouldn't it be? It has one of the best attended loops in the Maritimes. And Summerside and Charlottetown apparently, are no longer concerned about taking part in sports with each other.

A weekend interlocking schedule between a couple of the clubs in each area might help put baseball back on its feet in all areas of the Island. Any true baseball fan would like the idea and it would give sport writers something to talk about once and a while.

Campbell Attempts Speed Record

BRITAIN'S 43-year-old Don Campbell, attempting to follow in the footsteps of his father, has less than two weeks left this year if he hopes to crack the world land speed record in his jet-propelled Bluebird at the Lake Eyre salt flats in Southern Australia.

The Australian rainy season hits the salt flats early in June. When the rain comes just about everything stops on the flats.

Failure would be a sad blow for the speed king whose lifelong ambition has been to emulate the feat of his late father, Sir Malcolm Campbell, by capturing both the land and water records. Campbell's manager, Andrew Mustard, said recently that if their record attempt fails this season, "we'll have the most expensive museum piece in British history. The Bluebird was designed nearly 15 years ago.

Campbell Jr. gunned the floating version of Bluebird to 260.35 miles an hour at Coinston Water, Lacashire, in 1959, topping his own previous mark. But the record of 394 m.p.h. set by the late John Cobb, in a pistol-engined car now is 17 years old and Craig Breedlove of California set an unofficial record of 407.45 in a jet-propelled three-wheeler last August.

Campbell crashed his car at 350 miles an hour on the Utah salt flats in 1960, fracturing his skull. Since then a series of delays have caused some of the more than 70 companies supporting Campbell in the £2,000,000 venture to become restless.

Off The Cuff

WILLIE MAYS has cooled off. The San Francisco belter hit one of his poor streaks last week and his batting average dropped to .407. That's still a pretty fair average in any man's league but if he doesn't pull out of his slump soon he'll find that his hopes of hitting .400 on the season will have to be postponed for another year . . . We understand **ERIC MATHESON** has pulled his proposed entry out of the Prince County Softball League in favor of entering the Gulf League of western Queens County. Bonshaw Bearcats won the Gulf League title last season but lost out in Island Intermediate "C" playdowns to Enman's Drugs of Summerside. The other teams and their representatives for this year's Gulf circuit are Oyster Bed, **STERLING DOUCETTE**; Nine Mile Creek, **Winston Taylor**; Hope River, **FRANCIS REID**. Matheson will call his team Hunter River and **CECIL MacPHAIL** will represent Bonshaw. League president is **G. I. KNOX** . . . Chicago, New York, Cleveland and Baltimore have a good race going for the lead of the American Baseball League. As usual however, we expect the Yanks to be in full swing by mid-season and **YOGI BERRA** will probably have them in sole possession of first place about July 1. . . . New York Mets who looked like anything but a last place club in defeating the Giants 4-2 Monday, have brought up **CRAIG ANDERSON** from Buffalo to bolster their fading pitching staff.

FINE CATCH DISPLAYED

Shown above is Brian McCormack, a Charlottetown resident, as he proudly displays a very respectable catch which he caught over the long week-end at a place at which Brian was not too anxious to make known. The prize of his efforts is the trout on the bottom which weighs in at 2½ pounds. The next one up, weighed 1¼ pounds and the other two were ¾ lb. each.

Four Former Champions Entered In Big Auto Race

By DALE BURGESS

INDIANAPOLIS (AP) Jimmy Clark of Scotland, world's fastest commuter, and American Bobby Marshman will lead four former winners across the starting line for the Indianapolis 500-mile auto race Memorial Day.

In their slipper-shaped Lotus-Fords they topped a record-smashing field in qualifications Saturday. Clark took the race-day pole position at 158.8 miles an hour in a factory team car and Marshman won the second starting spot at 157.9 m.p.h. in a similar racer entered independently.

The Scottish farmer hopped a plane to Malilory Park, England, and won the Guard's Trophy race here Sunday, setting a lap record on the winding course. Clark will compete in the Dutch Grand Prix next weekend before flying back to Indianapolis May 30.

Clark, who dominated the international circuit last year as no driver ever did before, will be the first European to lead the 500 start since Rene Thomas of France, won the pole in 1919.

BRABHAM WAITING

Jack Brabham of Australia, another former grand prix champion, was left still waiting to make his qualifying run when the second time trial session ended Sunday. He plans to try again Saturday after a trip to Holland to practise for the grand prix.

Sixteen cars qualified on the 2½-mile oval track Saturday and five made it Sunday. The field so far has averaged 153.1 m.p.h. Parnelli Jones, last year's winner of the $500,050 race, captured the pole position then at a record 151.1 average.

The 33 fastest cars in the trials will start the race. The qualifications continue next Saturday and Sunday.

Roger Ward, 43, of Indianapolis, twice winner of the 500 and no worse than fourth in the last five races, qualified at 156.4 Saturday to make the first echelon an all-rear-engine and all-Ford line.

IN SECOND ROW

Defending champion Jones of Torrance, Calif., and 1961 winner A. J. Foyt, Houston, Tex., had their choice of conventional front - engine entries. Both stuck with their old cars and wound up in the second starting row.

Jones hit 155.1 and Foyt 154.7 Dan Gurney, Costa Mesa Calif., grand prix driver and Clark's teammate, qualified his Lotus-Ford at 154.5 to fill out the second row.

Clark started in fifth position last year and finished a close second. Jones started No. 1 and became only the seventh winner from the pole position in 47 Memorial Day classics.

Troy Ruttman of Dearborn, Mich., the 1952 winner, made the lineup Sunday in a conventional Offenhauser roadster at 151.3. Eddie Sachs of Detroit, who hit the wall in a practice run Saturday, came back in the repaired Halibrand-Ford and had Sunday's best speed at 151.4.

Opening Date Is Announced

The Summerside Baseball League will officially begin June 2, it was learned at a baseball meeting held at the Royal Canadian Legion in Summerside last night.

Next Tuesday night at Queen Elizabeth Park players will be chosen for the proposed three team league and distributed among the teams by an executive which will also be chosen on Tuesday night.

As yet a few problems remain unsolved. The RCAF considered a possible fourth team is not a definite starter, but by Friday their status will be known.

If the RCAF do not enter a team, the 30 or more players from the station are certainly going to be considered for positions on the other three teams if they are interested.

Track Action At Souris

SOURIS — Souris Elementary schools completed their track and field meets in Souris yesterday, breaking four King's County records and tying two.

Records broken were 13 year old girls, 75 yards, Carol MacInnis; 15 year old girls, 100 yards, Linda Cheverie; boys 14 year, 100 yards, Sheldon Burke; boys 15 years, 100 yards, Douglas Jennings.

Cliff MacCormack tied the 12 year old 75 yard dash and Paul Fitzpatrick the 13 year old, 75 yard dash.

In the story in The Guardian Saturday on the Souris Regional High School meet, which was held Friday, the records broken by the senior girls were inadvertently omitted. They are as follows: 100 yard dash, Roma MacDonald and Broad Jump, Roma MacDonald. One record was tied, by Gertrude Praught in the 220 yard dash.

Track And Field Meet Staged At Tignish

The Tignish Elementary School held its Centennial rally with activity getting underway at 10:30 A.M. on Friday, May 15th. Guest speaker for the occasion was J.H. Blanchard.

Mr. Blanchard was welcomed by Carol Ann Perry, chairman of the centennial celebrations for children.

In his talk, Mr. Blanchard outlined the History of Tignish from when he attended Tignish school which was composed of two rooms in 1893. He also outlined Confederation, stressing the role of P.E.I. in it. He pointed out the advantages of the move but deplored the fact that so many Islanders are moving away from the province.

Mr. Ross spoke briefly to the students and left them with centennial souvenirs. The session was concluded with the singing of Our Island Hymn.

With the opening bell in the afternoon the students enjoyed a day of sports. Refreshments were served during the sports activities and the final race was run at 5:30 p.m. The following are the results of the sports action.

Angels Blast Bankers 15-0

The Charlottetown Guardian Angels walloped the Bankers in the Charlottetown Commercial Softball League in the opening game of the league played at the Old Diamond last night.

Both teams were held scoreless in the opening inning and the Guardian boys managed to score in the second when Merle Logaphie belted a triple and then scored when D. Campbell singled.

From here on it was the Guardian boys all the way as they scored three in the third and five in the fourth to take a commanding 9-0 lead. They added six runs in the sixth as they continued to make life miserable for Arsenault who was on the mound for the losers. Dick Murley was on the mound for the winners.

Merle Longaphie and Gene Ward, both from the winning team, poled the longest hits of the game as they each connected for a triple.

Two U.S. Teams Admitted To Allan Cup Competition

By STUART LAKE

OTTAWA (CP)—Two American teams were declared eligible Tuesday to compete for the Canadian senior hockey championship.

The action admitting Spokane (Wash.) Jets and Warroads (Minn.) Lakers to Allan Cup play was taken with little debate by delegates to the 50th annual meeting of the Canadian Amateur Hockey Association.

Sir Montagu Allan of Montreal first put up the trophy for amateur competition in 1908 after the professionals had taken over the Stanley Cup. The CAHA became official custodian of the award in 1928.

Until now, CAHA regulations have stipulated that only Canadian teams could win the trophy. However, U.S. teams were permitted to play in Canadian leagues.

British Columbia representatives argued successfully that Spokane has become a necessary component of the Western International League. They said the league would fail without the Jets.

It is only fair, they argued, that Jets be allowed to go as far as they can in Allan Cup play.

Thunder Bay delegates argued along the same lines for Warroads.

Alberta asked whether Canada would be represented at international competitions by American teams if either Jets or Lakers won the Allan Cup. It had been CAHA policy to send the cup winners on overseas tours.

NATIONAL TEAM FAVORED

President Art Potter said the CAHA already is on record as favoring a national team for future world games.

No dissenting votes were cast against the formal motion but Potter said later trustees of the cup should come forward if they disapprove of the action.

Delegates further amended CAHA regulations by making the Edmonton Journal trophy the official emblem of the Canadian intermediate championship. The trophy formerly was for the Western title.

Also approved was a motion not to change playoff dates set at the association's semi-annual meeting. The motion said the prime purpose of the mid-winter session is to arrange dates and that these have been altered too often in the past.

Only one major rule change was proposed and it's almost sure to be turned down by the National Hockey League at the next meeting of the joint rules committee.

The motion said NHL-sponsored teams in the CAHA should follow the same icing-the-puck rule as other amateur teams.

The CAHA rule calls for play to be stopped as soon as the puck crosses the goal line. Professional rules say a defending player must touch the puck over the goal line before the whistle is blown.

"We've tried to have the pros accept that for the last four years with no luck," Secretary-manager Gordon Juckes said.

DEFICIT OF $57,896

Juckes said in his financial report the association's magazine, Hockey Monthly, ran up a deficit of $57,896. The publication was discontinued last year.

Juckes also said junior playoff gross revenue in 1964 was about $60,000 less than in 1963. He said the Memorial Cup final at Toronto between Edmonton Oil Kings and Toronto Marlboros was a financial flop.

The CAHA also lost money on its playoff round-robin featuring junior champions of the Maritimes, Ottawa district and Montreal Metropolitan League.

Playing membership in the CAHA for the 1963-64 season was 187,030, an increase of 16 per cent over the previous season.

But Juckes said he is disturbed because fewer older boys are playing hockey. As an example, he said, there were 16,014 boys in midgt hockey but only 9,907 in juvenile ranks.

SPORT OF KINGS

Track Records Are Broken; Souris Wins Hoop Ch'ship

By ED CLINTON
SOURIS BUREAU OF THE GUARDIAN

The King's County Track and Field Meet was held, last year, in Souris. This year, the meet has been divided in two, and both meets will be held in Souris. At last year's meet, for the first time, records were kept. And these records will probably, for the most part be broken this year. We say this, because while all the different schools are getting ready for the meet, their individual school meets are now breaking the records.

Souris Regional had part of their meet last week, and thirteen records were broken. And by the time the meet finishes, more records should be broken. Here are a list of broken records with the Kings County records in brackets: Girls, junior: 220 yd. dash: Brenda Stead and Shirley Battersby, 31.4 sec (31.6 sec;. Broad Jump Shirley Battersby 12' 8" (12' 4") Senior girls: 100 yd dash Roma MacDonald 12.6 sec (13.2 sec). Broad Jump: Roma MacDonald 15' 6" (11' 9").

Boys, Junior 11 yd dash: Eugene MacDonald 11.0 sec. (13.2 sec), 2.20 yd dash: Eugene MacDonald 27.6 sec (29.0 sec), 880 yd dash: Eugene MacDonald 2' 13.2" (2' 29.0"), Shot Putt: Eugene MacDonald 39' 6" (34' 10"), Broad Jump, Joe Praught 15' 11" (15' 1"), Hop, Step and Jump: Augustine Clinton 33' 6" (30' 7"). Senior boys, 220 yd dash: Francis Power 26.8 sec (27.0 sec), 440 yd dash: Mark Gallant 1' .8" (1' 5.0"), and Shot Putt: Francis Power 36' 6" (35' 7").

The King's County Meet will be held on two days, with the Elementary schools having their meet on May 29th, and the Regional Schools having their gathering on the next day, the 30th. Track and Field is one of the fastest growing sports in the King's County area, with more athletes taking part every year, and the fan interest is gradually growing.

The Souris All Stars won the King's County Senior basketball championship, by beating out teams from Montague and Morell. Some exciting games were played, and we think this first County playoff was a huge success, and will be continued in the future. To the new champs, congratulations. Members of King's County's first senior championship team are: Paddy Murphy, Clarence MacDonald, John Hughes, Robert MacDonald, Gerald Clinton, Alfred Morrison, Herman Connolly, Maurice MacIntyre, Joe Pierce, Edgar Glenn, Clem Gallant.

Part of the first badminton tournament ever played in Souris has been completed. Two grade twelve boys, Francis Power and Mark Gallant won the senior boys title by defeating Augustine Clinton and Gerard MacPhee in the finals by scores of 15-6, 15-13. They met and defeated the teachers champions in exhibition games by scores of 15-13, 15-13.

The Senior girls playoffs are still continuing with twelve teams still in the running. This division should declare their champions in another week. The two older groups, senior men and women, will be playing off next week. At this time, no entries have been received for the women's group, while only five teams have been entered in the men's division. Get your entries in to John Hughes at the Regional High School.

Another championship recently decided that we must mention is the Souris Mixed Bowling League one. This was won by a group of wonderful bowlers paced by the one two-punch of Edgar Glenn and Eleanor Clinton, and backed up by the sensational pin - smashing of such fine veterans of the game as Rena Boylan, Bernadette Mahar, Edward McGaugh and your's truly. Wordage such as used above is expected of mere bowling, so I didn't want to disappoint anyone. To the rest of the team, congratulations.

Action in the King's County League for the 64 season will have been decided by the time you read this. The meeting of the league had been scheduled for Monday night in Morell. Whether or not all old teams will be back, and new teams accepted is now a matter of record. We'll try and have the full story for you next week.

Some members of the Souris Recreational Commission have expressed discontent with our last column. Their contention is that they spent over seven hundred dollars on baseball last year, and that this was too much, in comparison with money spent on other sports. That's as may be, but a little investigation proved that well over a hundred and fifty dollars spent last year was due from the previous year, cutting it down to five hundred spent last year.

Nothing definite decided as yet. But, the Commission is going to decide on something for the pre-school children in the town, and look into other sports. Track and Field has been mentioned as being in need of equipment. Other sports, such as basketball, football or hockey are taken care of under the school's programs. No matter what they decide, we still think they're wrong in not getting a full-time coach. The minor baseball program in Souris was just starting to pay dividends, and now is in danger of a collapse. We hope not, but, hope the Commission can come up with a solution.

Ch'town Ball Executive Holds Meet

A meeting was held last night at Charlottetown's City Hall by the executive recently appointed to form a Charlottetown Baseball League.

Col. D.J. McCormack, league president, was in the chair and those present included Jim Fox, John Kane, Cuker' Pineau, Reg Whitlock, Pat Sherren and Bill Davis.

Mr. McCormack announced that there are 58 local ball players who have registered for the coming season.

Col. McCormack appointed John Kane, Bill Davis, Charlie Ryan, and Donnie MacLean to divide the players up into four well balanced teams. The teams will be announced early next week and practise will get underway as soon as the teams are choosen.

Players who wish to play, but have not yet registered are asked to contact Jim Fox, city recreation director, in the very near future so that the names may be included in the choosing of the teams.

Shooting Action At Squaw Pt.

The opening shoot of the season conducted by the P.E.I. Rifle Association was held last Saturday at the Squaw Point rifle range. Some fine scores were made but the cold weather forced a number to retire before they had reached the 600 yard mark. The match was fired from the 200, 500 and 600 yard range.

WO2 Mike Susick fired a magnificent score of 103 out of a possible 105 despite the poor conditions. The following are the scores recorded by Mr. Susick's closest rivals: Miss Lorna Vessey 99, Capt. R. A. McCabe 99, Sgt. P. J. Landrigan 98, Tpr. H. T. Veey 98, and Sgt. R. L. Coles 97.

The Tyro class was won by Constable S. J. Tibbo of the RCMP with a count of 94 and he was closely followed by cadet Scot MacDonald.

On Victoria Day the riflemen turned out in force and this time were blessed withimprovtime were blessed with improved weather conditions.
