Four Horses Lower Marks On Card At Driving Park

Local race horses found the warm weather to their liking last night at the Charlottetown Driving Park with four of the winners taking new marks and another equalling her mark on two occasions.

The opening three dashes were the three divisions of early closures and the winner of each event lowered his or her lifetime mark.

Simcoe's Magic, a 10-year-old bay gelding owned by Jack Annear, did the twice-around-the-oval in 2:09.4 in capturing the curtain raiser. The gelding's mark going into the race was 2:11.3.

Captain Chief took a mark of 2:11.1 in the second dash and Slippy Queen lowered her mark to 2:10.3 in the third event.

The first three winners in each of the first, second and third dashes raced off in the fifth dash with Chief's Gal, owned by Jack Williams of Charlottetown emerging the winner. The four-year-old black mare had Chief in her first appearance finished third behind Captain but in the raceoff Clarkie Smith reined her to a new mark of 2:09.4.

In capturing both ends of the feature event of the evening, Dr. Preston MacIntyre's Janet M equalled her lifetime mark of 2:09.2 in both miles.

Other winners on the card were Torrid Water and Susan Pointer.

The highest single pay of the night was a place ticket on Concept in the third race which returned $27.80. A show ticket on Roger Parlay in the sixth paid $13.60.

The quinella on third race returned the largest pay of the night, $81.10, on a combination of Slippy Queen and Concept. The exactor returned $55.40, the daily double $19.40 and the second double $10.70.

Johnston's Grab Lopsided Win

SUMMERSIDE — In the Summerside Social Softball League Tuesday evening Johnston's jovial Giants defeated the Bank of Commerce nine by a 23-4 score.

Bob Banks went the route for the winners, while the banks team started Ken Gunn who was relieved by Chuck MacLennan.

DENOUNCED TRAINS

In the early days of rail travel an American clergyman branded the locomotive as "a device of Satan to lead immortal souls to hell."

St. Peters, Morell, Mt. Stewart Win

St. Peters edged Souris 6-5, Morell toppled Cardigan 5-2 and Mount Stewart downed Georgetown Eagles 6-1 in regular Kings County League action last evening.

At Morell both losing pitcher Lawrence MacIntyre and winner Louis Murphy tossed 2-hitters. Neither pitcher gave a base on balls with Murphy running up a string of 16 strikeouts and MacIntyre fanning 11.

The longest hit of the game was a double by Brian McGuire of Morell.

Over at St. Peters the host team had to surge from behind to claim the win. Going into the bottom of the seventh and final frame the Rovers were trailing 5-4. Jim MacAulay, winning pitcher and top sticker of the game led off with a single. Alex MacAulay stroked a double and Bob Rossiter sacrificed, to score MacAulay and deadlock the game at 5-all. Paul Morrison then delivered the clinching blow, a double that drove in Alex MacAulay for the victory.

TOP STICKER

Pitcher MacAulay, who picked up the win with a 9-hitter, also led his team at the plate with three hits in as many appearances. He also registered 11 strikeouts and issued three free tickets to first.

Losing hurler Colin Craig was tagged for 12 hits, struck out ten and walked two.

Top sticker for the visitors was M. Paquet with three hits in four outings.

Art Coffin twirled a 2-hitter in tossing Mt. Stewart to victory at Georgetown. He also fanned eight over the 7-inning route.

Bud McCullough was touched for 8 hits and struck out six.

Top sticker of the game was Merle Crane with two hits in three trips.

Rovers Host Flyers' Team

Rovers will try to grab a share of first place in City Baseball League action when they host Forbie Kennedy's league-leading Flyers this evening at 6:15 at Memorial Field.

Flyers own two victories in two starts and Rovers are 1-1 in their two contests. They did play a third but it ended 7-7 with Dodgers and the game will be replayed at a later date.

A triumph for Rovers tonight would make things read 2-1 for them and Flyers would have an identical situation.

However, Forbie isn't figuring on this happening. He maintains his outfit will make it three straight when they tangle with Bill Davis's boys tonight.

Rovers are the home club.

Players and officials are urged to be ready to start the game promptly at 6.15.

All-Stars Down Mariners 10-7

Mike Connolly's National Park All-Stars reverted to their winning ways last night on the Old Diamond, defeating Main Brace Mariners 10-7 behind the eleven-hit pitching of veteran moundsman Frank Bradley.

The Mariners had a slim chance to pull a win out in the top of the final frame with the bases loaded and two out but the next batter, Peter MacIntyre, hit a long fly ball to centrefield to retire the side and end the game. The losers also left runners stranded on third and first in the sixth inning.

Over the distance Bradley also walked two and fanned a pair.

Losing pitcher Lloyd 'Teet' Gregory was tagged for a total of 12 hits including a circuit smash by shortstop Linus Meisner in the bottom of the sixth. Gregory received shaky backing from his teammates, a total of six costly miscues being committed. The Main Brace moundsman walked none and sent none down via the strike-out route.

The Mariners, trailing 3-0 going into the top of the fourth garnered three runs in this frame and then added three more in the fifth only to see their opponents add two runs to their total in their half of the fourth and garner three more in the fifth. They climaxed their performance with a two run effort in the bottom of the sixth.

Top sticker of the game was Park third-sacker Hubie Morrison with 3 hits in four outings. Teammate Maurice Fitzpatrick was 2-for-3 while Kevin Hughes and Linus Meisner each picked up two hits in four outings.

Tops for the Mariners was Merle Longaphie with a brace of hits in three appearances. Cecil Ladner, George Trainor and Teet Gregory each went 2-for-4.

Officials for the game were: plate — Bud Lund; bases — Frank Bell, George Murphy.

Action tonight sees Shamrocks at home to Barry's Lions. Game time is 6:30

Enman Drug Nips RCAF Team 9-8

SUMMERSIDE — The tall-end Enman Drug softball team came through with a cliff-hanging win over RCAF last night at Queen Elizabeth Park, the score 9-8, after losing the same type of contest to MacKenzies their last time out.

With Doug Earle on third with the potential tying run having gone from first on two consecutive infield errors, Bob Hopper on first, and two out, Gerry Bernard sent a foul fly to Gerry Kempster in left field. Kempster had to lean slightly over the wire fence enclosing the shrubbery, but he made the game-winning catch.

Kempster started for Enman's and lasted one inning plus, his control the big problem. He gave up two hits, three runs, and walked four. George Kinch relieved him in the second, and took credit for the win. He was touched for seven hits, sent no one down the strikeout trail, and walked three in six frames.

John Sandland started for the airforce team, worked four plus innings, giving up eight safeties and six runs. He struck out one, walked three. Pete Devana went three frames, took the loss, but deserved a better fate. He struck out the side in the sixth, but a catching error allowed one of his victims to reach first, and this runner crossed the plate with the tying run. An error at second put the winning run on the sacks. Altogether Devana struck out six, allowed three hits, and walked only one.

John Poirier hit his sixth home run of the season in the third frame, chasing one of his teammates across the plate. Rollie Lemay had a perfect three singles and a double in four tries, his two-bagger driving in the tying and winning runs in the sixth. Harry Coates hit 3 for 4, Willard Doucette 2 for 4, and Bill Daley a double in two official tries.

Dete Devana had a perfect 2 for 2 in a losing cause. Dave Fagan hit 2 for 4, Jock Legendre, John McLaren, Steve Phillips, John Sandilands and Doug Earle hit a single each.

SPORT ECHOES

Summerside Bureau of The Guardian

Great Face-Lifting Job

If any of you older ladies of Prince County feel the need of a face-lifting job, see Eric Johnston for an appointment right away. Eric and his helpers have done an unbelievable face-lifting assignment at the Summerside Raceway. You have to see it to believe it, and we feel sure many will be doing just that on that first day of racing for Summerside.

We don't hate the Yankees bad enough to hope that any of their players get hurt, bad, that is, but it stands to reason that some of those dandies will have to break a leg occasionally, or develop gout or water on the knee every three weeks or so, if the American League is going to continue to be a race. New York, as we write, is one game ahead of its nearest rival, with Mantle out for the last two weeks, and other key players also on the sidelines. Heaven help those other contenders if all the Yankees are ever healthy at the same time!

See Different Than Officials

Well, it doesn't seem long since we had our glasses changed, but it looks as if we need another change right away. We've always disagreed with base judges occasionally, as, we presume, most fans do, but never before this season have the disagreements risen to about 30 percent of the total. We've come to expect now that when we think a runner safe, he is out. And vice versa. We don't know whether this is astigmatism, conjunctivitis, glaucoma, myopia, cataracts, or simply sand in the eye.

Perhaps our base-al meta-balism rate is sloting up. (In Russia a fellow who reaches out that far for a pun is hanged, them.

Makes Play Like Pro

Speaking of Gords, that Montford fellow who plays third base for MacKenzies, has a professional way of tagging a runner there coming in to him. He just stands there and lets the runner slide into the ball. Does it in such a way that everybody watching is sure the runner is out—even the base-judge. Some basemen try to tag a runner as if they were catching a turkey for the Thanksgiving table.

Don't take us too seriously, Mr. Base-Judge. We've been a co

together with a half-dozen of his next of kin, to make sure they get all the roots of this pernicious form of literary insanity.

We saw a baseball game between the Juniors and Kinkora recently and Gord Sutherland was judging the base plays. There were three close plays, and we agreed with every one of them. Then, on attempting a double play a second sacker looked to have taken his foot off the bag too soon, and sure enough, Gord called the runner safe. But with our eye trouble, Gord will never enhance his reputation as a base judge by calling them the way we see them.

fan so long that we just can't resist taking an occasional pot shot at an umpire, even though there are apostles in the neighborhood who say it is a very naughty thing to do. Remember, Mr. Base-judge, you're closer to the play than we are, and the chances are pretty good your eyes are closer to 20-20 than ours. If you sued us for slander, even with Perry Mason to defend us, we probably wouldn't have a leg to stand
