The cold, chilly winds of autumn have gradually and perceptibly, as the season advances, brought on the frosts and snows of grim King Winter, and favored Jack and Jill with their festive sports; and while nature is now busy weaving her white mantle to spread it again over the earth, may I take the opportunity of enquiring how you are off gentlemen, for CLOTHING? CAUTION.—Owing to the recent introduction of Soap made from Cocoa Nut Oil, F. S. Cleaver feels it incumbent on him to remark that he entirely abstains from the use of that pernicious article in any Soap bearing his name, the only advantage of which is to enable the maker to produce soap at less cost, and with a smooth and ivory-like appearance, which treacherous and superficial qualification is to be avoided; as a soap so made possesses a much more powerful alkali than genuine English-made soaps, and like many other things, beautiful to behold, leaves its sting behind, by causing a severe irritation to the skin—particularly if used for shaving. It likewise produces a faint, sickly, and disagreeable smell, as the hands of any person who has used it can testify.

Buckeye Mower and Reaper.

TO OUR PATRONS IN P. E. I.

IT is now four years since we began shipping Machines to your Island, and from our large increase of sales each season are assured that our efforts to furnish you with the "best Mower and Reaper in the world," have been appreciated, and with this encouragement we have endeavored to study more particularly your requirements, and each year build our Machine more especially adapted to your country.

We have this year attached a Self-raking Reaper to our Machine, and can now offer you "the most perfect combined Mower and Reaper" manufactured in America, or in any other country. This Machine differs in many respects from all others, and is particularly adapted for cutting lodged grain. By a very simple device the points of the guard-fingers can be dropped at the option of the driver, picking up everything, and making all smooth work. It will cut several inches lower than our Reaper last season Improvements have also been added to the Mower.

Other Machines will probably be offered you at, perhaps, lower prices, but be assured there are "none" that can compete with us in quality of work or quality of material used in construction. We feel confident that our Combined Machine will prove as satisfactory as the Mower has heretofore, and have no hesitation in warranting it to be superior to any Machine in this or any other market.

Yours respectfully.

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

The Most Reliable Friend

Holloway's Ointment.

Its Searching and Healing Propertus are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs bad breasts, sores wounds, and ulcers, its effect is marvellous. For ring-worm, scald head, scrofula and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses in its passage every part to which it is applied.

Glandular Swellings, Mumps Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing the detergent Ointment, twice a day, upon the neck, chest and back. It acts upon the very main-springs of life; for through the glands pass all new matter required for the body's reparation, and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet if Holloway Ointment be briskly and perseveringly rubbed upon the parts effected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment, and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed ar und the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrufulous Sores.

In all irritations of the skin sores, ulcers, burns or scrufulous enlargements of any kind Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions		Sore Throats
Bites of Mosquitos and Sand Flies	Elephantiasis	Skin Diseases

POISONED BLOOD.

When the blood becomes poisoned by the presence of an excess of BILE, UREA, CARBONIC ACID, and the excrementious excretions of the SKIN:—SORES, PIMPLES, BLOTCHES, SPOTS, ULCERS, and HUMORS of all kinds break out on the surface.

Dr. Radway's Sarsaparillian Resolvent,

When the blood is in this condition, should be taken alternately with RADWAY'S PILLS. The indication of Cure is to free the blood from the presence of these poisons, and restore the functions of the Liver, Skin, Lungs, Kidneys, Bowels, to their proper duties, this effected, which RADWAY'S SARSAPARILLIAN RESOLVENT, aided with Radway's Pills, will soon secure—a Cure will be the result.

A BAD SKIN.—Spots, Morphew, Sores, Pimples, Blotches, Pustules, Tetters, are caused by impurities of the Blood, Checked Perspiration, Sluggish Circulation of the Blood in the exercting vessels of the Skin. A few bottles will restore the vigor of life.

SARSAPARILLIAN, PAREIRA BRAVA.

TWO OF THE WONDERFUL INGREDIENTS THAT ENTER INTO THE COMPOSITION OF RADWAY'S SARSAPARILLIAN OR RENOVATING RESOLVENT.

There are some thirty or more different species of Sarsaparillian, and it requires great care and intelligence in selecting the proper kinds; so with PAREIRA BRAVA. This great remedial agent is to be found in Guayaquil, Peru, Nicaragua, Brazil, and there are some twenty species of this root, Dr. Radway uses only one kind, that which grows in Brazil. He employs, through his agents, none but experienced and intelligent men in gathering, selecting, packing, and shipping these roots to the United States. No ignorant savages or Hottentots are employed in gathering vegetables, roots, plants, &c., for the Sarsaparillian Resolvent.

RADWAY'S SARSAPARILLIAN RESOLVENT is sold at $1 per Bottle, or 6 Bottles for $5, by all Druggists and Medicine Dealers, and at Dr. RADWAY'S Medicine Warehouse, 87 Maiden Lane, New York City.

Sarsaparillian RESOLVENT.

NEW PRINCIPLES OF CURE.

Of all Wasting, Scrofulous, and Eruptive Diseases of the Eyes, Nose, Mouth. Throat, Ears, Head, LUNGS, Kidneys, Bladder.

THE SKIN MADE PURE, CLEAR, SMOOTH, AND BEAUTIFUL.

DR. RADWAY'S SARSAPARILLIAN RESOLVENT Establishes a new principle of Cure of all Chronic diseases; and proves to the medical world that Consumption and other Scrofulous diseases are curable. This fact has been demonstrated in over

ONE HUNDRED CASES OF CONFIRMED CONSUMPTION

where one Lung in over seventy cases was destroyed and dried up, and in over

500 CASES OF SUSPECTED CONSUMPTION.

DR. RADWAY, three years since, published to the world his analysis of the Blood in the several stages of CONSUMPTION, showing in every stage, that where tubercles become deposited in the Lungs and other organs, as in the Kidneys, Liver, Spleen, Bronchial Glands, Intestines, establishing Consumption of these organs, the BLOOD is thin, weak, pale, watery, and is deficient of such constituents as fibrin Albumen, Phosphorus, and the rich red coloring discs of the Blood Corpuscles. In the absence of these constituents in the Blood, the Blood is exhausted of strength and nourishment, and wherever there is inflammation it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Virulent Humors are formed, the presence of which causes inflammation, gathering, and consequent suppuration.

This, reader, is the true cause of the formation of Tubercles and Consumption. Dr. RADWAY was the first to advance this theory of the cause of Consumption and its kindred diseases, and prepared the RADWAY'S RESOLVENT to supply the Blood with such constituents it was deficient of, in these conditions of system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. RADWAY'S theory was published in England, France, Germany, and America, and was seized upon by the scientific men of both hemispheres. From his text medical books have been since published by medical writers claiming to have discovered the cause of Consumption, but have *failed* to produce the remedy to cure. Dr. RADWAY was the first to advance this theory, and the first and only discoverer of a medicine *that will cure*. In RADWAY'S SARSAPARILLIAN RESOLVENT the public have a remedial agent that will cure Consumption and all diseases of the LUNGS, BRONCHIAL, KIDNEYS, BLADDER, WOMB, THROAT, GLANDS, AND URINARY ORGANS.

In all Wasting Discharges, such as Involuntary Loss of Sperm, Emissions, Weakness of the Sexual Glands, Leuchorrnea, and all Uterine dificulties, Gravel, Lime Stone, Brick dust, Uric Acid, and Calculous Concretions, the SARSAPARILLIAN RESOLVENT is a positive cure. In Dropsy, Diabetes, uncured Venereal, Syphilis in its many forms, it cures when all other medicines fail.

EVERY DAY

an increase of flesh, weight, and strength is experienced. It is Fat-tissue, Caloric or Heat making. It is to the blood what oxygen is to the atmospheric air, it supplies the life principle. It swiftly removes from the surface all Spots, Blemishes, Pustules, Tetters, Rash, Flesh Worms, Sores, &c., imparting a

CLEAR AND BEAUTIFUL COMPLEXION

to all.

CERTIFICATE OF BEAUTY.

The following letter is from a highly-gifted lady, well known in the "circles of our best society."

"LAFAYETTE, Feb. 23, 1869.

"I had not much confidence in your SARSAPARILLIAN RESOLVENT. Having been disfigured for the last four months with BLOTCHES and PIMPLES, I resolved, at all events, to try it, and took TWO TEASPOONSFUL three times a day, as directed. It is not quite ONE MONTH since I commenced its use. To-day there is not a BLOTCH, spot, blemish, or defection of any kind on my person. * * * *
