GRAIN

Table of grain prices including WINNIPEG, Oct. 1 - (CP) - Prices continued to move narrowly and generally higher, except rye, in dull trade to day on the Winnipeg Grain Exchange. Trading turned extremely dull around the noon hour when the Chicago market closed due to an elevator strike. One source of activity came from reports that there had been a revival of foreign interest in Canadian grains. Brazil was reported to have taken 2,500,000 bushels of Canadian wheat, while Germany purchased a cargo of Canadian barley overnight. The export business, however, had little reflection in the trade here. Shippers picked up both oats and barley. Flax received support from crushers and seaboard interests, but heading sales were fairly liberal. Rye saw occasional export support. No information was available on export wheat loadings. Prices for class two wheat and I. W. A. were up one-eighth cent from yesterday. Closing prices: Oats - Oct. 81%, Dec. 79 1/2%, May 79 1/2%. Barley - Oct. 1.32%, Dec. 1.18%, May 1.15 1/2%. Rye - Oct. 1.70%, Dec. 1.73%, May 1.78%. Flax - Oct. 3.50B, Dec. 3.40%, May 3.45.
