THE LANGLEY CASE

Lansing People Hear of His Illness and
Subsequent Cure while in London,
Ont.—Much Pleasure Manifest-
ed Over the News.

LANSING, Mich., July 2.—A friend of
William Langley formerly of this city,
now of London Ont., received a letter a few
months ago stating that Mr. Langley had
been cured of his disease. Of course, no hope
of his recovery could be held out. Within a
month, the same friend has received a letter
from Mr. Langley stating that he is
completely cured of the supposed fatal
disease. Mr. Langley says no medicine
did him any good until he began using
Dodd's Kidney Pills. These helped him
from the first and in the end restored him
to perfect health.

If parents bring up their children with
the attention and care, when the parents are
in trouble and need sympathy they will
find their children living up to their early
teaching. They will refuse to be troubled.

A Cincinnati chemist has invented an
artificial milk, composed of water, solids
and fat. This artificial milk will raise a
cream from which first-class butter can be
churned. It will also turn sour, and is
capable of being made into cheese.

The oil on the Norwegian Cod Liver is
nature's grand restorative, and is only
found in its entirety and purity in Miller's
Emulsion, "the kind that cures" colds,
coughs, bronchitis and all affections of the
throat and lungs. Every bottle war-
ranted. No oily taste like others. In big
bottles, 50c. and \$1.00, at druggists.

It is a historical fact that most of the
rulers of the world who have been assas-
sinated in modern times have been excel-
lent officials and good men. Lincoln,
Garfield and Carnot were all men of lofty
types, and the assassination of each of
them was utterly senseless. Even the
late Czar of Russia, though ruling under a
monstrous form of government, was re-
spected personally as a mild and good
man.

DRINKING ICE WATER.

That cool, refreshing drinks in warm
weather are delicious, is undeniable. That
drinking ice water in copious draughts
when a person is overheated is injurious,
not to say dangerous, is also undeniable.
But that the free drinking of water in some
form in hot weather must be avoided, is
deniable, and is one of the greatest popular
errors extant. When a person is perspir-
ing freely from every pore, a vast amount
of water is drawn from the body, which
must be re-supplied, or great injury is
done to the physical health, and the foun-
dation of the worst forms of kidney
disease is being slowly but surely laid.
So long as the water drunk is freely
carried through the system, and converted
in its passage to the naturally
acid reaction of the urine and perspi-
ration, no danger can occur by
deposits of urea or lime in the kidneys
and bladder, because they remain perfectly
in solution, and are carried out of the body
instead of remaining in it. Do not drink
ice cold water, but pure cool water. If
you are attacked with cholera-morbus,
summer complaint, diarrhoea or dysentery,
do not resort to alcoholic stimulating
drinks, but adopt the practice of taking
daily, just before retiring, during July and
August, one teaspoonful of Johnson's
Anodyne Liniment in a little sweetened
water, which will prevent all such attacks
and ill effects from ice water. The Prop-
rietors, I. S. Johnson & Co., Boston,
Mass., will send their new illustrated book,
entitled "Treatment for Diseases," free to
any person for the asking.

It is one man starts to pay his debts, it
puts a row of men a half mile long in
motion, each one starting to pay his—
it may be that you are the man in the row
that has stopped the motion. If you owe
anyone, pay him.

A Man's Personality.

Dyspepsia makes a man nervous and ir-
ritable, in spite of his desire to be pleas-
ant and sociable. Hundreds of dyspeptic
have been cured of this distressing ailment,
and its accompanying effects of nervous-
ness, sleeplessness, irritability, etc., by the
use of Hawker's nerve and stomach tonic
the greatest invigorator of the age for
nerves, stomach and blood, and a perfect
aid for digestion. All druggists sell it.

For cramps in the stomach take a few
drops of Dr. Manning's German remedy
dilute in either warm or cold water. The
effect is instantaneous. Sold by all drug
stores.
