

**Mr. Parker**  
Continued from page 5

the mainland. At the same time there is the conviction that opportunities must be provided to enable a student to explore his own interests and abilities over as

wide a field as possible. He will thus be in a better and more intelligent position to decide his future vocation and position as a citizen in his community.

"Consequently the courses offered in Household Science and the Industrial Arts will be largely exploratory, essentially so in Grades

VII and VIII. Students in Grade IX and X, who are not following the complete academic program will have the opportunity to spend more time in these fields. This will be regular instruction provided in Art and Music, under conditions which will make the subjects of real significance in the life of the student. Finally the gymnasium-auditorium will allow a full physical education program to be offered for the first time in the history of our city schools.

There can be no question as to the worthwhileness of this phase of the school's curriculum. It provides the necessary balance to the sedentary habits characteristic of classroom activities.

"At the same time, and equally as important," said Mr. Parker, "it should be kept in mind that with the extra space available in the old buildings, it will be possible to increase the effectiveness of the elementary school program as well.

"Undoubtedly, the financial obligations involved are considerable but the returns on the investment can't be measured in terms of cold dollars and cents. They will be found in the lives of the graduates of the school who will be better prepared as a result of their training and experiences to make them successful citizens of the future. The adult citizens of this community are urged to give their whole-hearted and enthusiastic support in this major undertaking, one which is of such significance to the future of our city and province."

The speaker, who had been introduced by Mrs. Dr. Lantz was thanked for his address on motion of Mrs. G. B. Whitehead, seconded by Mr. J. E. H. Worth.

Mr. H. B. Chandler, Superintendent of Libraries and Audio-visual Branch, Department of Education, conducted a number of groups in a discussion period, which was followed by refreshments served by the ladies.

Previous to the address by Dr. Parker, Mrs. Horace Brown briefly explained the operations of the Teen Age Book Parade designed to improve the reading habits of young children.

Dr. G. G. Houston presided.

**Nine Mile Creek In 12-5 Win Over Glasgow Rd.**

Nine Mile Creek Bulldogs defeated Glasgow Road Maple Leafs 12-5 in North River Rink last night in a regular league game.

**St. James Scouts Win Hockey Game**

St. James defeated the Baptist Church Troop 3-2 in a closely played exhibition hockey game at the Memorial Field Rotary Rink recently. These teams will eventually play in the regular Scout League.

The Kirk team enjoyed a very slight edge over the Baptist players in the exhibition game. The game was fast and both teams missed many scoring opportunities. Derek Buntain scored two of the St. James goals while Billy Prowse scored one. Paul Oakes and Wendell MacLean were the marksmen for the losers.

**Mt. Albion Edge Cherry Valley 4-3**

In a clean, hard fought game played on good ice Mt. Albion edged Cherry Valley 4-3 on Saturday night, Jan. 16th.

Lineups —

5—Mt. Albion, Ed. Wood, (Wood)  
6—Mt. Albion, Trowsdale, (Brown)  
7—Cherry Valley, C. Morrissey

**Crapaud Defeat North Tryon 5-4**

Crapaud school team defeated the North Tryon school team by a score of 5 to 4 in an evenly matched hockey game in Crapaud rink Friday night in the Board of Trade School League. The Crapaud-Victoria Board of Trade put up a trophy some years ago to promote school hockey and for the past years it was played for in

**S'ide Aces In 12-4 Victory Over Flyers**

Summerside Aces last night defeated the R.C.A.F. Flyers 12-4 in a regular South Shore League hockey fixture played at the Bedeque Rink. The score would have been even more lopsided if it had not been for the phenomenal goaltending of Rogerson, in the Flyers nets. He stopped over 100 shots during the one-sided contest.

Many of the shots fired at him were from point blank range and a large number were screened as the snipers of the Aces maintained a heavy barrage all through the game.

Carl Woodside, Summerside defenceman, playing his best game of the year, led the winners with three goals. Vance Harris, Maynard Schurman and Paul Schurman each had a brace of tallies. O'Rourke led the R.C.A.F. attack with two goals. Roy, R.C.A.F. right winger, suffered a broken collarbone when he collided with Shields along the right boards in the second period.

Victoria rink. The main object of the trophy is to try to get the younger school children started in hockey.

Summary:

First Period  
1—Crapaud, E. MacDonald (Ronnie Dawson)  
2—Tryon, D. MacDonald (James Sherren)  
3—Tryon, G. Wood (D. MacDonald)  
4—Tryon, W. Thomas

Second Period  
5—Crapaud, G. Rogerson (E. MacDonald)  
6—Tryon, D. MacDonald  
7—Crapaud, G. Rogerson (Barry Dawson)

Third Period  
8—Crapaud, R. Sherren  
9—Crapaud, B. Dawson (G. Rogerson)  
Referees: Ferguson and MacDonald.

**Chapped Skin Special!**
