### Christian men and women.

"We like to recall the many times we have been together and the pleasure that your company brought to us. It is very true that in the thoughtless years of youth we are inclined to take our friends for granted. This evening, as a tangible proof of our feeling toward you, we ask you to accept this token of our friendship."

"Our prayers and good wishes accompany you as you set out on your new road. May God bless you."

"From your friends in Kinkora."

## AMALGAMATED DAIRIES LIMITED

TO OUR PATRONS:

We regret to advise that due to the lateness of a number of patron-farmers in returning their group insurance application cards, there was not enough time before June 1st, 1956, to carefully check the application cards received to ensure that all the necessary information was given.

As a consequence we now find it necessary to advance the effective date of this group insurance to June 15th, instead of June 1st, as originally planned.

In the meantime we would ask that all patron-farmers who have not as yet returned their group application card do so immediately and thus avoid further delay.

Your co-operation will be appreciated.

Yours sincerely,  
**JOHN S. WRIGHT,**  
Manager.

### Address And Presentation To Kinkora Youth

On Monday evening, May 28th, a large number of young people assembled at the home of Reginald Shreanan to bid farewell to Mr. Pope Morris to his departure to The Christian Brother's, Scarborough, Ontario.

Mr. Ernest Brennan capably acted as chairman and in a few brief sentences told the object of the gathering. He then called upon Mr. Eric Doucette to read a very nicely worded address to Pope, while Mr. George McMahon presented him with a missal.

Although taken by surprise Pope in a few well chosen words thanked one and all for their nice gift also for their kindness and thoughtfulness in remembering him on this occasion.

A dainty lunch was then served by the ladies, and the remainder of the evening was spent in singing and dancing, music being furnished by Mr. Francis Lawless, Elmer Mulligan, Joseph Connick, and Desmond Duffy.

Following is the text of the address:

Dear Pope—"We have gathered here this evening with one intention to spend with you again as a group a few minutes while you are yet one of us.

"We have worked together, played together, and prayed together, and now for the last time we are enjoying your presence among us as a group.

"As we pass the evening together, we do not harbour feelings of sadness; rather, we rejoice with you and with your family. You have made a momentous decision you have a noble goal in sight. Therefore, it is only right that we who have shared so many hours with you, share this joy.

"However, this joy is slightly clouded by a feeling of loneliness as we realize that one of our own group will be one of us no longer."

"It makes us realize that in the future we too shall have to make a decision for life."

"We ask you to pray that we shall be generous and noble in deciding what we are to make of ourselves in order to be the best

### Fire Destroys Barn, Cattle

Fire of unknown origin, between 6.00 and 7.00 a. m. yesterday destroyed a barn with four head of cattle on the farm of Leigh Brown of New London, one of the Island's foremost breeders of Shorthorn cattle.

A grove of trees that sheltered the barn on three sides was ignited by flying embers and threatened to lead the fire to the main barn where a lot of the livestock on the farm were stabled.

This fire was extinguished by the Kensington fire Department who responded to the alarm with their new pumper and assisted local residents in containing the fire to the barn which was destroyed. There was no electricity or gasoline engine in the barn and no one was known to have been in the building yesterday morning previous to the discovery of the fire.

### STEERING LOOSE

OSHAWA, Ont. (cp)—Police Friday testified the steering wheel of a car driven by a man they arrested for drunken driving turned completely around before the front wheels turned.

Robert Francis Fernandez was jailed for seven days after defence counsel Russell Humphreys said the car would have had to be driven by compass to keep it on the road.

end for each is expected at this closing event of the H-Y year.

It is with regret that we announce that Miss Evelyn Underhay our school librarian will not be on the teaching staff next term. But we wish her all happiness in her coming marriage.
