**CLASSIFIEDS**

Do you want nice pictures to send home to Mom? Well, I need cheap models, I'll do photos of you, your mate, or even your dog for free. Well, almost free. If you pay for the film, I'll cover the rest. We can do the pictures anywhere you want -- your home, outside, or my make-shift studio. My portfolio is available upon request. Phone me at 892-8540. If I'm not home, leave a message because I hate listening to the dial tone on my machine. Oh, the pictures can be colour or black and white - your choice.

**PERSONALS**

Dear Aladdin & Jasmine: Better dust off that magic carpet and fly away to another land if you want to stay together!! Love the Girlies!

DLH, I am looking forward to the day when we are finally together forever. I am especially excited about my purple picket fence. I cannot wait to see you out in the hot sun with no top on and real tight jeans. I won't rip the jeans off you until after my fence is built. Then, we will break out the whipped cream

and cherries.

To the general public: A certain individual who must remain anonymous, and whose name is not Andrew, did not get his driver's license until the age of 22. This is a secret... don't tell anyone! Pitster's Anonymous

To K.F. I keep wondering just when we will have some time to spend together again-- I think this sucks a lot, but I guess we will just have to live like this for a little longer. When it is all over, we should have our own private party! Always, G.K.

T.W.

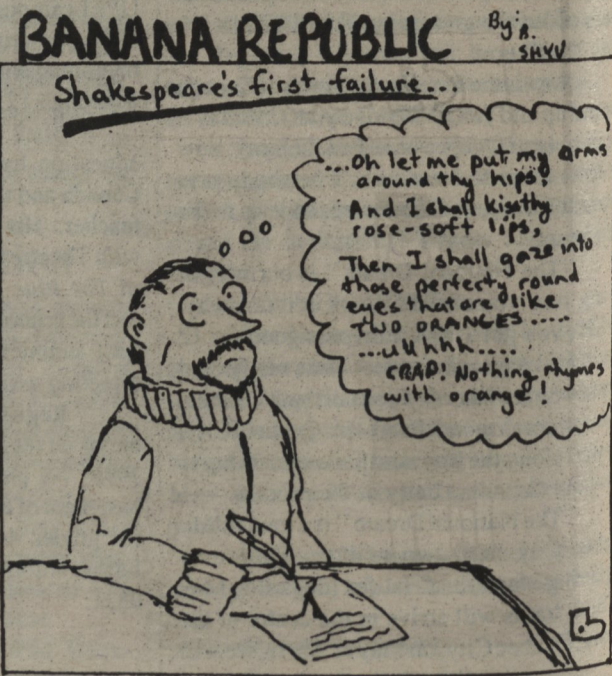

I thought I told you never, ever to chew gum ever again - especially not in public. You have been a bad bad clown, now you must make animal balloons! K.

To all non-smokers, they say that cigarette smoke will kill me, but I think it is so cool that second-hand smoke is worst for a person-- that way I will kill all of you anal-retentive people out there who harrass me about my smoking! HA!
