Expect Paving Project At Summerside To Begin Today

Work is expected to commence today on the widening and paving of the highway between Wilnot and the town limits of Summerside. It was revealed at last night's meeting of the Summerside Board of Trade. A. H. Hubley, first vice-president presided. The contract reportedly has been let to Morrison and MacRae Ltd.

Mr. Hubley said it was disappointing to go all out to promote Island products and then find co-operation lacking from many concerned. He said this shows a definite lack of interest and "sometimes it's our own fault we're not selling our Island products."

Community Hospital At O'Leary Reports Surplus

A surplus of \$5,442.51, not including accounts receivable, was announced at the annual meeting of the Community Hospital, O'Leary. Wednesday night following the first six months of operation. During this period patient days totalled 2,391.

The auditor's report, prepared by T. Earle Hickey and Co., Summerside, advise the people not to be unduly optimistic over their splendid financial statement as many unforeseen expenses might appear in the coming year.

Mrs. Thiren Ellis, assistant secretary, presented the report of the superintendent, Mrs. Grace MacLeod, who is ill. In the report Mrs. MacLeod praised the fine co-operation received from the medical staff, nurses, assistant nurses and all the help in and around the hospital.

Mrs. Melvin Baglote, reported that the Hospital Ladies Aid had also had a very successful year and wonderful response from various auxiliaries. The Aid had provided furniture, furnishings, for the children's ward, doctor's room and operating room to the extent of \$1,840.00 and still have a balance on hand of \$690.00.

Dr. L. G. Dewar gave an address which included the doctor's report. Short addresses of commendation were heard from Dr. Charles Dewar, Russell Leard, Errol Stetson and Edwin Turner.

Notes of appreciation were extended to the superintendent and staff, the executive of the hospital, the office management and administrative staff.

547 Attend Polio Clinic At Summerside

Although a total of 547 adults attended the polio clinics in Summerside yesterday to receive their second inoculation, there are still more than 450 who received their first "shots" last month that must attend this afternoon's final clinic. If they are to receive their second inoculation.

This afternoon's clinic is from two until five o'clock in Holman's Furniture Department, with the clinic moving on to the R.C.A.F. Station tomorrow evening.

It will be approximately seven months before the third inoculations are given. Dr. Kenneth Grant and Dr. W. E. Callaghan administered the polio vaccine at yesterday's clinics, assisted by Miss Lilli MacGuigan, R.N., Charlottetown. Mrs. Anne Ford, Charlottetown was in charge of administration assisted by Mrs. J. E. Flemming, Charlottetown. Also assisting were Y's Menettes Mrs. Lloyd Gorrill, Mrs. Harry Bishop and Mrs. Roy Boates.

TRAFFIC DECLINES

OTTAWA (CP) - Northbound highway traffic across the United States-Canada border in the first quarter of the year was down compared with the corresponding period in 1957. In the January-March period 2,894,000 foreign vehicles and returning Canadian vehicles entered the country. Last year the total was 2,976,300.

S'ide Blood Donors Win

Blood donors at Summerside last evening claimed a closely contested victory in a Summerside - Charlottetown competition based on a percentage of population.

The 251 persons attending the Summerside clinic yesterday swelled the total to 549 - only one short of the minimum objective - but sufficient to represent 7.4 percent of the town's population of 7,440. This compares with Charlottetown's 6.37 percent of their population of 18,107.

The published Charlottetown total of 1,152 donors is reported to include a clinic held at St. Dunstan's University. The Summerside figures, however, do not include 180 from the R.C.A.F. Station, who attended a Wednesday morning clinic, and which, is included would further increase the 7.4 percentage at Summerside.

Proposed by Mayor W. A. Currie of Summerside, the competition produced record number of blood donors in both Charlottetown and Summerside, at the two-day Red Cross blood donor clinics held in each place.

On the conclusion of the clinic last evening, Mayor Currie said the result of his challenge to Mayor Edwin Johnstone of Charlottetown proves that competition is the life of trade because it had stimulated the blood donor attendance in both towns.

Mayor Currie expressed civic appreciation of the response of citizens of this area, which was "really wonderful". He said that a very fine organizational job had been done by committee chairman Leo Blacquiere, and members of the Legion and service clubs who assisted.

Dr. Kenneth Grant and Dr. W. E. Callaghan administered the polio vaccine at yesterday's clinics, assisted by Miss Lilli MacGuigan, R.N., Charlottetown. Mrs. Anne Ford, Charlottetown was in charge of administration assisted by Mrs. J. E. Flemming, Charlottetown. Also assisting were Y's Menettes Mrs. Lloyd Gorrill, Mrs. Harry Bishop and Mrs. Roy Boates.

It was felt that in order that all booths be uniform that they be built by the lobster committee again this year. The matter of obtaining permanent booths was discussed and laid on the table for the future.

Errol Stetson presided over the meeting which was held in the O'Leary public hall with a good attendance. Minutes and the financial report were presented by Edwin Turner. It was decided that there would be an anniversary event early in July.

More Lobster Carnival Plans Are Finalized

With the Summerside Lobster Carnival only slightly over two months away, plans for this year's show are moving into high gear and indications point to a carnival that will surpass all previous shows in the numerous attractions it will have to offer and in the estimated attendance.

Last night's regular meeting, presided over by the general chairman, Mr. Edgar Cannon, and held in the R.C.A.F. Wing Association rooms, discussed many problems, finalizing some and holding others over for decision at future meetings.

It was decided to extend an invitation to the Women's Institutes this year, asking them to display some of their handicraft as it was felt that this display would be a great attraction and would bring many more people from the rural districts.

The general opinion was that this was a project that could well be sponsored by some local women's group and the director Charles Hogan, was authorized to interest some group in taking charge of it. Considerable discussion took place regarding the advisability of permitting exhibitors to sell their products direct from the booth and it was the consensus of opinion that this would not be permitted except in the case of the Women's Institute booth in the event that arrangements are completed to have such a display.

Rambler RECORD HITS NEW HIGH Sales Zoom Up... 64% Increase!

The Rambler record has everybody talking these days. And no wonder! Retail sales up, up, up - to 64% over last year's figures! Production figures way, way up, too! It's 1958's big automobile success story.

Up to March 31 of last year, American Motors sold 39,041 Ramblers in North America. In the same period this year 64,266 Ramblers were sold. And that works out to 64% more!

What's behind this dramatic development in the automotive world? Basically, it's this - more and more people are realizing the solid advantages of the compact, economical Rambler.

MORE AND MORE PEOPLE ARE GETTING CANNY IN THEIR CAR-BUYING, TAKING JUST A BIT LONGER TO LOOK AROUND BEFORE THEY MAKE A PURCHASE. AND THE LONGER THEY LOOK, THE MORE OF THEM SWITCH TO RAMBLER.

Because Rambler has the Best of Both - big car room and comfort, small car economy and handling ease. Plus the advantages of single unit body construction, pioneered by American Motors in North America. Plus five-position reclining seats and twin travel beds. Plus deep coil springs on all four wheels, for the smoothest ride imaginable.

Go to your Rambler dealer and see the car that's making automotive history today. And while you're there, take a Rambler ride.
