Evans, and this Sunday evening by the Reverend Donald Quigg, Royal Canadian Air Force Chaplain, Summerside. The pastor of the church, Rev. H. L. Mitton, is presently assigned in evangelistic services in the Calvary Baptist Church, North Sydney, and is not due to return to Charlottetown until next Saturday.
Rev. E. C. Evans, a resident upon Prince Edward Island during the past eighteen years, and now retired from the active ministry, is a frequent supply in the pulpits of this city. His subject for the occasion of Passion Sunday is an appropriate one, namely, "An Unwanted Cross."

Job Outlook Picking Up, Minister's View

CALGARY (CP)—Secretary of State Ellen Fairclough said Friday emergency action by the Progressive Conservative government is having "a definite good effect on the employment situation."
Mrs. Fairclough said at a press conference housing loans had not only put construction workers back on the job, but in time they would assist textile, home appliance and other workers.
The funds made available for building loans had given the Canadian economy a "shot in the arm." The unemployment peak had been reached in most parts of Canada earlier this month.

U.S. Living Costs Continue Upward Trend

WASHINGTON (AP)—United States living costs, moving contrary to the business decline, rose to another record level in February.
The rise of two-tenths of one per cent from January in the government index represented the 16th time in 18 months that consumers' costs have angled up to a new peak.
Food, the main item of family budgets, again was the chief factor. This was due to continued bad crop weather in Florida and throughout much of the south.
The gloomy living cost news prompted a Senate speech by Democratic Leader Lyndon Johnson of Texas. He said it meant "stark tragedy" for the more than 5,000,000 unemployed and for additional millions working only part time.
"This is one of the few occasions in history—possible the only occasion," Johnson said, "in which prices have risen in the midst of a recession. Under any circumstances, unemployment is cruel. But under these circumstances, it is cruelty compounded."

Five-Man Panel Discusses Outlook For Potato Industry

With greater attention to quality, the adoption of more efficient methods of production, Island poultry farmers can face the future with confidence.
This was the conclusion reached Thursday night by 5-man panel chaired by Clarence Fitz-Randolph, APEC agricultural officer.
Other members of the panel which followed the Dairymen's annual banquet were: Urban McQuaid, Southport, wholesale dealer; Lester Jenkins, Summerside, processor; and two producers, Charles Yebo, Sherbrooke, and B. B. Jones, Bumbury.
The panel members agreed that the question of quality in both eggs and poultry meat was of prime importance to the advancement of the industry.
LARGER FLOCKS
They agreed also that larger flocks could be handled more efficiently, emphasizing that no flock should number less than 200 birds, the most efficient unit possibly being closer to 500.
Orders for good quality poultry had been turned down by his firm, Mr. Jenkins noted, while expressing the hope that Island farmers would be encouraged to produce sufficient supplies to meet the demand of the available markets.
Even small producers, if they put up a quality product, could usually market it to advantage, declared Mr. Alex Sim of Ottawa a member of the audience.

Plan General Meeting Of Association Of Consumers

Plans for a general meeting of the Canadian Association of Consumers were made Thursday at a meeting of the executive held at the home of Mrs. Ralph Manning, the provincial president.
It is planned to have Mr. F. M. Nash of the Egg and Poultry Division of the Department of Agriculture as guest speaker. There will be a film on "The Story of Standards." The definite date of the meeting will be announced later.
The provincial C.A.C. is honored by the appointment of Mrs. J. A. Lawson as eastern vice-president for the national C.A.C. and Mrs. Manning expressed the pleasure of the executive in this regard.
The provincial C. A. C. plans to present a brief to the Royal Commission on price spreads at public hearings in Charlottetown on April 30. Contents of the brief were discussed.
Mrs. Manning gave a report on the national annual meeting of C.A.C. which she attended in Toronto last autumn.

Cases Heard In Court Friday

A Weymouth Street man was fined \$10 and costs in Queens County Magistrate's Court yesterday when he appeared before Clerk of the Court Albert E. Dinis who presided in the absence of Magistrate Gilbert E. Gaudet.
The accused had issued a "not-Guilty plea at an earlier hearing."
Two men, one from Central Royalty and a city resident, were fined \$5 and costs or five days when both pleaded guilty to operating their respective vehicles while said vehicles were not mechanically fit.
An Alberry Plains man, charged with illegal possession of liquor, was adjourned until March 23.

Potato Prices Quoted Friday

Potato prices reported from Summerside yesterday indicated that dealers there were paying \$1.75 per 75-lb. bag. At least one dealer outside Summerside was reported to be paying as high as \$2.00, Summerside sources said that there appeared to be "very little movement" yesterday.
Prices paid in Charlottetown were said to be five to ten cents higher than those reported paid in Summerside, with \$1.80-\$1.85 per 75-lb. bag being offered for potatoes delivered at the car or warehouse.
Montague prices were similar to those paid in Charlottetown; dealers there reportedly paying \$1.80 per 75-lb. bag delivered. Turnip prices at Montague yesterday were quoted at 75 cents per bushel.

Objective — More Donors

A campaign for blood donors will be conducted in Summerside during the week of April 21st. At a meeting held in the Court House at which representatives from the various service clubs and other organizations were present to organize the drive, a house to house canvass was planned to get as many blood donors as possible lined up. The clinic which will be held on April 30 and May 1st.
Provincial commissioner of the Red Cross, Miss Iphigenie Arsenault, speaking to the group, said that the presence of the representatives indicated a sincere interest in the work of the Red Cross. "Through the Blood Donor Clinics" she said, "We share our good health with others." She said that in the past there have been very successful clinics held in Summerside which indicated that there was good leadership in the community.
IS SAFE
Miss Arsenault pointed out that the organized group must take advantage of every possible avenue to let people know about the proposed clinic and particularly to get across the message that the giving of blood is a perfectly safe undertaking.
She spoke of the reciprocal agreement between the Canadian Red Cross and the American National Red Cross whereby residents from Canada who required transfusions while patients in hospitals in the U. S. could have the blood used replaced by applying to the Red Cross in the province in which they reside, and vice versa as far as an American in a Canadian hospital is concerned.
The meeting was also addressed by Mr. William Hayward, Manager of the Bank of Nova Scotia at Charlottetown, who is a member of the Charlottetown Blood Donor Committee and Provincial Red Cross Campaign Chairman. Mr. Hayward explained the method of soliciting memberships in the "Life Saver Club". He pointed out that the 3,000 bottles of blood used by patients in P. E. I. Hospitals last year represented a saving to these citizens of \$75,000. This is the amount the 3,000 bottles of blood would have cost at an average of \$25.00 per bottle which is the approximate rate charged in hospitals which do not have the free Red Cross Blood Transfusion Service.
Mr. J. F. Arnett, President of the Summerside Red Cross Branch, remarked on the great benefits derived by the people of Prince Edward Island from the Red Cross Blood Transfusion Service which this province is fortunate enough to enjoy.
Mr. Leo Blacquiere, Chairman of the Summerside Red Cross Blood Donor Committee who presided at the meeting outlined the method to be used in making the house-to-house canvass for members for the "Life Saver Club" in Summerside. The Summerside Red Cross Blood Donor Clinics, again this year, will be sponsored by the Summerside Branch
