DEPARTMENT OF HEALTH

DENTAL CLINICS At MONTAGUE and SOURIS FOR SODIUM FLUORIDE APPLICATIONS For the Partial Prevention of Tooth Decay Available to all children WITHOUT CHARGE between the ages of 3 and 13.

This fluoride treatment which is harmless and perfectly painless, has been proved to reduce the amount of future tooth decay by 40% on the average.

These Clinics will commence in the Town Hall, Montague and the Town Hall, Souris on Monday next, 16 June

School children, in order to be eligible, must first produce a Certificate, signed by a Dentist or Dental Hygienist, that all necessary dental treatment has been completed.

Pre-school children, from the age of 3, are eligible without this certificate.

Requests for appointments should be made at once to the Public Health Nurses in these districts.

GRAIN

WINNIPEG (CP)—Trading was moderately active Friday on the Winnipeg grain exchange, with the only export business reported being parcel lot sales of flax to the United Kingdom.

NEW YORK

NEW YORK (AP)—The stock market Friday surged to another 1958 peak in the heaviest trading since May 6.

Advertisement for Timken Silent Automatic Oil Heat, featuring a furnace and text: 'WAIT! You can't afford a cheap oil furnace. Look what you get for just a few dollars more. Owners report up to 25% oil saving. This fuel saving flame generates its heat in a flaming ring that sweeps the principal heat absorbing surfaces of the furnace or boiler. The Timken Silent Automatic burner generates an unburned flame—no blowtorch, no starting shock. Flame has plenty of time to give up its heat. This Wall Flame burner has but one moving part, which is guaranteed for life. This part is constantly lubricated by the fuel oil which passes through it. Call us today for free heating survey.'
