Music in the Gardens.

WHAT about promenade concerts in Queen Square Gardens this summer? Are we to have them or are we not? It all rests with the people themselves.

Last summer, it will be remembered, it was not until the season was well advanced that these concerts were inaugurated, and even then they would have speedily collapsed were it not for the energy and activity displayed in the matter by Councillor Beer.

This year Councillor Beer has also taken a commendable interest in the matter. He has interviewed Mr. Galbraith as to his intention of playing in the Gardens during the summer, and ascertained from that gentleman that it will take about \$100 to induce the band to give a series of promenade concerts there during the season.

These promenade concerts have been a very enjoyable feature of the summer months for several years past. Hundreds of citizens have availed themselves of them, and visitors to the city have been especially pleased.

We understand that at the next meeting of the City Council Mr. Beer will ask the Board for a small grant (about \$20 or \$30) towards the band, in order to help out the promenade concert idea.

A Lane Excuse.

THE Patriot of Thursday last asserted with a great flourish of trumpets that there was no discrepancy or no extra in connection with the contract on Darnley Bridge, that "the amount paid on the contract was \$1,395.25; inspection, \$39.75; total, \$1,435.00."

"The EXAMINER is excited over Darnley bridge. The tenders, it says, were not accepted and the work was done by different persons. It is seldom that the government receives the best value for their money by accepting the lowest tender for an important structure."

"The EXAMINER is excited over Darnley bridge. The tenders, it says, were not accepted and the work was done by different persons. It is seldom that the government receives the best value for their money by accepting the lowest tender for an important structure."

It will be seen that the Patriot practically admits that the tenders for the bridge were not accepted, and that the work was farmed out to various persons. The reason it gives for this strange conduct is decidedly rich.

The Patriot goes on to remark that "the country is all the richer" by the course the Government pursued in connection with Darnley bridge. We do not know by what mode of reasoning our contemporary arrives at this conclusion.

MAILS.—The Nova Scotia mail was despatched via the Summerside-Point du Chene route to-day.

City School Board.

THE regular monthly meeting of the City School Board was held last evening. After the transaction of the usual routine business, it was ordered that the closing exercises of the City Schools be held on Monday, Tuesday and Wednesday, 29th, 27th and 28th inst., Prince Street on Monday, Queen Square on Tuesday and West Kent on Wednesday.

The monthly report of the teachers for May showed a decrease of 94 from last month in the daily average attendance, owing to the prevalence of measles in the city.

There was some discussion concerning the holding of two sessions daily in the City Schools instead of one as at present, but no action was taken.

The Strickland Case.

THE National Trotting Association, Office of the Secretary, Hartford, Conn., May 29, 1893. Geo. F. Owen, Sec'y King's Co. Exhibition Association, Cardigan, P. E. I.

DEAR SIR,—Inclosed find printed slip taken from the published official report of the proceedings of the Board of Review at its meeting May 9, exhibiting action in case No. 2,352.

The plaintiff sends much evidence, from which, and that sent by the secretary, it is gathered that the race in which the former had entered his horse, was postponed on account of bad weather and track, and there was consultation about the matter by telephone, but not a legal notice of withdrawal, such as is required by Rule 17.

THE JOSIE MILLS' COMPANY.—A scurrilous report has been circulated with a view, undoubtedly, to injure this excellent organization. If there has been any trouble with Manager Haystead and his company it certainly has not affected their engagement in Truro, for a better company or a more thoroughly competent one, has not appeared here for many a year.

THE MARKET.—To-day's attendance at the market was fair, alike of buyers and sellers. The prices inside the building were unchanged from last Friday.

THE POLINO.—The steamer Polino, of the Dobbell Line, sailed for St. John's, N.B., at 7 o'clock last evening. She has a very large freight valued at about \$800, made up as follows: 20 head cattle, 189 lbs. pork, 27 hams, 577 bags oats, 160 tubs butter, shipped by the agents N. B. and M. Rattenbury; 8 rolls leather, 10 cases eggs, shipped by G. W. Toombs; 3 horses, by Geo. Wheatley.

POLICE COURT.—This forenoon, an eleven year old lad named Daniel Currie was arraigned on a charge of stealing a silver watch valued at \$5 from a man named Edward B. Itton. It was charged that Currie entered Itton's residence through the window and stole the watch. Currie admitted his guilt, and upon his restoring the watch, and because of his extreme youth he was discharged after receiving some wholesome advice.

The Liberal Convention.

AT the Liberal meeting in McLeod's Hall to-day the following persons were appointed to represent Queen's County at the National Convention to be held at Ottawa on the 20th inst.:

First District—A. B. Warburton and Peter Sinclair. Second District—Donald Farquharson and James Laird. Third District—Fred. Peters and J. H. Cumiskey. Fourth District—George Forbes and H. C. Macdonald.

Several substitutes were appointed to take the place of any of the foregoing persons who may be unable to attend. A resolution was passed expressing confidence in Mr. Laurier and his policy. Mr. L. H. Davies, M. P., presided at the meeting, and Mr. J. H. Good acted as secretary.

Crapaud Starch Company's Meeting.

THROUGH some informality about the posting of notices for the first general meeting of the shareholders of the Crapaud Starch Company, who by their act of incorporation are empowered to engage in the manufacture of starch, butter and cheese, and are now preparing to start a co-operative creamery, and on account of the majority of those nominally elected directors refusing to act, the promoters posted notices as required by act of incorporation, calling a general meeting of the shareholders to elect directors and transact other business as directed by law, to be held at Crapaud Hall on June 1st, at 7 p. m.

Immediately after the directors held a meeting and elected Mr. Warren J. Newsum President, and John Moore, Esq., Secretary. It was also agreed that the company's office be held at the residence of the Secretary.

Personal.
