I'm Outta Here!!

Well the whole year is almost over and this is the last time you'll pick up the X-Press until September. I still have about two months of school work to catch up on, oh well!! Since this is the last issue of the paper I thought I'd take the opportunity to thank a few people; Heather Love, the student Union General Manager without whom I would never have survived the year -- Betty Johnson our Administrative assistance who put up with my bullshit all year... Jo-Anna, Nadine, Laurie and Tracy, my fellow executives who excused me from all those forgotten meetings... Tracey Proude and Ricky Hickox who helped to make my job much easier... and all of the bartenders and campus police who were a pleasure to work with. Also I would like to thank Mark Cusack of the Inn on the Hill for his sponsorship of National Student Day and Gerard Nolan of Pizza Twice for his generous donation for the people who counted the election ballots! I hope everyone has a great summer and I'll see some of you next year!
