**Think Of The Solid Security**—the peace of mind you would enjoy if you could put more of your family income into savings. But how to do it in these days of rip-roaring prices! Well, it can be done by most people. . . . As I found out when I organized my money with that grand family-financing system—**PERSONAL PLANNING**. It's a highly flexible idea designed by the **BANK OF MONTREAL** to help you manage your money. . . . a practical aid, indeed, in these days! All you may need is a little extra will power—and the B of M booklet, "PERSONAL PLANNING", can help you supply that, too! A copy is yours for the asking at your neighborhood branch of the B of M. Make a point of picking one up this week.

**After Spring Housecleaning Is Done**, accidents can happen to your furniture, drapes and rugs. . . . butter dropped or perhaps chewing gum. But don't worry! Use **ENERGINE CLEANING FLUID**. It will help keep your home spotless and spot-free. You can easily get rid of ugly grease spots on your rugs and upholstery with Engerine. Engerine removes fresh paint, tar and chewing gum, too! And, though it's so effective, it's absolutely safe! . . . contains no acids nor caustics! What's more Engerine works wonders cleaning tubs, basins, tiling and refrigerators. . . . stubborn stains vanish and porcelain surfaces shine! You'll find it's a household "must". Take my advice and put Engerine on your shopping list today—at drug and department stores for as little as 25¢.

**Calling All Homemakers!** Here's a real buy! It's the amazing new **Silix FRESHERATOR**. . . . the only home container that keeps food fresh for 7 days—turns leftovers into menu-makers! An ordinary refrigerator container keeps cheese fresh for 7 days—a Fresherator keeps it fresh for 60 days! And I mean absolutely, deliciously fresh! How? An air-tight vacuum seal does the trick. See for yourself! . . . The Fresherator is a glass container with an aluminum and rubber lid—easy to use, easy to clean and it never wears out. Ask for the Fresherator Set of four jars. . . . available now at your favourite department, hardware, appliance and general stores. And, remember, the Fresherator is made by the makers of the famous Silix Coffee Makers and Steam Irons.

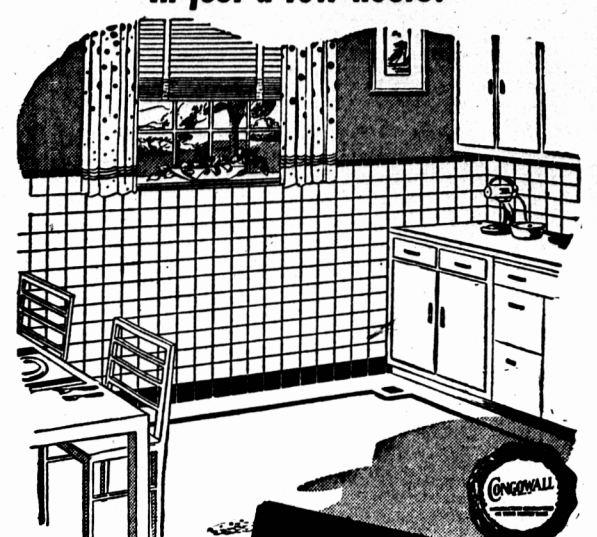

**If You Often Make Sandwiches For Lunch**—I suggest you make good use of the flavoured gelatins. They're so "well set", there's no such thing as soggy sandwiches. And what a lot of flavor you add when you spread Wagstaffe Red Currant Jelly in a meat sandwich—or combine Wagstaffe Crabapple Jelly with cheese! I like Wagstaffe Crabapple Jelly in a scrambled egg sandwich, too. And of course, in jelly omelets—or served with crackers and cheese. For here's the "real thing"—made from fine tart crabapples cooked only with pure sugar—in the real "home-made jelly" tradition. And you can get Wagstaffe Pure Jellies in 9-oz. "safety edge" tumbler so you can save a set of table glasses at no extra cost.

**A Spring Bonnet Helps**. . . . but even its gaiety can be spoiled by a sluggish, tired-feeling! C'mon. . . . match your mood to your bonnet—try my remedy. I'm just one of the many who find that a daily glass of lemon in water, taken first thing on arising in the morning, helps the system to regulate itself. Lemon in water alkalizes and aids digestion, there's no unnecessary irritation, sometimes caused by harsh laxatives. This natural fresh fruit drink is good for you. . . . chock-full of Vitamin C. But do specify **SUNKIST LEMONS** when shopping—their full-flavoured juice makes all the difference.

**Don't Be Fooled** by your husband's "Grin and Bear It" attitude about rheumatism. That cheery smile of his may conceal a world of pain. But here's something that will bring him welcome, wonderful relief! **SLOAN'S LINIMENT** acts fast to relieve the pain. No strenuous rubbing is necessary for Sloan's sinks in by itself—its gentle heat penetrates to the seat of the pain and rushes a fresh supply of blood to the sore spot.
