

A SNEAK PREVIEW

A group of Explorers of the First Baptist Church in Charlottetown were conducted on a tour of The Guardian-Patriot publishing plant on Prince St. in Charlottetown. Linda Drake, LEFT, and Martha Nicholson take a sneak preview of the comics prior to publication the following day.

2,000 Bottles Are Required

A message received by Fremont Archer, chairman of the Red Cross blood donor committee for Charlottetown, from Robert A. Whyte, administrator of the maritime Red Cross blood depot at Halifax, states that 2,000 bottles of blood will be required in 1966 to perform open heart operations using the heart-lung machine. This is the estimated number of "extra" bottles that will be required by some 90-100 patients from all parts of the Maritimes who will undergo this type of surgery in Halifax hospitals during the present year.

These operations are performed with the use of the heart-lung machine which replaces the function of the heart and the lungs while the operation is in progress. To use this machine requires on an average of 20 bottles of blood collected not longer than 24 hours before each operation is performed.

Annual Meeting Held Recently

SUMMERSIDE — The annual meeting of the Summerside Y's Men's Club was held recently at the Y Centre. President Bob Hogg presided. He was assisted by co-chairman George T. Clarke, songleader Mel Campbell, and fife-master Harry Bishop. Graham MacDougall was introduced as a new member of the club.

The business of the meeting consisted mainly of the election of officers for the coming year. Prior to the election, retiring president, Bob Hogg spoke on the club's activities during his term of office and expressed his gratitude to all members for their support and encouragement. He outlined several major projects which had been completed by the club during the past year. These included improvements at Camp Tamawaby, a radio auction, bottle blitz and Christmas tree sale plus a large representation of club members at the International Y's Men's convention in Fredericton last year. In his closing remarks he made a personal presentation of appreciation to club secretary, Bob Walmsley for his excellent work throughout the year.

In the election, the following were chosen to take office on Sept. 1, for a one-year term: President, Robert Schurman; first vice-president, Lloyd Millar; second vice-president, Hedley Myers; third vice-president, Eric Jones. The incumbent secretary, Bob Walmsley and treasurer, Jim Rogers were re-elected by acclamation for a further term of office. Club directors elected for the coming year were Melville Campbell, Carman Clarke, Duane Molins, Edgar Ramsay and Donald Wannamakier.

Storage Tanks Are Installed

GEORGETOWN — Work has recently been completed on the installation of three large oil storage tanks, each tank having a capacity of 10,000 gallons, for Canadian Oil Companies Limited. The Georgetown Town Council issued a building permit, under Town Planning Regulations, in February, for the installing of the tanks.

The tanks are located on the former Saccnel property on Water Street, just east of Gulf Garden Foods Ltd. plant in an area measuring 100 feet by 90 feet on the south side of the property. From the tanks a three inch pipe line will run down the east side of the railway wharf to a society reel, from where the fishing trawlers can be serviced with fuel oil.

Dr. K. A. Parker Addresses Group

SOURIS — At a teachers meeting held at Souris Regional High School recently the teachers were addressed by Dr. K. A. Parker, superintendent of schools for the city of Charlottetown.

S' Side Band Has Concert

The Tignish Junior Legion Band of Summerside with band director Sgt. William Conkey of RCAF Station Summerside presented a two hour concert in the Legion Home Tignish during the past week.

The band made up of young people from 12 to 16 years of age were arrayed in their tailored uniforms of royal blue and white.

The program had such specialties played as The J. F. Kennedy March; Laurentian Echoes, Blues In The Band, along with a number of French selections. The Arsenault sisters accompanied by the Warren brothers displayed their musical talents with singing and step-dancing. Glenda Warren delighted the large audience with her step-dancing talent. Leo Blacqueure of Summerside was master of ceremonies.

Hector J. Buote, chairman of village commissioners and Legion treasurer extended a warm word of welcome to the Concert Band, Arsenault sisters and their accompanists.

Refreshments were served by the Ladies Auxiliary of the Legion.

PLAY FOR \$1,000
KINGSTON (CP)—About 200 chess players from several countries will participate in the sixth Canadian chess championship at Queen's University Aug. 27 to Sept. 5. First prize will be \$1,000.

Committee Meeting Is Well Attended

GEORGETOWN — A largely attended meeting of the Georgetown Centennial Committee and citizens was held in the Council Chambers recently, with Centennial Committee Chairman, Alex Arsenault, presiding.

Last week, the Town Council of Georgetown, received official word from the National Centennial Commission in Ottawa, that Georgetown's project had been approved.

To complete their full complement of officers, the local committee, at last week's meeting appointed Harry McConnell as vice president.

The meeting discussed present and future plans relative to fund raising and adopted projects for fund raising covering the months of April, May and June.

On April 4th and 5th, the committee are sponsoring a motion picture showing in Yeo Theatre in Montague. It is planned to have a bus available for the transportation of children to the afternoon show on Tuesday.

The drawing of the lottery for the transistor radio and other prizes, which has been going on for some time, will take place at an old time dance, to be held in the Rink Dance Hall on April 27th.

Canvassers have volunteered to zone and canvass the Town in the near future to bring the sale of tickets for the lottery to as great a volume as possible.

The Ways and Means Committee are to investigate the possibility of holding a Golf Tournament at the Brudenell Golf Course on a date late in May.

For a June Fund Raising Project the meeting decided to hold a Lobster-in-the-shell supper in the rink on June 22nd. It is felt that a Lobster Supper, at this time of year, would attract a large number of people. In connection with the supper, a Bingo and dance would also be held.

It is anticipated that as soon as conditions permit that machinery will begin work on pushing back the top soil on Kent Square, in preparation for the placing of the large amount of clay fill necessary to grade the area, prior to the installing of drains and walks.

Last week's meeting was the most enthusiastic one held to date.

Mr. Clark said there is sufficient evidence from the records kept of bounty payments that some of our predator species are maintaining their numbers or have increased in abundance in the past 30 years.

From 1931-1932-1964, the province paid out \$283,001.00 in bounties, \$126,369.00 of which was paid for skunk snouts with no apparent effect," he said.

In quoting the late Clarence A. Mason, past provincial director of wildlife conservation, Mr. Clark said that animals killed in one county or province may have their snouts transported to another county or province for the purpose of bounty collection.

He stated that in areas of the United States, people have tried every conceivable kind of predator control program. A step at a time they are finding that most of the routine operations were unnecessary. This learning has been costly and over many dead bodies.

"It is safe to say that all states will get rid of the bounty system as rapidly as pressure-group policies will permit," said Mr. Clark.

Concert Band Coming East

The annual Gold Cup and Saucer Parade staged in August will present a whole series of bright new tones and faces.

Coming East for the first time is the famed Estevan Collegiate Concert Band of Estevan, Saskatchewan, and they are coming for the sole purpose of taking part in Charlottetown's greatest annual show.

A really large group, there will be 57 student bandmen as well as a large number of chaperones. The Estevan youngsters also have their own majorettes, eight attractive and talented girls.

The band came into being in 1951 and with the co-operation of school and civic authorities and various service clubs has grown far beyond early expectations.

It progressed so rapidly that there are now three bands as a "farm" system has been inaugurated to assure a continuing supply for the "A" band. At present there are 200 youngsters involved with a parents organization doing all the financing for uniforms, instruments and travel expenses. An example of their organization is the fact they have offered to come here at their own expense.

It will be no novelty for these youngsters to take part in a big show as they have been seen at the Calgary Stampede.

As musicians, however, they are equally as accomplished in other fields and within their group have formed a special 12-man stage band for special concert or television shows.

Arriving here Old Home Week the band expects to reach Charlottetown Wednesday night or Thursday morning and in addition to taking part in the Gold

American T-T Earnings Up

NEW YORK (AP) — American Telephone and Telegraph Co. reports that earnings for the three months ended Feb. '66 rose to \$455,526,000, or 86 cents a share, from \$424,883,000, or 81 cents, for the same period last year.

This brought to \$1,230,759,000 earnings for the 12 months ended Feb. '66 from \$1,667,797,000 in the same period a year earlier. Per-share earnings totalled \$3.45 compared with \$3.26.

For the 12 months to Feb. '66, revenues rose to \$11,226,252,000 from last year's total of \$10,412,608,000.

FOSTER PANDA ROMANCE

MOSCOW (AP) — Soviet and British zoo officials but the only two giant pandas outside the bamboo curtain in adjoining cages Friday in hopes that familiarity will breed romance.

The pandas, Chi-Chi from London and An-An of Moscow, were put in the same cage Thursday for the first time with mating the object. They had to be separated when they began to act aggressively.

\$2 Bounty Is Termed Disastrous

To reinstate the \$2 bounty on skunks would be disastrous said Archie C. Clark, director of the East Prince Fish and Game Association, recently.

Mr. Clark said there is sufficient evidence from the records kept of bounty payments that some of our predator species are maintaining their numbers or have increased in abundance in the past 30 years.

From 1931-1932-1964, the province paid out \$283,001.00 in bounties, \$126,369.00 of which was paid for skunk snouts with no apparent effect," he said.

In quoting the late Clarence A. Mason, past provincial director of wildlife conservation, Mr. Clark said that animals killed in one county or province may have their snouts transported to another county or province for the purpose of bounty collection.

He stated that in areas of the United States, people have tried every conceivable kind of predator control program. A step at a time they are finding that most of the routine operations were unnecessary. This learning has been costly and over many dead bodies.
