BUILDING PROGRESSING - At a meeting of the Alberton Prince County Exhibition Association held in the Exhibition Building last night, with the president, Mr. Lester Wallace presiding, it was reported that the new buildings were progressing very favorably and would be ready in plenty of time for the exhibition on September 5th. The tender of J. W. Don Campbell was accepted for painting the new buildings. The application of the Alberton Boy Scouts was accepted for the parking area on Exhibition Day. After further discussion regarding the buildings the meeting closed.

ALBERTON FILM COUNCIL - The regular monthly meeting of the Alberton Film Council was held last night in the new Alberton Library building, with the president, Mr. Frank Weeks presiding. The minutes of the last meeting were read by the secretary, Mrs. Lloyd Wilkie and passed. The financial statement was read by Mr. Henry Clarke, film librarian, and a credit balance of \$92.62 was noted after paying for the new projector and all other expenses. It was decided to order a new screen to replace the old one now in use. It was brought to the attention of the meeting that all schools in districts which contributed to the purchase of the equipment have the use of the projector free of charge except for gas and oil. Following the meeting a film "Newfoundland" was shown. - F.

Second Phase Of S'ide Paving Program Finished

The second phase of Summerside's street paving program was completed last evening. This year about a mile and three-quarters of streets were hard surfaced with cement and this follows about two miles done last year.

This leaves Summerside with very few unpaved streets and the use of cement on the newly paved ones guarantees that the job on these at least will be permanent. The contractors both this year and last were Morrison and MacRae Ltd.

Streets that were done this year are as follows: Duke from Notre Dame to Water; the balance of Notre Dame to the intersection with Water; Market from Cedar to Duke; North Market from Cedar to Duke; East Street from Water to Harvard; Granville Street North to Victoria Road; Beatty Avenue from Granville to Summer; Central Street North; Chestnut Avenue and Maple Avenue from Central to Duke.

The paving of four miles approximately of streets in two years makes a great change in the appearance of the town and means a great deal in convenience to the people who live on the streets on which permanent work was done. - S.

Holman's Ltd. Name Assistant Controller

It was announced by R. T. Holman Ltd. last evening that Mr. Norman Hogg of Summerside has been appointed to the position of assistant controller of the firm and will assume his duties this morning. Mr. Hogg brings high qualifications to his new position having been, for the past five years, articulated with Mr. T. Earle Hickey, chartered accountant, and he intends to continue his studies leading to a degree.

He served in the accounting branch of the R. C. A. F. during the war. Prior to joining he had been employed in Holman's office. Mr. Hogg is married to the former Grace Gunning and they have a young son. He will be assistant to Mr. R. T. Henthorn, controller.-S.

R.E.C. representative for P. E. I. who will be one of the Council leaders.

The girls and their leaders will spend a busy and, it is hoped, inspiring ten days of intensive study and work in preparation for the fall and winter programme which will be carried on by the numerous C.G.I.T. groups throughout the Maritimes.
