

IMITATION IS THE SINCEREST FORM OF FLATTERY.

The best proof that

MINARD'S LINIMENT

has extraordinary merits, and is in good repute with the public, is that IT IS EXTENSIVELY IMITATED. The imitations resemble the genuine article in appearance only. They lack the general excellence of Genuine.

This notice is necessary, as injurious and dangerous imitations, called WHITE LINIMENT, &c., liable to produce chronic inflammation of the skin, are often substituted for MINARD'S LINIMENT by Dealers, because they pay a larger profit.

They all Sell on the Merits and Advertising of MINARD'S.

One in particular claiming to be made by a former proprietor of MINARD'S LINIMENT, which simply is a lie.

ITS FAME SPREADING.

A New Remedy in General Use in Manitoba and the Northwest.

Winnipeg, May 28.—The effects of the regular waves of sickness which sweep over this portion of the Dominion in the spring are noticeable in the increasing amount of the druggist's sales. There has been quite a run on the kidney remedy now so well known under the name of Dodd's Kidney Pills. The recovery from Bright's Disease of Mr Arthur Coley, of Somerset, through their use, an account of which appeared in the papers, gave a considerable impetus to the sale, and the remedy has become indispensable in many Manitoba households, its fame having penetrated into the remotest parts of the province and Northwest Territories.

When It Hurts to Cough.

The cough that hurts, the cough that gets right in the chest, is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption. Such coughs yield only to the wonderful efficiency of Dr. Chase's Syrup of Linseed and Turpentine which loosens the tightness and cures cough and cold together. 25 cents a bottle. Family size 60 cents, sold everywhere.

What is Dr. Chase's Nerve Food?

In appearance Dr. Chase's Nerve Food is an oval, chocolate coated pill. In the condensed form it contains all of nature's most strengthening and invigorating tonic and restoratives and for this reason it is unapproached as a blood builder and nerve restorative. It cures all diseases caused by thin blood and exhausted nerves and makes pale, weak nervous men, women and children strong and healthy. 50 cents a box.

Dreams of the Maine.

M. de Manacine, the Russian psychologist, mentions the case of a person born without arms or feet who always dreamed that he had been mutilated. Now, it should be borne in mind, he says, that the majority of persons born without arms or feet always dream that they possess these extremities. It is evident, he maintains, that this difference results, in the first instance, from weak impressions hereditarily transmitted, and in the second instance from the strength and precision of these impressions. Persons whose limbs have been amputated are subject to curious delusions while asleep. They never dream that they are walking on crutches; quite the contrary, they invariably dream that they are walking with their feet, with this difference only—that as time passes their extremities appear to become shorter and shorter.

M. de Manacine mentions as a curious fact that this hallucination is very pronounced when the wound has healed without complications; while on the other hand there is no hallucination when the process of cicatrization has been painful. Moreover, we find the reason of this difference in the greater or lesser intensity of the sensations experienced. Still, if the dreams of abnormally formed persons are characterized by certain peculiarities, they are none the less subjected, as are other dreams, to the mysterious conditions of the human organism, and, like other dreams, their repercussion on the wakeful state is identical.

A Family Medicine

Of Unusual Merit, Known and Praised the World Over, is Dr. Chase's Kidney-Liver Pills.

Having a direct and combined action on both the kidneys and liver, Dr. Chase's Kidney-Liver Pills are the most valuable as a family medicine, and positively cure constipation and all forms of stomach trouble.

Dr. John White, 71 West Avenue, Ottawa, writes: "I used Dr. Chase's Kidney-Liver Pills for changed liver and pains in the head, with excellent results."

"My wife used them for stomach trouble, and pains about the heart, and is entirely cured. They are invaluable as a family medicine."

Some of the best families would not think of going to bed without Dr. Chase's Kidney-Liver Pills in the house. They are purely vegetable in composition and remarkably purgative and effective in action. One pill a dose, 25 cents a box, at all dealers, or E. W. Grove and Co., Toronto.

The Parson and the Rooster.

A good rooster story comes from a Somerset county correspondent. A certain clergyman, whom we will call Rev. Mr. Little, gave one of his parishioners a rooster, as a slight token of esteem. In the family was a bright 4-year-old boy, and he always called the rooster "Brother Little." One morning the little fellow saw the rooster coming toward the house, and he shouted, "Grandma, here comes Brother Little."

Grandma never stopped to look out or make any inquiries, but started quickly to pick up and set things to rights about the room. This done, she asked the boy, "Where is Brother Little?"

"Just gone into the stable," replied the boy.

Grandma thought she might have time to change her dress and quickly dodged into another room and in a very short time appeared attired in another gown, but somewhat out of breath. Again she asked the boy if he had seen Brother Little.

"Yes," said the innocent child; "there he goes back to the barn with the rest of the hens."

Grandma did not say a word, but sat down for a few minutes to rest, and later she seemed to enjoy the joke with her grandson, who looked on wonderingly as though he only partly took in the situation.—Bangor Whig and Courier.

Busy Choir Soloists.

Roman Catholic and Episcopal churches have the credit of providing the finest and most elaborate music, but the finest music in New York is heard in the Jewish synagogues. It is chiefly sung, however, by the best singers of the Christian churches, who thriftily "double up" and draw two salaries, a good arrangement for both temples and churches, albeit the churches pay double and sometimes treble the salaries paid by the temples.

The salaries of soloists in the larger American cities range from \$800 to \$2,500, the latter sum being paid in a single instance. All engagements date from May 1, which is moving time for church singers as well as house movers. Their church salaries form the basis of the soloists' incomes, but many fees are earned as a result of church work. Weddings and funerals yield quite a number, and private recitals at the home entertainments of millionaire church members are weighted with the golden fruit. There are also whole orchards of concerts and oratorios for those capable of shaking the trees.—Success.

Why He Was Arrested.

"There is such a thing as being altogether too clever."

"You think so?"

"I know it. I was walking along the street yesterday when I noticed a £5 note lying on the pavement. I stooped to pick it up, but it looked like a counterfeit, so I passed on."

"And the note turned out to be a good one, of course?"

"No, it did not, but I was arrested before I had gone ten steps farther."

"Arrested? What for?"

"For passing counterfeit money."—London Answers.
