UNIVERSITY OF PRINCE EDWARD ISLAND

C A B L E / C A M P U S

Welcome back to another fun filled year of concerts, hanging out in the pit, residence parties, pub crawls, hockey games, relaxing in the sunroom.... oh and another year of hard-core studying

(maybe). A special welcome to all frosh, we hope your year at UPEI will be an enjoyable and rewarding one.

Over the summer, myself, as well as the rest of the staff at the

station, have been hard at work, gearing up for what looks to be CIMN's most progressive and exciting year yet.

Kristine Suzuki returns to CIMN this fall as advertising manager. Kevin Smith reclaims his desk as our music director. I am taking over the duties of station manager from Rhonda "Swell" McLellan. The position of assistant manager is not yet filled so if you're interested, contact the student union.

The station is located on the third floor of the student union building, the Barn. We operate from 9am to midnite, 7 days a

week. We broadcast to the residences (Bernadine, Marion, and possibly Blanchard by the time you read this.) by 20 Watts carrier current (fancy radio jargon) at 700 am on your radio and to the rest of the world at 102.3 FM Cable through Island Cablevision. If you ever have problems receiving us please don't hesitate to call us at 566-0417.

Because we leave the programming up to the individual DJ's CIMN offers variety to it's listeners. We cover the musical spectrum like no other station on PEI can. From the Dead Milkmen to the Pet Shop Boys, we play it all. We would like to broadcast

sports, news, and public affairs but we need your help. If you would like to help in any of the areas you are encouraged to us or drop by the station anytime.

Beginning this week, CIMN will have its own section in Gem. Titled "Shock Hazard" these two pages will include eye-shattering news about the station, interviews with artists programming schedule, and highlights or our shows, a music club music news, and reviews each week of the hottest and not-hot new releases. Keep you open!

So if you happen to have an extra hour or two a week consider volunteering with PEI's only alternative, CIMN. Your mom would be proud.

## How It Works

The purpose of this Volunteer Bank is to create a file of names and numbers of people who want to be involved in their university. This is how it works:

1. You must complete the form
2. Drop it off at the desk (in the slot) or at The Barn.
3. We collect and compile them in our computer.
4. A list of interested people under each activity will be given to the heads

Of the particular groups; for example the Biology Executive will receive all the names and numbers of those individuals wanting to get involved in that club.

This is all in the planning stage and hopefully all the bugs and flaws will be worked out. What we need is your support and assistance to make this service a beneficial one. So don't forget to fill out the volunteer file form.

## Officer Bob Contest

YES, you too can have a quote put in Officer Bob's column. Each week we will be accepting submissions for Officer Bob. Don't be rude, naughty, or just pissed off.

To have your quote in the week, just submit it to the GEM office in the dark clean basement of Main and put them into our wonderful GEM. Or you can just send submissions by VAX Mail to count GEM. Just tell us that your submission is for the Officer Bob Quote Contest and we will be glad to add it to the overflowing pile that we have on the upcoming contest.
