Grain

WINNIPEG (CP) — Prices were generally firm in fairly active trade Tuesday on the Winnipeg grain exchange. Flax was the weak spot.

The announcement that President Eisenhower would seek a second term in the forthcoming United States elections, however, had little effect on the market, except for a mild buying action two hours after the news reached dealers.

Canada Steamship Lines was down a point. Fractional losses went to Great Lakes Paper, Burlington Steel and Howard Smith Paper.

Closing prices:
Oats: 1/2 higher 79 1/2; Oct. 1/2 higher 78 1/2; Dec. 1/2 higher 75 1/2; May 1/2 higher 72 1/2.

Index gains: Golds up .25 to 87.08; base metals up .88 to 241.14; western oils up 1.70 to 155.68.

Canadian Devonian was the best winner in western oils, adding 40 cents.

N. Y. STOCKS

NEW YORK (AP) — Definite word that President Eisenhower will run—anticipated for days by the stock market—caused barely a ruffle for nearly two hours Tuesday before industrials led a moderate advance.

The market had been slightly higher from the start but was turning mixed when the news came from Gettysburg. Prices fluttered slightly upward then started back again.

The Associated Press average of 60 stocks rose 70 cents to \$185.60.

Price Boost Announced By Imperial Oil Limited

HALIFAX (CP) — Increases of half a cent a gallon for motor gasoline and furnace oil and 7 1/2ths of a cent a gallon for diesel fuels for the Atlantic provinces and Quebec were announced today by Imperial Oil Limited.

The new prices are 45.2 cents for regular motor gas, 48.2 for premium in Halifax with an added differential of two cents outside Halifax. Furnace oil will now cost \$1.14 in Halifax and 19.3 outside and 20.6 outside.

An Imperial Oil statement said: "Higher ocean tanker rates and a general increase in oil product prices along the Atlantic and Gulf coast are being reflected in Canada. In view of the increased costs prices will be increased in Newfoundland, the Maritimes and Quebec."

IN MEMORIAM

LORNE COLES
In the midst of life we are in death. The truth of this statement is borne out in the life of Lorne Coles, whose death occurred on May 29. Until late in March he had always enjoyed good health, but at that time found it necessary to consult his physician. The result of an operation on April 10 revealed that he was suffering from a disease which was too far advanced to be cured.

He was born in Milton, P.E.I., on January 23, 1901, the younger son of the late Stephen Coles and Sarah Darke. The other son, Leigh, died two years ago in Grand Rapids, Michigan.

Besides his widow, the former Aletha Senter of Brookfield, two half-sisters survive him: Mrs. Oswald Newson and Mrs. Gordon Newson of Kingston, P.E.I. A half-sister, Sophie, the former Mrs. Hammond Horne, and two half-brothers, Otto and Stephen, predeceased him several years ago.

Eisenhower Asks More Foreign Aid

GETTYSBURG Pa. (AP) — President Eisenhower appealed Monday for restoration of foreign aid cuts voted by Congress, declaring the reduction would "definitely injure our efforts to help lead the world to peace based on cooperation and justice."

In a statement issued at the temporary White House here, Eisenhower declared that without dictatorship or foreign domination in countries depending on U.S. assistance to give their people a chance to make a living.

The service was conducted by his minister, the Rev. W. Harold Brown, M.A., assisted by the Rev. A.E. Piercey of St. John's Anglican Church, Charlottetown. The choir led the congregation in singing two favorite selections of the deceased: "The Lord's My Shepherd" and "In the Sweet Bye and Bye". Mr. Roy Smallman rendered the solo, "There's a Beautiful Land on High."

Woman Bank Teller Charged

BELLELEVILLE, Ont. (CP) — Mrs. Kathleen M. Glancey, a 34-year-old bank teller, Monday was charged with theft by conversion of \$10,000. She worked for the Bank of Montreal.

She was remanded in custody. No date was set for her next appearance in court, but officials said it would be before July 17.

The alleged conversions involve money consigned to the bank and entered in the books but which was not reaching the vaults.

Plane Missing Over Labrador

HALIFAX (CP) — RCAF search and rescue in Halifax reports that a Norseman aircraft, owned and operated by Wheeler Airlines, of St. Jovite, Que., is unreported and presumably down in Labrador bushland somewhere between Fox Harbor and Goose Bay.

The names of the pilot and one passenger in the plane have not been released.

Anyone who suggests Red assistance is not inconsistent with freedom is "reading history incorrectly," Nixon added at a press conference.
