Sometimes a great notion needs help getting in motion.

Does your organization qualify?

Established, non-profit organizations and local governments may qualify to receive financial assistance to hire students.

What projects should you consider?

To qualify, projects should employ at least three students for six to 18 weeks between the 5th of May and the 5th of September. Proposals must be of benefit to student participants and should be of lasting value to the community.

What students will be employed?

Post-secondary or secondary students intending to return to school in the fall, who are Canadian citizens or permanent residents are eligible. Students interested in working on a qualified project should register at Canada Employment Centres or at Canada Employment Centres for Students.

IF YOUR ORGANIZATION HAS A PROJECT WORTH DOING THIS SUMMER, THE SUMMER YOUTH EMPLOYMENT PROGRAM WILL HELP PAY FOR STUDENTS TO HELP GET IT DONE.

The Summer Youth Employment Program will make a contribution towards wages at the level of the provincial minimum wage. In addition, the Program contributes employee benefits and up to \$20. per person per week to cover project overhead costs.

Where do you go from here?

Information and project proposal application forms are available at Canada Employment Centres or Employment Development Branch offices.

Deadline for project proposals is March 28.

To receive financial assistance to hire students, proposals must be submitted (post-marked) no later than March 28. Of course, it is to your organization's advantage to submit its application as early as possible, but March 28 is the final deadline. Now's the time to get that summer project off the ground.
