Anglican Clergy, Laity Hear Christian Stewardship Talk

A large gathering of the Anglican clergy of the Island and the laity from all parishes met in St. Mary's Hall Summerside, Monday night to hear a discourse on Christian stewardship by the Rev. Canon W. E. Jackson of General Synod, Toronto.

The chairman, Rural Dean, G. R. F. Ebsary opened the meeting with a prayer and led in the singing of a hymn after which the visiting speaker was introduced.

Canon Jackson travels from coast to coast visiting many parishes in the dioceses of the Anglican Church in Canada, making known to all the true and higher principles of stewardship, eliciting expressions of problems and procedures and leaving with all an enthusiasm for furthering the advancement of the church's well-being.

At the request of the Rector, Dr. Harrison, Dr. Malone of Charlottetown on behalf of all thanked the speaker, saying it was both a pleasure and inspiration to hear this subject so brilliantly portrayed and closed the meeting with Benediction.

Kensington Has Its Home and School Meeting

"Has the time come when we weed idlers out of the High School?" This was the subject of discussion at the Home and School Association meeting held in the Kensington High School on Thursday evening, November 14.

Three groups chaired by Mr. Roscoe Walker, Mr. Gordon Cook and Mr. Donald Gordon discussed this topic and then presented the findings which included the following: We have a responsibility towards children and young people, so what will happen to those who might be sent away from school?

Closer co - operation between parents and teacher would help solve some of the difficulties. A curriculum which would include some vocational studies would be more suitable for some pupils. At present it is not possible to weed them. All idlers are not necessarily dull pupils. Idlers in a classroom may have a distracting influence on other students. Suspension for a period of one month for those who are definitely lazy with the chance to come back. Students must understand that they must measure up to a standard and find pleasure in having worked to attain it.

Following this part of the meeting, a panel discussion on the same topic was listened to with interest from C.F.C.Y. "Citizen's Forum," featuring Mr. Kenneth Parker, Superintendent of Charlottetown Schools, Dr. Frank McMillan, Principal of Prince of Wales College, Miss Gene Morrison, N.S.T.U., and Dr. George Grant, Dalhousie Univesity.

The president, Mr. Thomas Hall presided. Mrs. Donald Gordon was secretary and Mrs. Elwood Clark reported $170.90 received at the rummage and pantry sale, increasing the amount on hand to $338.96. Mr. Donald Gordon announced that the Library has been moved to the Federal Building. A motion was passed to pay one half the cost up to $20.00 towards shelves for the library.

Rev. E.H. Bean gave a comprehensive report of the semi - annual Provincial Home and School Association held recently, and dealt with the addresses given by Mr. George Crosscary and Dr. Gass. He described the purpose of the National Educational Conference to be held in Ottawa in February. Five delegates will be appointed from Home and School Associations of P.E.I. and in this connection the president was appointed to head a committee to consider nominations.

A vote of thanks was tendered to Mrs. William Champion for her special donation towards the rummage sale. The next meeting will be held on December 12, when the topic for discussion will be Homework — advantages and disadvantages. Dr. Lloyd Shaw will be guest speaker.

During the social hour refreshments were served by Mrs. Keith Waite, Mrs. Fred Semple and Mrs. Donald Gordon. Bur

Says Boost Science Here Don't Fret Over Russia

MONTREAL (CP)—All possible encouragement to Canadian science is more important than fretting over what Russia is doing, Dr. E. W. R. Steacie said Wednesday night.

The president of the National Research Council said that at present shortage of engineers and scientists in Canada is not too acute but could become so if Canada's economy continues to expand.

Dr. Steacie addressed members and guests of the Canadian section of the Society of Chemical Industry.

Text of his address was released to the press in advance of delivery.

NOT A RACE

Dr. Steacie said the question of the education of engineers and scientists should not be treated as a race with Russia.

"The real questions are whether we are educating enough engineers and scientists for our needs and whether we are educating them well.

"If we are worried about the pace of Russian science, the answer is not to copy Russia but to make sure that we are giving the maximum encouragement to Canadian science."

Because of birth rate and other factors, Dr. Steacie looked for a tremendous increase in university enrolment which would automatically increase the supply of scientists and engineers — provided the universities can expand accordingly to take care of them.

KEY TO SITUATION

The critical factor in the whole manpower situation "is simply whether we choose to give the universities the support they need or not."

Dr. Steacie said Russia's launching of earth satellites "has indicated the great confusion about the problems involved.

"In the first place there appears to be surprise that Russia has been able to accomplish anything, scientific or technological, in advance of the West. There are, of course, no grounds for surprise, as everyone connected with Western science has been pointing out for the last 10 or 15 years.

INFLUENCE ON SOCIETY

Speaking of technology and society, he said the argument is often made that technological advance has a great influence on society, "with the tacit implication that society has little influence on the direction of technological advance."

"It is perhaps worth emphasizing also that there is a great deal of loose thinking on the question of moral responsibility of science and scientists for things like nuclear weapons.

"All science can do is to increase the fund of natural knowledge and thus increase our potential control over our environment. What society does with this power is a social problem.

S'Side Athletic Association Holds Its Annual Meeting

The Summerside Athletic Association held its annual meeting in the Civic Building last night with Neil MacLeod, the president, in the chair. The financial statement for the year's activities was read by secretary-treasurer, Bob Clark, and approved. A new executive was appointed at the meeting, and this executive will elect the officers for the ensuing year.

The executive will consist of one representative of the following clubs: Legion, Y's Men, Rotary, Kinsmen and Lions, and in addition the following members: Horace MacFarlane, Ralph Boates, Charles Ballem, Charles Monaghan, Francis McNeill, Bob Clark, Charlie Hogan, John McNeill, Bob Schurman and Norman Macdonald.

The meeting passed a motion that the S.A.A.A. recommend that Lorne Hennessey be reappointed to his position of coach of minor hockey for the ensuing season, and that John nie Carroll be re-appointed to his position as supervisor of minor sports for the summer season of 1958, and these recommendations be sent to the Summerside Town Council for its consideration.

Alberton Member Heads PEI Ladies Curling Association

Mrs. Graham Bennett, Alberton, was elected president of the P.E.I. Ladies Curling Association at the executive meeting immediately following the annual meeting which was held recently at the Charlottetown Curling Club. Other officers are vice-president, Mrs. Mary Nicholson, Montague; secretary-treasurer, Mrs. Vera MacKay, Alberton.

At the general meeting, over which the retiring president, Mrs. Barbara Roper, presided, routine business was transacted and interesting correspondence from a member of the executive of the Eastern Canada Ladies Curling Association was read and a discussion followed.

After discussing the feasibility of holding the provincial playdown in a two-ice rink, an invitation from the Montague club to hold the playdown (Crockett Trophy) in their rink was graciously accepted by the members. Mrs. Beth MacGowan of Montague was appointed provincial games chairman.

A motion presented by the Summerside Ladies Curling Club to limit play to two ten end games a day in the provincial playdown was unanimously accepted.

The retiring president, Mrs. Roper, extended her thanks to the efficient secretary, Mrs. Marion Dockendorff, Charlottetown club, and other members of the executive, for their great co-operation and work during the year.

Following adjournment, the Charlottetown ladies were hostesses to the visitors at a social hour during which coffee and cakes were enjoyed.

CNS Reacts To TV Congress

MONTREAL (CP) — Canadian National (West Indies) Steamships Tuesday released the text of a cable sent to Britain's Trades Union Congress following word the big union would withhold its personnel from eight CNS vessels just transferred to Trinidad registry.

"Your reported action might injure ability of this company to continue the service," said the cable, sent by CNS general manager J. A. Sauve to TUC president Tom C. Yates.

Hal C. Banks, Canadian leader of the Seafarers' International Union (CLC), said Monday night the TUC was backing the SIU wages strike begun 4½ months ago against the government - owned line. He said the TUC would stop members manning the CNS ships.

FOLLOWED REFUSAL

Transfer of the vessels' registry to Trinidad followed the SIU refusal to accept an offer of a 15-per-cent increase.

Mr. Sauve's cable said the CNS doubts the TUC would withhold personnel without advising the company "nor do we understand how you claim jurisdiction."

"If such action has been taken we can only assume it is on (the) basis (of) erroneous information about facts."

The vessels had been transferred as the "only means of continuing our steamships service between West Indies and Canada on basis of meeting competition."

SATISFIED PERSONNEL

He said the personnel who had moved five of the vessels to Halifax from Montreal last week were all employed before the July 4 strike began and are "fully satisfied with wages and conditions of service."

He called the SIU demands higher by 50 per cent than those recommended by a conciliation board, which suggested a 10-per-cent increase in wages. The SIU sought 20 per cent.

Rates being offered at Trinidad "are well in excess of wages paid on other British ships," Mr. Sauve's cable said.

End Services At Tryon U. Baptist Church

The Evangelistic services held in Tryon United Baptist Church, Tryon, ended on Thursday evening of last week. The Rev. Fred Cowan, from the First Baptist Church, of Yarmouth, N.S. guest speaker, will long be remembered by people in Tryon and neighboring communities for the stimulating messages and the new understanding of some of the passages of the New Testament.

On Wednesday evening, the Summerside Baptist Church choir with Mr. J.H Leuty as organist, assisted in the service. The choir sang two beautiful selections, "My Jesus, I Love Thee" and "Behold A Stranger Standing at The Door". Rev. Graves, pastor of the Tryon Church read the scripture and led in prayer.

Rev. Cowan spoke on the topic "And sitting down they watch." He took as his text, John 19, verse 37, "They shall look on him whom they pierced."

At the close of the service, Mr Cowan spoke of how much he had enjoyed the fellowship with Mr. Graves and the others he had met on the Island.

At the last service, on Thursday night, Rev. Cowan spoke on "The Call", using those matchless words from Isaiah, "Seek Ye The Lord While He may be found, call ye upon Him while He is near; Let the wicked forsake his ways, and the unrighteous man his thoughts: and let him return unto the Lord and He will have mercy upon him; and to our God, for He will abundantly pardon."

Mrs. L. Graves and Mrs. Urville Large sang a duet, "I Must Have the Saviour With Me", and the Tryon Baptist Choir sang "A Charge to Keep I Have". Mrs. Lloyd Rogerson played the organ. These lovely devotional numbers added much to the effect of the service.

It was with real gratitude and regret at his departure that the members and friends of the Tryon congregation said goodbye to Mr. Cowan at the end of his mission.

Funeral Of Mr. Elmer Pineau Held Yesterday

The funeral of the late Elmer Pineau, teacher of French and mathematics at Summerside High School was held yesterday morning from his late residence on Granville Street to St. Paul's Church where Requiem High Mass was celebrated by Rev. Clare MacDonald, Rev Emanuel Richard, Rev. Clarence Pitre, Rev. J.D. Kelly, Rev. John Buote, Rev. Joseph LeClair, Rev. Nazaire Poirier.

Friends and neighbors and many others from every walk in life were present to pay their last respects to an outstanding citizen and a great teacher.

A guard of honor of Fourth Degree Knights of Columbus under direction of Pilot Percy MacDonald was in attendance while the members of the third section were under Warden Jerry Doucette.

The pall bearers representing the Knights of Columbus were Past Grand Knigths J. Arthur Clow and Dr. J.A. Doirion. Representing the teachers of Summerside High were the supervisor Mr. Clarence Mercer and Mr. Francis MacNeill while the R.C. A.F. Wing Association was represehted by the president, Erroll Laughlin and M. Roy Johnston.

The High School was closed during the funeral and the members of the School Board, the teachers and students came to pay their last respects.

The last rites at the grave were performed by Rev. Emanuel Richard.

No Agreement On Rocket Bases

LONDON (Reuters) — Defence Minister Duncan Sandys said Wednesday no formal agreement has been reached with the United States on setting up rocket bases in Britain.

Labor party member George Brown had asked in the House of Commons whether rocket bases would be established here.

Sandys said the U.S. offered last March to provide rockets for development in Britain but no formal agreement had been reached on rocket bases.

Well Known Business Man Dies After Brief Illness

The death of Patrick Leo Morris of Summerside and Kinkora occurred yesterday in the Prince County Hospital at noon after a brief illness. He was 59 years of age.

The late Mr. Morris was born at Bedford, a son of the late Mr. and Mrs. James Morris. As a young man he became associated with the Canadian National Railway and served for about 25 years, during which time he capably filled the position of station agent at Murray Harbor, Souris and Kinkora. Several years ago he resigned and went into business.

Forming a partnership with Mr. Frank Trainor of Kinkora, the two men owned and operated manufacturing plants at Charlottetown, Kinkora and Summerside and also dealt extensively in potato shipping.

Mr. Morris give unselfishly of his time and abilities to any project for the improvement of the community in which he lived. For some years he was an active and valued members of the board of directors of the Prince County Hospital.

He was a member of the provincial executive of the Progressive Conservative Party and the immediate past president of the East Prince Progressive Conservative Association.

In addition to his widow, the former Ella McMahon, he is survived by two daughters, Katherine, Mrs. Eugene Murphy of Thistledown, Ont.; Paula at home; one son Pope, (brother Wilfred of Christian Brothers College, Scarboro, Ont.); four brothers, Joseph and Kenneth of Kinkora, Roy and Charles in the U.S.A.; two sisters, Ethel, Mrs. Charles McCardle, Kinkora, Leah, Mrs. E. F. Kelly, Boston. Another sister, Mary, (Mrs. Hugh John McIver) died several years ago.

The remains will be transferred from the Monaghan Funeral home this afternoon and the funeral arrangements will be announced later.
