The SCOTCH WHISKY chosen by the Red Cross Society, London, for use by the invalided troops and hospitals in South Africa, is the famous WHITE HORSE CELLAR brand of MacKie & Co., Distillers, Limited, Islay and Glasgow, one of the oldest firms in the trade. On intimation of this, Messrs MacKie, with usual generosity, presented 200 cases free of charge, and shipped them by first steamer to the Cape.

One of the family is a volunteer in the Imperial Yeomanry, and on his way now to the Cape. It is hoped that he may give a good account of himself.

Don't Neglect Your Watch

If you allow your watch to run too long without cleaning, or with damaged parts it may be worn so badly as to destroy its usefulness as a timepiece; better have it examined by your Watch Doctor and if in need of repairs he will advise you accordingly and perhaps save your watch.

WE BOAST on our repair department turning out first-class work only. WE GUARANTEE ALL OUR WORK; if you have not given us a trial it will pay you to do so and we will be pleased to see you at GREAT GEORGE STREET.

Destruction of the Mines.

LONDON March 31.—The Pretoria correspondent of the Daily Mail, telegraphing yesterday, says: "Although it is true that the state mining engineer has made borings in the mines, I am officially informed that this is without the government's sanction, and that the question of the destruction of the mines, as a last resort, has still to be discussed by the executive."

CANADIAN TO RETURN. Private F. B. Strong, of "F" company, 1st Contingent, who enlisted at Halifax, acted in a somewhat strange manner on the voyage to South Africa, and was left at Cape Town for medical treatment. Subsequently he was taken to England and placed in Netley hospital. There he has been judged insane, and is to be returned to Canada.

ANOTHER TENNEL SCHMIDT. It is stated on good authority that a movement is on foot, having for its object the tunnelling of the straits of Canso between Mulgrave and Point Tupper. A strong company is willing, so it is said, to undertake the task, and we would not be surprised to learn that R. G. Reid, Esq., the millionaire magnate of Newfoundland, is at the back of it.—Truro Searchlight.

TWO OLD PEOPLE.—Mrs. Mandley, of Buxton, Ont., is dead at the age of 101 years. Her husband, who died over a year ago, was also over the century mark.

WEAK AND PURY CHILDREN

Become Strong and Healthy by using Dr. A. W. Chase's Nerve Food.

Children are frequently left weak and sickly as an after result of measles, scarlet fever, etc., and in this state are easy prey to nervous disorders, rickets, spinal disease, or consumption, diseases which do not affect robust, healthy children.

The blood is weak and watery and the nerves improperly nourished. Feed the blood and nerves with Dr. A. W. Chase's Nerve Food, and the pale, pinched faces will soon become rosy and plump, and tiredness and weakness will give way to strength and animation.

Mr. E. W. Day, 62 Close Avenue, Toronto, writes: "My eldest daughter, aged eight, became very much run down. Her fretful, nervous, sleepless condition greatly alarmed her parents. She was taken from school, and in spite of the best nursing, the thin, weakened, bloodless face grew painfully worse. Fortunately we used Dr. Chase's Nerve Food. An improvement became apparent in a few days, it continued, and in a few weeks she returned to school built up anew, and greatly to our joy fully restored to health."

Dr. A. W. Chase's Nerve Food, 50c a box, at all dealers, or Edmansson, Bates & Co., Toronto.
