THE LOBSTER CATCH.—There are 15 lobster factories in the vicinity of Buctouche which give employment to 250 hands. The catch this spring is larger than that of the entire season of 1888.

THE M. A. STARR.—The str. M. A. Starr arrived at Port Hastings from Halifax early this morning, and left shortly after. She will call at Port Hood and Murray Harbor, and is due here about midnight.

FOR A LONG TIME I had no appetite, was restless at night, and very much debilitated. After taking two bottles of Ayer's Sarsaparilla my strength and appetite returned, and my health was completely restored.—D. M. Fisher, Oswego, N. Y.

AT MONTAGUE WEST.—The Tea Party at Montague West, on the 26th inst., promises to be very successful. Everything possible is being done to make all who visit that flourishing section of the country enjoy themselves.

SETTLED.—It is stated that the breach of promise case of Campbell against Fletcher, for \$3,000 damages, has been compromised for \$3,000 and costs. The particulars of the case were given in THE EXAMINER a day or two ago.

A box of Ayer's Pills has saved many a fit of sickness. When a remedy does not happen to be within reach, people are liable to neglect slight ailments, and, of course, if serious illness follows they have to suffer the consequences. "A stitch in time saves nine."

LAI'D TO REST.—The funeral of the late James W. Howe took place at Summerside, after the arrival of the Point DuChene boat, by which the deceased's brother was a passenger. The remains were buried at St. Eleanor's, and were followed to the cemetery by many of the leading people of the town.

ELECTRICAL.—Some of the St. John papers to hand this morning, contain illustrated supplements referring to the summer carnival which opens in that city on the 22nd July next, with particular reference to the electrical display which will be one of its most attractive and novel features.

DON'T FORGET IT.—The Provincial Tea, to be held at Alberton, on Thursday, the 18th July, will, judging from present appearances, attract an immense number of people to that portion of our sister county. The Committee in charge are working energetically with a view to making it pleasant for all who attend.

MOUNT MELICK.—The Mount Melick Farmer's Club intend holding their annual picnic on Saturday the 22nd inst., on the grounds of Mr. Edward Wood, adjoining the school house. Amusements, and refreshments as usual. The club is giving a purse to be contended for by foot racing. All purposing to spend a sociable evening are invited to attend.

HOW IT WAS DONE.—A certain Belfast (Me.) man does not think so much of object lessons as he did. He fell the other day while shingling his barn, but escaped without injury. His son was away at the time, and on his return the old gentleman told him about the accident and in trying to show just how it happened, fell from the roof again, this time breaking a leg.

A BAD YEAR.—This is a year of unprecedented happenings. The Samoan disaster was the greatest of its kind. The rescue of the Denmark's passengers was the greatest ever known. The sailing of the steamer Hawkhurst, while burning, 2,800 miles is probably unexampled. And now comes the Johnston horror with the unequalled list of victims. What will be next?

THE EVENT OF THE SEASON.—The Bazaar and Strawberry Festival, to be given in the Market Hall, on the 3rd and 4th of July next, by the Ladies of the Congregation de Notre Dame promises to excel any event of the kind ever held in the Province. Arrangements have been made with the local authorities by which all who attend the Bazaar, and show a certificate signed by the Secretary to that effect, will be entitled to a return ticket at one first-class fare from any point on the line of railway.

PROTESTING.—The loss for the choice of battle ground took place last Saturday at Charley Johnston's saloon, Brooklyn. Neither Kilrain nor Sullivan was present. Charley Johnston, as Sullivan's representative, tossed a silver dollar, and Frank Stevenson, Kilrain's representative, cried "Head." The coin turned "head," and the Kilrain party had won the choice. Kilrain will probably choose Reno Grove, 200 miles from New Orleans, Frank Maynard, a prominent sporting man having offered an additional purse to have the fight take place there. Young Mitchell, who is matched to fight Johnny Reagan, before the California Athletic Club, in October, visited Boston a few days ago. When leaving for California, he took with him Johnny Griffin, who is matched to battle with Tommy Warren there next August, for a purse. A fight has at last been arranged between Mc-Auliffe and Myers, to take place in the fall, before the California Athletic Club.

Terrible Railway Accident.

GREAT LOSS OF LIFE.

Placing the Responsibility.

DUBLIN, June 12.

An excursion consisting of 1200 Methodist Sunday-School children and friends, left Armagh this morning in two trains. An accident occurred at a grade on a bank fifty feet high. The first train ascended the grade without trouble, and the second section attempted the ascent, but the weight of the train proved too great for the engine, and several cars were detached and allowed to run back towards the level track. Before they reached it, however, they came in collision with an ordinary train from Armagh, proceeding at a good rate. The excursion cars were completely wrecked. Fully 70 dead and over 100 wounded have been taken from the wreck, and others are buried under the debris. The engineer, fireman, guard of the train, and the traffic manager's clerk were summoned before the Magistrate and remanded on a charge of being responsible for the accident.

POST OFFICE ROBBERY.

Vigilantes and Robbers

HAVE A REVOLVER CONTEST.

Poor Shooting on Both Sides.

HALIFAX, June 12.

The people along the line of the I. C. R. between Windsor Junction and Shubenacadie, are greatly excited over the recent burglary of the post office and robbery of registered letters. Armed bands of searchers are in pursuit. Four men appeared at Milford last midnight with the apparent intention of taking the Canadian Pacific express for Halifax. The searchers suddenly appeared and ordered the strangers to throw up their hands. They refused, and the vigilantes opened fire on them. The fire was returned from revolvers. After firing thirty shots the burglars ran for the woods and escaped. They dropped a bag of burglars tools. One of the gang was arrested while getting dinner in a farm house to-day. He made a full confession and gave descriptions of his confederates. This is believed to be the same gang who created a reign of terror in portions of Nova Scotia by daring burglaries the last two years.

LOCOMOTIVE ENGINEERS

In Council at Moncton.

WHAT THEY ARE DOING.

MONCTON, June 12.

The meeting of the brotherhood of locomotive engineers here to-day was a great success. Over 100 delegates were in attendance, including Chief Arthur, of Cleveland, Ohio, and P. Fennell, better known as "Shandy McGuire," the poet of the Brotherhood. A secret session was held in the afternoon, and a public reception was held in the opera house to-night, at which the Mayor and Council, Attorney General Longley, of Nova Scotia, Mr. Wood, M. P., and others occupied seats on the platform. About 100 sat down to a magnificent banquet in the Brunswick Hotel to-night. To-morrow the visitors will go to Point du Chene, where preparations have been made for a monster clam bake.

ANTI-JESUIT CONVENTION.

A NOISY GATHERING.

TORONTO, June 11.

The anti-Jesuit Convention finished its labors to-day. The session at times was a stormy one and the speakers were unable often to make themselves heard. In fact, Dr. Caven at the opening of the afternoon session had to ask a fair hearing for the speakers. A good deal of the time of the meeting was taken up with the separate schools question, which system was vigorously denounced as a standing menace to civil and religious rights, but a motion to that effect was voted down. The Montreal delegates opposed it, and informed the Convention that any resolution towards the abolition of the separate school system would be dealing a cruel blow at the Protestant minority in Quebec. Rev. Dr. Douglas, of Montreal, stated that the Protestants of Quebec would be with Ontario in spite of the Jesuits and the devil. Geo. Stevens, of Montreal charged that there was a well defined plan for the absorption of the Province of Ontario into the States of Maine and New Hampshire and Connecticut by French Canadians. Several resolutions of minor importance were passed. The upshot of the meeting will probably be that an extensively signed petition will be forwarded to the Governor General praying for the disallowance of the bill, or the dissolution of Parliament, if this be refused to carry the matter to the Throne.

Weather Bulletin.

TORONTO, June 13.—10 a. m. Moderate to fresh south and south-west winds, fine warm weather.

The scheme is in every way a feasible one. Sir John is said to always select suitable immigrants.
