HAVING purchased one of Williams & Son Upright Pianos, about a year ago, I have much pleasure in stating that it has given great satisfaction, and has been approved of by many parties competent to judge. Thomas W. Dodd.

PORT OF CHARLOTTETOWN.—From the Harbor Commissioner's report last year, it is learned that during the past year 1525 vessels of all kinds arrived in Charlottetown, with an aggregate tonnage of 275,574.

A GOOD COW.—We learn from the Moncton *Times* that Mr. Thomas H. Smith, of Athol, N. B., has a cow, of common stock, which surpasses most thoroughbreds. When three years old she made 11¾ lbs. of butter a week and gave 252 lbs. of milk and is now giving 20 quarts of milk a day.

CANADA AHEAD.—According to an Ottawa despatch, advices to the fisheries department show that 2,659 barrels of fresh mackerel have arrived at Boston this year in American vessels, as compared with over six thousand for the same period last year. At the same time the receipts from Canada were 9,759 barrels against 5,552 last year.

SALE OF DEBENTURES.—New Glasgow, N. S., advertised for tenders for $22,000 debentures of that town—$10,000 for water works and $12,000 for sewerage. The whole amount was taken at $99.05 on the $100, 4½ per cent. interest. The debentures are payable in 20 years from date of issue. J. C. Mackintosh took $17,500 of the amount.

TICKETS.—The Regatta Committee, in order to avoid the rush on the morning of the regatta, have placed on sale at the Diamond Bookstore and Reddin's Drug Store tickets of admission to the wharf and grand stand. We would advise all those who intend witnessing the regatta to procure their tickets as early as possible and thus avoid the rush on regatta morning.

CARD OF THANKS.—The N. B and, P.E. Island Branch of the Women's Missionery Society of the Methodist Church tender their thanks to Charles Palmer, Esq., for the use of the Y. M. C. A. Reading Room, to the W. C. T. U., for kindly greetings, to Mr. J. J. Chappell for his brother's letter from Japan, to those who have entertained the visitors so hospitably, to the railway and steamboat authorities, and to all who in any way contributed to their pleasure and comfort.

EVANGELICAL.—Mr. Sutcliffe will preach in the Methodist Brick Church to-morrow at 11 a m., at Highfield at 3 p. m. and in the Upper Methodist Church at 7 p. m. Mr. Sutcliffe will also hold an evangelistic service in the Methodist Brick Church at 8.15 p. m., to which all are invited. There will be no services at Kensington Hall to-morrow, it being closed for enlargement.

LAST OF THE SEASON.—The Citizens Band gave their last concert this season on Queen Square on Thursday evening last, playing to a large audience notwithstanding the coolness of the night. These free concerts have been highly appreciated by citizens generally as well as by visitors to the city, and we trust that Mr. Galbraith and the other members of this excellent band may be to the fore again next season as ready and willing to please as they were this.

THE OCEAN RACERS.—On her last trip from Liverpool to New York, the steamship Teutonic burned 325 tons Welch coal every day, and the cost of the coal consumed on the voyage was $7,000. The City of New York burned 350 tons of coal a day on her last voyage over. The expenses for fuel on these fast steamers runs from $10,000 to to $16,000 for the round trip. The other expenses of the trip bring the total amount up to $50,000 or $60,000 for such ships as the two named above.

THE BALMORAL CHOIR.—Every piano player knows what a difficult art is that of accompanying a singer correctly. The pianist must be in full sympathy with the vocalist, and understand his or her methods perfectly. The highest proficiency in this art is shown by Mr. John McGhie, the accompanist and pianist with the Balmoral Choir. He is regarded as the "Prince of Accompanists" in Scotland, while his playing of Chopin's "Nocturne" and Goddard's "Mazurk" has ranked him among the most brilliant pianists of Great Britain.

HAD HER BUSINESS EYE OPEN.—Perhaps the happiest woman in Little Falls, Minn., is Mrs. Catherine Trebby About two months ago John S. Trebby, her husband, created quite a scandal by eloping with Miss Jane M. Brown, a strikingly handsome young lady of nineteen, with a big bank account. This bank account has now become the source of Mrs. Trebby's joy. The abandoned wife did not go into hysterics and weep over her loss, but with an eye to business hied to a lawyer and brought a suit against Miss Brown for alienating her husband's affections. This action has just ended, and $10,000 of Miss Brown's bank account have been transferred to Mrs. Trebby's comfort.

NELSON'S FAST MILE.—Nelson, the stallion owned by C. H. Nelson, of Waterville Me., trotted a mile over the Kankakee Ill. track on the 24th in 2.12, equalling Axtell's record. The first half was made in 1.04¾, and the last half against a heavy wind.

MEDALS.—The silver medals to be competed for in the boys' single scull shell race at the coming regatta are now on exhibition in the show window of Mr. E. W. Taylor's Jewelry Store. The gold medal to be competed for by men in single scull shells will be on exhibition Monday.

REPORTED DISCOVERY OF SILVER.—Silver is reported to have been discovered near Brookfield, Colchester county, N. S. It is said that a rich gold lead also exists near the same place, in connection with which it is said by a person competent to know, a 100-stamp mill will be running in one year.

NAME THE VARIETY.—The Amherst *Press* says that among the great variety of roots and grain being experimented with at Nappan Farm this season are 90 varieties of potatoes, one kind of which appears to resist the ravages of the potato bug, but it does not name that variety, a very important feature to the farmer.

ACTION TAKEN.—We learn that Mr. Hodgson, Q. C., acting for the Government, has instituted proceedings in the Vice Admiralty Court, for the condemnation of the schooner Davy Crockett, now under seizure at Souris for violation of the Fishery Act. The vessel will likely be immediately placed in charge of Mr. F. W. Hyndman, the Marshal of the Court.

KING'S COUNTY EXHIBITION.—Corrections in King's County Exhibition Prize List for 1890: 3rd prize carriage colt under 4 years, James E. Bourke, Lower Montague. 1st prize grade Ayrshire heifer calf calved in 1890, G. A. Stewart, Brudenell. Prize winners at this exhibition will be paid their prizes by applying either by letter or personally to Capt. Malcolm McDonald, Georgetown.

A SURVEY MADE.—Mr. G. A. Brown, C. E., of the Public Works Department, make a survey on Friday last at Long Point, Lot 46, with a view of constructing a breakwater there in compliance with a petition from the inhabitants of that section. The petition was forwarded to the Minister of Public Works last winter by Dr. Muttart, ex-M. P.

A MONSTER SMOKE.—An Ottawa despatch says: Ten tons of damaged tobacco taken out of a French vessel, wrecked on the Newfoundland coast, were brought to North Sydney, C. B. As it would not realize enough to pay the duty the Customs Department ordered it to be destroyed, and it was burned by the Customs officials there.

AN EXPENSIVE PROCEEDING.—According to an Akron, O., despatch, a kiss valued at $2,000 was recently forcibly stolen from Sophie France by Solomon Oviatt. Both are over 60 years old, and are well known and generally respected in Akron. Sophie, the coy maiden in the case, appeared in court on the 23rd, and avers that the defendant has damaged her to the extent of $2,000 by unlawfully, wantonly and maliciously committing assault and battery on the plaintiff by forcibly kissing her and putting his arm around her.

BOGUS TELEGRAMS.—Three messenger boys of San Francisco, Cal., have just been sent to the industrial school for practicing a neat scheme of petty swindling. They made a practice of looking over the morning papers for the list of arrivals at the hotels, and then sending them telegrams, written on blanks stolen from the telegraph office, inclosed in an envelope addressed to one of the arrivals. When the message was delivered the hotel clerk would invariably pay the charges, which ranged from seventy-five cents to eighty-five cents. A prominent Chinese firm was swindled out of $25 on a telegram saying that "The Chinese must go."

THE REGATTA.—Everything is progressing favorably towards a grand morning's sport on the 1st October next. The New Glasgow crews are expected here on Monday evening, and the Pictou crews the evening following. The home crews are hard at work training and some exciting contests may be looked for. The sail boat races will, no doubt, be exciting and interesting, as it is expected that seven will start in the second class, and five in the first class. The Alexandra (Judson's boat) is in good trim and will be warm company for the new boats. In fact, the first-class sailing race may be looked upon as the feature of the day. A grand stand to comfortably accommodate 1,200 people will be erected on Connolly's Wharf from which all the races can be seen from start to finish. The "Horribles" will form a new feature in regattas, and will, no doubt, furnish amusement to the spectators between the races.
