

Dates Changed For Prize Shoot

July 24, 25 and 26 are the dates of the P. E. I. Rifle Association's annual prize meet.

The executive committee of the association made the switch in dates at a meeting held Tuesday. Riflemen from outside the city as well as those from out of the Province had asked for the new dates. The shoot was originally scheduled for July 17, 18 and 19 and clashed with those of other provinces.

The meeting also decided that this coming Saturday the third and final Leuit Col D.A. MacKinnon spoon shoot will be held at Squaw Point.

The program will consist of ten shots at both 300 and 600 yards, with the opening shots being fired at 1.00 p.m.

Rose Dished Out Some Fireworks

WIMBLEDON, England (CP)—Feud-loving Mervyn Rose of Australia supplied some fireworks in winning his second-round match at the Wimbledon Tennis Championships Wednesday.

A pelting rain—it's been showing for three days—didn't cool Rose's temper as he scored a bumpy 6-4, 10-8, 6-4 victory over Jack Frost of the United States.

It was another good day for the top-seeded Australians, but the British hit grief in their bid for their own championship in the men's singles.

Rose, third seeded, let the Californian get far ahead in each set before pulling him back. He had a squabble with press cameramen, which he won. He also had a squabble with the umpire and linesmen, which he lost.

5-SET THRILLER

Michael Davies of Swansea, Wales, Britain's No. 1, got two sets down to Belgium's Jackie Brichant, pulled it back, then fell heavily and lost the five-set thriller. Sets went 6-3, 8-6, 2-6, 5-7, 6-1.

Roger Becker, Britain's No. 2, lost to Jean-Claude Molinari of France, 6-3, 6-3, 6-4.

Gusty winds and light showers handicapped the tournament and a heavy rain late in the day

Ink Contracts For Title Go

HOUSTON (AP)—Lightweight champion Joe Brown and Kenny Lane, No. 1 challenger from Muskegon, Mich., Wednesday signed contracts for a 15-round title fight in Houston July 23.

Brown, 32, was not present for the official announcement, but the 26-year-old Lane was jubilant as his manager, Jack Kearns, signed the contract with Lou Viscusi, the champion's manager.

"I've been trying for a title fight for two years and finally have made it," Lane said.

Viscusi said the contract calls for Brown to receive 40 per cent of the gate, including television income, and Lane to receive 20 per cent.

FIFTH DEFENCE
The long-talked-about match will be the fifth time Brown has placed his title on the line since winning the championship Aug. 24, 1956, from Wallace (Bud) Smith in 15 rounds at New Orleans.

He defended successfully with knockouts last year over Smith, Orlando Zuleta and Joey Lopes. Brown defeated Dupas last month with an eighth round technical knockout.

Brown's professional record of 36 contests includes 72 victories, nine draws and 15 defeats. He has had 32 knockouts.

Lane's record of 58 matches includes 53 victories, no draws and five defeats. He has scored 15 knockouts.

Gifford Makes His By Decision

NEW YORK (AP)—Frank Gifford, one of the National Football League's backfield stars, made his big decision Wednesday. He is ending a brilliant six-year career with the New York Giants for a new career in television and the movies.

The 27-year-old former golden boy of the University of Southern California, who four months ago signed a long term contract with a Hollywood studio, has been engaged to play the feature role in a weekly TV show (Public Enemy).

"The series is due to start in the fall," Gifford said. "It's an hour-long show based on federal crime cases. I'm the hero. I catch 'em."

Gifford said he had hoped to be able to play one more year with the Giants but he admitted the studio frowned upon the idea.

Gifford who won a berth on the league's all-star team for the past three years, picked the 1956 season as his greatest. That was the year he was voted the "player of the year" in an Associated Press poll.

Rise In Hog Marketings

OTTAWA — A substantial increase in the number of hogs marketed across the country over the same period a year ago is shown in Canada Department of Agriculture figures.

Gradings for the past seven weeks have averaged a little over 114,000, about 10,000 more per week than for the same time in 1957. Ralph K. Bennett, head of merchandising section, livestock products, Marketing Service, pointed out.

This is an increase of about 11 per cent.

At the same time prices have been higher, averaging about 33 cents at Toronto for the seven weeks, compared to about 30 1/2 cents a year ago.

At the present time, Mr. Bennett said, hog prices are largely determined by the balance between the runs and the domestic demand because price level in this country are above the equivalent of the United States price.

POSES AS PRIEST

PROVIDENCE, R.I. (AP)—A 37-year-old man was under observation in hospital Tuesday after he had donned priest's vestments and denounced worshippers from the altar of the Roman Catholic Church of the Assumption Monday night. The man walked down the aisles abusing parishioners until police were summoned.

Small Alberta Town Owes Prosperity To Truck Traffic

GRIMSHAW, Alta. (CP)—Grimshaw, a centre of about 1,000 population whose name has been bandied in recent argument over the starting point for a proposed northern railway, owes much of its progress to the turning of thousands of truck wheels.

The village is located about 275 miles northwest of Edmonton in the north Peace River district of Alberta and residents of the Peace have been fighting for it as the southern terminus of a proposed railway to Great Slave Lake, 350 miles north of here.

Much of the history and beginning of Grimshaw hinges on trucks because much of the prosperity enjoyed here comes from the country to the north where agricultural and mineral products are produced in large quantity.

Thousands of tons of supplies for the far north also are transported from here along the 385-mile Mackenzie highway to Great Slave Lake, from where they are distributed to Northwest Territories settlements such as Yellowknife.

RAIL TERMINUS FIRST

Grimshaw had its beginning in 1917 as the northern terminus of the Edmonton, Dunvegan and Alberta and residents of the British Columbia Railway, which later became part of Northern Alberta Railways, jointly operated by the CPR and CNR.

From a hamlet, Grimshaw grew until it was incorporated as a village in 1930.

At first, tractor trains hauled the goods from the end of steel to the far-north settlements.

As roads were developed, the trucking industry grew and today Grimshaw is one of the largest truck depots in Alberta.
