POOR LOBSTER SEASON
GRAND MANAN, N.B. (CP)
Fishermen in waters off this southern New Brunswick Island report one of the worst lobster fishing seasons in memory. Severe storms and a general scarcity combined to bring about the condition. About 10,000 of the 30,000 traps set Nov. 14 were destroyed by storms in the first week. Early in January, fishermen will beach their gear until spring.

Worry of FALSE TEETH
Slipping or Irritating?
Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little PASTERTELL on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, soapy, pasty taste or feeling. It's alkaline (non-acid). Get PASTERTELL at any drug counter.

CONFIDENTIALLY YOURS
—by Byrne Hope Sanders

MONTREAL, Dec. 10th — Oops! . . . Only 12 more shopping days 'til Christmas. But I'm not going to panic as I did last year . . . rushing around madly at the last minute because I'd waited too long to decide what to buy those difficult people on my gift-list. My nearby branch of the BANK OF MONTREAL supplies the perfect answer to this problem. You just can't beat these holly-decorated B or M Christmas Cheques and Money Orders in their brightly-colored folders and envelopes for popularity. And youngsters just love to receive a special B or M savings passbook — with a nice balance inside — enclosed in a gay Christmas cover. Do save yourself worry and trouble this year . . . by doing your "difficult" shopping right now . . . at your neighborhood branch of "My Bank"!

LUNCH BOX SUCCESS STORY . . . Come noontime in the school lunchroom, freckle-faced arithmeticians and pig-tailed spelling stars start rooting through their lunch boxes to see what special treat Mother may have included. Happy are the youngsters who find she has used AYLMER Sweet Wafer Pickles . . . for they have that sunshine-fresh Aylmer flavour. Nothing nicer, it seems to me, than these Aylmer Pickles—Sweet Mixed, Small Gherkin, Green Tomato, and Sweet Wafer. You'll find them on the shelves of the best and brightest hostesses in town. The family will be mad about them, too, I'm sure!

BE WISE, DEARS, and in this hectic Christmas rush—take time out, every day, for a hot cup of bouillon made with MAGGI Chicken Bouillon Cubes. Serve steaming hot Maggi Bouillon to the youngsters when they come in tired and cold. And, best of all, learn the Maggi-way to add subtle gourmet flavours—by using Maggi Chicken Bouillon Cubes in your casseroles; your soups, gravies and stews. Drop two or more Maggi Cubes in the boiling water before you add rice—or carrots—or cabbage—and see how extra delicious they become. Maggi Cubes add a rich, exciting new flavour to almost every food. (Only 4 calories per serving, too.) Look for the yellow and red package—do!

And if you would really pamper those hungry appetites, I'd suggest you always serve AYLMER FANCY PEAS—ASSORTED SIZES for that famous Aylmer sunshine-fresh flavour. Grown on specially selected farms, then harvested at flavour-peak, and rushed to near-by canneries, they were sealed and cooked, often within the hour. "WHENEVER MY FATHER suffered from rheumatic or arthritis pain, he always found quick relief by taking TEMPLETON'S TRC's," writes a Windsor lady, who then adds, "I, used to be in frequent rheumatic pain but am thankful to be able to say that I also found wonderful relief in TRC's. I assure you I would not be without them!" Everywhere across Canada, more and more men and women of every age are winning long-sought freedom from neuritic, arthritic and rheumatic pain through time-proven TRC's.
