WITH GLOVES ON. The hands of the patient referred to below were so sore and offensive that he had to wear gloves continually to hide his hands, until he used

PHOSPHOLEINE

(Pronounced FOS-FO-LEEN), when they became smooth and soft, SCROFULA AND SALT RHEUM. Dear Mr. Editor, I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparilla in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is pronounced so by physicians; but had also obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, had been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c., E. C. NEWBURY.

I FEEL BUOYANT

"Am happy to say that results so far are as satisfactory as I could expect, indeed much more so than I did expect. I am enjoying excellent health, appetite good, sleep sweet and refreshing, gaining flesh; am less nervous than I have been for years; feel bright and buoyant." It is almost miraculous, making a young man out of one of seventy, for that is just what your treatment is doing for me. I wish the community to know in as modest a way as we can get at it.

The Telephone Company

P. E. ISLAND.

PARTIES using the Telephone would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds.

4th. Do not press too hard on the transmitter. It is possible to talk and be heard when standing back two or three feet from the transmitter. If you speak too loudly, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
