THE MASONIC MONTHLY is the title of a first class magazine devoted to the dissemination of the principles of the Craft, and furnishes a great deal of valuable information to the Brethren of the Mystic Tie. It is one of the standard Masonic magazines of America, and numbers among its contributors the ablest Masonic writers. It is published in Boston, by a native of P. E. Island, Mr. T. G. Wadman, and should be read and studied by every Brother in the Island. Bro. Wadman stands high in the Masonic Fraternity, and possesses rare facilities for furnishing authentic information to the Craft.—*Com.*

Grand Diet of Worms

DISSOLVED BY

WATSON'S SCHOLEDION!

WHICH is offered to the public as a perfectly safe, pleasant and efficacious EXPELLER OF WORMS from the human System. As the preparation contains no mineral ingredient, the administration of it to young children is not followed by the dangerous, and, in many cases, fatal consequences resulting from the use of many of the Vermifuges at present before the public.

A compliance with the directions accompanying it will prove it deserves the characters claimed for it above, while the promptness and painless character of its action render it the cheapest and safest remedy for worms hitherto discovered.
