DEATH

Can be and has been prevented in thousands of cases by this nature's own remedy. JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT. This medicine, unlike most of the patent remedies of the day is the result of the careful study and experiments of a scientific and experienced Physician. The two principal ingredients have long been known and celebrated. WILD CHERRY BARK. When the strength of this is properly extracted is the best medicine known for curing the worst Coughs and other Pulmonary diseases, it loosens the phlegm and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption. LUNGWORT. This is a plant the virtues of which are known to but few, it has been said by the most learned men of all times, that "nature has provided a remedy for each and every disease," and the discoveries that are daily made, go to prove its truth. Lungwort is doubtless the remedy designed by nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of Ulcerated Lungs, soothing and subduing all irritation, almost immediately, is a proof of its adaptation to this disease. These two articles combined with other purely vegetable ingredients, form a medicine that is certain to cure the worst cases of Consumption if taken before the sufferer is entirely prostrated. Do not be discouraged, a trial can do no harm, but will convince the most sceptical of its real worth. THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs and Liver, such as Spitting of blood, Coughs, pain in the side and chest, night-sweats, &c. &c. Caution.—To protect our own as well as the interest of the Consumptive sufferer, we are obliged to caution all to find the signature of COMSTOCK & BROTHER on the wrapper, without this it is a worthless counterfeit. Remember this.

VICTORIA HAIR GLOSS.

It gives a rich, glossy appearance to the Hair, softens and invigorates it, and imparts to it that soft and glossy appearance so much admired by all, and at the same time keeps the Head free from all Dandruff, and perfectly clean. The recipe we have obtained from an English Chemist of high reputation, and we can confidently assure all that it is more than equal to all that we say in its praise. THE VICTORIA HAIR GLOSS stands pre-eminent above all other articles as the best Toilette Perfume, the best Tonic for the Hair, and the most delightful article to use ever made. TO THE LADIES: This Hair Gloss serves all the purposes of a Hair Oil without rendering the Hair stiff or gummy. Always find this on the wrapper, and also our full signature, and you will get the genuine. Price 25 cents per Bottle. COMSTOCK & BROTHER, SOLE PROPRIETORS.

Carlton's Condition Powders for Horses.

And also an excellent Medicine for Cows, Sheep and Hogs. These are the original and genuine CONDITION Powders introduced into the States and British provinces long before any others. All so-called "Condition Powders," now put up by others, are worthless imitations of the Original "CARLTON'S CONDITION POWDERS." THEN FARMERS LOOK TO YOUR INTERESTS. All of CARLTON'S GENUINE HORSE MEDICINES can be depended upon, and we pledge ourselves that no adulteration or depreciation of any of them shall be permitted by us. In "Carlton's Condition Powders" we have given to the Public a Medicine, which, as a General Condition Medicine, is "THE BEST IN THE WORLD." The great changes of weather and season, with the change of use and food, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c.; all of which will be prevented by giving one of these Powders twice or three times a year, and will at any time cure when any symptoms of disease appear, if used in time. One Powder will cure the Horn Distemper in Cattle without boring the horns, or doing any thing beside; and every Cow should have one given to her after calving. CAUTION EXTRA.—A Medicine like this is always counterfeited by some. There are counterfeits in the market. Beware of imposition. Never buy "Carlton's Condition Powders" without you find the full fac simile signature of J. CARLTON COMSTOCK on the wrapper. Remember this, as there are imitations offered for sale, which are very hurtful to animals.

Youatt's celebrated Gargling Oil, for Man and Beast.

OR UNIVERSAL FAMILY LINIMENT. The most wonderful External Application ever discovered! Better than any other Pain-killer, Liniment or Gargling Oil ever invented. This Oil is made from a recipe procured at great expense from a relative of "YOUATT," THE CELEBRATED ENGLISH FARRIER AND AUTHOR OF 'YOUATT ON THE HORSE,' who used it invariably when he required an external application. Therefore we feel justified in saying that we believe all who try Youatt's Gargling Oil will find it better than all other Gargling Oils or Liniments. The use of this penetrating Fluid has been attended with unparalleled success in all the disorders of Horses which require an external application; such as Cords, Chafes or Galls, Cuts Wounds, Sprains, Film in the Eye, Scratches, Cracked Heels, Strains of the shoulder, Stifle, Hough, Knee, Whirlbone, Fetlock, and of the Pastern and Coffin Joints, &c., &c. This GARGLING OIL is likewise the best preparation ever known for Burns or Scalds, Weak or Stiff Joints, Swelling of the Glands of the Throat, Inflammatory and Chronic Rheumatism, Gout, Contracted Cords and Muscles; Strengthens Weak Limbs, and enables those who are crippled to walk again. We might add many Certificates from all parts of the country but we simply ask all to TRY this remedy for any of the above complaints on Man or Beast, and they will be convinced that it is the most wonderful Liniment ever known. THE YOUATT'S GARGLING OIL was at first intended only for the diseases of Horses; but experience has shown that it is a most efficacious and certain remedy for any of the complaints humanity is heir to, where an external application is necessary; and one trial will fully convince you that we do not exaggerate when we say, that its Pain-Killing, Healing and Strengthening properties are beyond any thing ever known. Give this Article one trial, and you will never again be without it. It is put up in large bottles, at 25 cents per bottle, and is the BEST and CHEAPEST remedy ever invented. CAUTION.—NEVER buy any GARGLING OIL but Youatt's; be sure and ask for Youatt's Gargling Oil, and take no other, and you will be rewarded by a certain cure. This is the Original and Genuine Gargling Oil; never buy it unless you find the full signature of COMSTOCK & BROTHER on the wrapper. All without this are worthless imitations. Dr. A. JOHNSON'S

AMERICAN ANODYNE LINIMENT.

FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma Pain in the Sides or Breast, Rheumatism, Cramp in the Stomach, Spitting of Blood and all Lung Complaints.—Manufactured by I. S. JOHNSON, Bangor, Maine. Dr. Johnson's AMERICAN ANODYNE LINIMENT, an entirely vegetable preparation, prepared and intended for Internal and External application.

The inventor of this article was in the constant practice of medicine for 20 years, and by a long course of experiments upon the various diseases for which this Liniment is recommended, he became perfectly satisfied of its efficacy, and offer it with full confidence to the afflicted, as the result of his long experience, and best efforts.

This has long been a standard medicine, and enjoys the singular privilege of being known and patronized by a large portion of the medical Faculty, wherever it has been introduced.

With the firm conviction that it is the best remedy of the present age for all diseases for which it is recommended, the proprietor offers his Liniment to the Public; not doubting that it will sustain the high reputation it has already acquired. We do not affirm that this article is a cure for the ten thousand ills humanity is heir to, but let those who are afflicted with the following diseases, try it, and we can assure them they will find relief.

Inflammation of the Bronchia or Bronchitis, Rose Cold Catarrh, Hard dry cough, whooping Cough, Hoarseness and common cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise, Asthma and Influenza, for Sore Throat and weak Lungs, for Chronic Diarrhea caused by Rheumatism in the bowels, for Cramp in the Stomach, for Strangury, Gravel and Stone, Blind Piles, &c.

Externally it will have the most happy effects, in all cases where any other Liniment would be used, especially for Rheumatic Affections, Chills, Chapped Hands and sore Lips; it is a sovereign remedy for the bites of flies, and other insects. There is nothing of equal efficacy to this for Horses and Oxen where they are coked, cut, bruised, strained or chafed by the harness, and it possesses more than double the power of any other Liniment.

Inflammation of the Bronchia or Bronchitis, for the cure of this disease it has been wonderfully successful. Those who had cases of long continuance have found permanent relief. S. D. Ward, Esq. (No. 10 Court Street Boston) who had a case of three years standing, has kindly permitted us to refer to him in proof of the efficacy of this valuable medicine; also in the case of a Rose Cold. This cold comes on when the flowers bloom in the Spring, and continues till the leaves fall in Autumn —if this disease is not attended to in season it ends in consumption. Take of the Liniment according to directions and a cure will result.

Catarrh, and noise of confusion in the head may be cured by a faithful trial of this Liniment, drop one or two drops in each ear at night before going to bed, and take it internally according to directions.

In all coughs, the Anodyne Liniment is a well known remedy, particularly for whooping cough. The first symptoms should be checked, and not the least difficulty will occur in the cure of this complaint. For children half a teaspoon full of Liniment night and morning.

This Anodyne Liniment for sore throat and weak lungs, that complaint so common in all countries, especially in this climate stands unrivalled; and in every case, a complete trial will be marked by the most complete success.

The Blind Piles. The Anodyne Liniment has in a great number of instances of this distressing disease, made permanent cures. In connection with taking the Liniment internally external application should be used.

The sale of this invaluable medicine is rapidly increasing, and the Proprietor can say with confidence that he has been the favored instrument of giving relief to thousands of the afflicted and suffering. The following certificates are genuine, and he earnestly solicits all who may be afflicted, to give this Anodyne Liniment a fair trial, satisfied that if taken with a full determination to test its ability they will find relief.
