THE NEW CANADIAN BEVERAGE!
KAOKA,
The Only Satisfactory Substitute for Tea and Coffee. Highly Recommended for Regular Use at Ordinary Meals.
THE VERY BEST ARTICLE FOR DIETARY USE EVER DISCOVERED.

THE injurious effects which the continuous use of tea and coffee have on the human system are well known. The most eminent physicians advise their patients to abstain from using either. Owing to the taste for these beverages which has been universally acquired, it has been found necessary to find a substitute. Various substitutes have been tried, but KAOKA is the only one ever discovered which has been found to perfectly answer the purpose. Unlike Tea and Coffee, it contains neither Theine nor Caffeine, nor any other poisonous principle whatever which, even by long use, prove hurtful to the weakest constitutions. It is easy, and recommended for sick persons and children. Families using white bread should adopt KAOKA as their regular drink at meals. They should avoid the elements which, when taken into the stomach, cause indigestion, such as greasy, fatty, and rich foods, and which have been found to be the cause of many ailments, such as Dyspepsia, Nervousness, Indigestion, Sleeplessness, Sick Headache, &c., have been restored to perfect health by eschewing tea and coffee altogether, and drinking with their meals nothing but KAOKA. It contains no "chemicals." The elements from which it is made are wheat and sugar, nothing more.
For sale in pound and half-pound packets at the "Crown Grocery," South Side Queen Square.
