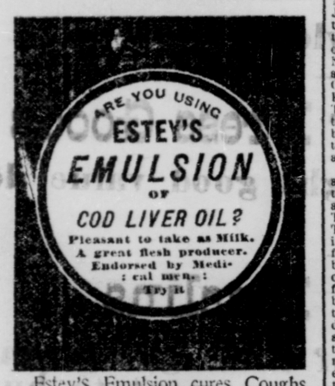
General Booth has returned from Australia with a most enthusiastic appreciation of the country and its people. In the course of an article which appears in The Current Contemporary Review, he says: "My comparatively brief stay in the southern continent convinced me that Australians are in possession of the most magnificent inheritance that has ever fallen to the lot of a young nation. All that is required to ensure them a splendid future, and to make them in the days to come the United States of the Pacific, rivalling the great American Commonwealth in prosperity and influence, is a large increase of population and a strong Government.

MAKES FLESH AND BLOOD.—When the system is all run down and there seems to be no hope of obtaining nourishment for the body by the ordinary process of food supply and digestion, when the body is sinking fast, then is the time to use Miller's Emulsion of pure Norwegian Cod Liver Oil. It always works wonders, because it is a flesh and blood maker and contains all the constituents for nourishment found in wheat, in fact, Miller's Emulsion is a perfect "staff of life," and has saved and cured thousands. In big bottles 50c. and $1 at Charlottetown drug stores.



Estey's Emulsion cures Coughs, Colds, Consumption, Throat and all Lung troubles. A great remedy for weak and delicate children, builds them up, strengthens the bones, makes new blood.

All dealers sell it, don't be induced to take any substitute—it hasn't any.

WITH GLOVES ON.

The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used

PHOSPHOLEINE

(Pronounced FOS-FO-LEEN),

when they became smooth and soft.

SCROFULA AND SALT RHEUM.

Dear Mr. Eagar.

I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health, and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c.,

E. C. NEWBERY.
