LAST NIGHT'S CONCERT.—The Y. M. C. A. Hall was thronged last evening on the occasion of the opening concert given by the Harrington Concert Company, of Boston. The programme was made up of solos, duets, trios, quartets, etc., all of which were well rendered, and were greeted with round after round of applause.

LECTURE AT MONTAGUE.—A highly instructive, interesting and eloquent lecture on "The Book and its Story," was delivered by the Rev. C. W. Hamilton to an appreciative audience in the Methodist Church at Montague Bridge on Friday last. The proceeds of the lecture were in aid of the Building Fund of the proposed new church.

THE GOLD YIELD.—The official returns from twelve gold mines in Nova Scotia for the month of October last, show that 2,336 1/2 tons of ore was crushed, yielding 1,637 ounces of gold at an estimated value of \$32,000. The highest yield was 113 1/2 ounces of gold from 27 tons of quartz, and the lowest 8 from 72 tons. One mine in Oldham district yielded 552 ounces of gold valued at \$11,000.

THE TOBACCO CLUB.—At the annual general meeting of the Victoria Toboggan Club, held on Friday last, the following officers were elected: Horace Hazard, President; D. C. MacLeod, Vice-President; W. A. Weeks, H. Richardson, L. E. Brecken, D. B. Stewart, H. Pethick, Directors. The club meets again this evening, to receive the report of a committee appointed to enquire into the practicability of raising the present slide.

GOOD STOCK.—The Pioneer reports that Messrs. E. Bell, A. Leard and M. W. Wright, of Bedouque, are importing from Scotland a thoroughbred Clydesdale stallion, and says: "We were last week shown two very fine animals (a horse and mare) purchased in Scotland and brought out by Mr. Maurice Wright, of Bedouque. The horse is 2 1/2 years old, and weighs over 1300 lbs.; the mare is 3 1/2, and weighs considerably over 1600 lbs. They are intended for breeding purposes, and are highly spoken of by good judges."

PERSONAL.—Mr. M. M. Tidd, C. E., Boston, is at the Rankin.

SETTLED AT LAST.—According to Montreal advices the trouble between E. E. Sheppard of the Toronto News and the officers of the 65th regiment has been amicably adjusted. After a personal explanation to the court Chief Justice Dorion fined Sheppard \$10, with \$155 costs for contempt in connection with bench warrant. Sheppard paid the fine and costs and subsequently wrote to the officers of the 65th apologizing for the article published in the News. The officers have agreed to stop all proceedings against him, provided he will pay the costs incurred thus far, which amount to \$2,166.

SOME ADVICE FOR BUSINESS MEN.—No merchant can now wholly depend for business upon the fact of his being well-known to the trade. No matter how many years he may have been established, or how familiar his name is to the purchasing public, or how celebrated his wares are; if he does not advertise and keep doing so in some way, buyers and consumers will in time ignore him and visit and trade with his competitor, who sounds his trumpet upon all occasions to the extent of thousands of dollars a year, and pays the same without murmur because it pays him to do so.—Dry Goods Review.

A GOOD RECORD.—What the Railroad Gazette calls "a good Canadian record," that of six months running of a special train over the Grand Trunk Railway, conveying copies of the Globe between Toronto and London. The train consisted of an engine and a car, and the record for the six months show that 108 round trips have been made at high speed, and only three did the train fail to arrive on time, and one of these occasions it was confessedly the fault of the newspaper officials. A total run of 35,736 miles has been made in that time without a single visit to the repair shop, or a single second's delay caused by any fault of the train itself.

Another Nationalist Movement

Harrington and Goschen on the Stump.

DUBLIN, Nov. 29. Lord Harrington has arrived here. He was both hissed and cheered as he left the train. The people are arriving here from all parts of Ireland to attend the meeting of the Unionists, at which Lord Harrington and Mr. Goschen will be present. The meeting is the first of a series of protests on the part of the people of the south of Ireland against separation. The movement was at first ridiculed by the Nationalists, but they are now startled by the rapid growth of the Unionists reprisal.

LATER. The great Unionist meeting for the purpose of addressing which Harrington and Goschen visited this city, was held in Leinster Hall this evening. An overflowing meeting was held in another hall and both halls were crowded, 8,000 persons being in attendance and thousands were turned away. The audience gave prolonged cheers for the Queen, Wigham, Secretary of the Chamber of Commerce, presided at Leinster Hall. Hundreds of the leading citizens, several bishops and many members of the clergy were present on the platform. Harrington and Goschen were accorded an enthusiastic greeting, the whole assembly arising and repeatedly cheering. The Chairman handed Harrington an address approving his policy, and signed by a member of the Chamber of Commerce. Harrington said the promoters of the meeting had done a service in bringing before the people of Great Britain in a manner which could not be ignored the disputed fact that there was a minority large, important and influential which altogether repudiated the assertion that Ireland as a nation was determined to abolish the Union.

Serious Trouble Feared.

QUEBEC, Nov. 29. If the Salvation Army carry out their intention of parading to-morrow serious trouble is feared, as the French-Canadians and some of the English speaking people have united forces to prevent the parade. It is reported that B. Battery and the 8th Royal Rifles have been placed under orders. The mob claim that they can bring together 25,000 men and boys. The courts are preparing warrants for the arrest of persons taking part in the disturbance.

Difficult Eviction.

DUBLIN, Nov. 29. The attempt to evict a tenant named Foley from the estate of Colonel Charles Tottenham, at Wexford, to-day, was attended with great difficulty. The house was secured and barricaded, and the evictors, to effect an entrance, made a breach in the wall with a battering-ram. Boiling water and stones were thrown at them by the occupants. The constabulary brought up a fire engine, and retaliated by drenching the tenants with water. The occupants of the house yielded after an hour's resistance.

The Prince of Wales

UTTERS FRIENDLY SENTIMENTS TOWARDS AMERICA AT THE BENCHERS' BANQUET.

A banquet was given in London on the 25th inst., by the benchers of the Temple, the occasion being the formal termination of the Prince of Wales' year in office as treasurer. Mr. Phelps, the American minister, gracefully toasted the health of the Prince of Wales. The Prince returned the compliment, saying that it would not be right in Mr. Phelps' presence to say much that personally he should like to say, but he knew how cordially they would receive this toast. He was sure that they would all concur with him in the hope that the day was very distant when the good feeling existing between the countries would be marred or interrupted. Mr. Phelps, in returning thanks for the toast, said that he would do his utmost in an humble way to promote that great end.
