IN MEMORIAM

ADAMS — In loving memory of Mrs. John W. Adams, who passed away, May 23rd, 1957.

Like falling leaves the years slip by
But precious memories never die,
She lives with us in memory still.

Not just to-day but always will,
Inserted by her brother and sister-in-law, Mr. and Mrs. Dan-iel Myers and son, George. Lake Verde, P. E. I.

CLOW — In loving memory of a dear father and mother, J. R. Clow, who died November 29th, 1930 and Margaret Clow who died May 23rd, 1947.

Like falling leaves,
The years slip by,
And precious memories never die
They live with me in memory still.

Not just today but always will,
Ever remembered by their daughter, Dorothy.

MACLEOD — In loving memory of Matthew M. MacLeod who passed away on May 23rd, 1949.

Beyond the gate our loved one,
Finds happiness and rest,
And there is comfort in the thought,
That a loving God knows best.

Lovingly remembered by wife and family.

RAMSAY — In loving memory of J. Willard Ramsay who passed away May 20, 1956.

This day we do remember
A loving thought we give
To one no longer with us
But in our hearts still lives.
Long days long nights he bore
The pain

To wait for cure but all in vain
Till God himself knew what was best
And took him home and gave
him rest.
Ever remembered by wife and family.

Biggest Electric Motor Installed

SYDNEY (CP) — The biggest electric motor ever shipped by the Canadian General Electric Company from its Peterborough, Ont., factory has been installed at the Dominion Steel and Coal Corporation steel mill here.

The motor weighs more than 60 tons and is 18-feet in diameter. The unit is 28 feet high, 33 feet wide and generates 4,500 horsepower. It will power the Doreen billet mill, which turns out metal bars.

Dosco said Thursday the installation cost \$200,000.

Ship Uses New Seaway Lock

IROUOIS, Ont. (CP) — The Calgarian, a 254-foot canal ship, became the first ship to use officially the new seaway lock here.

The giant lock, most westerly structure in the St. Lawrence Seaway channel from Montreal to Lake Ontario, was tested last year, but went formally into operation Thursday.

The Calgarian, owned by Canada Steamship Lines, moved through at 3 p.m. EDT after several tests of the lock mechanism. The Iroquois lock is one of seven locks in the new 27-foot navigation channel that will be opened fully early next year.
