**Crapaud Creamery Reports Debt Reduction; Profit**

The annual meeting of Crapaud Creamery Company was held in Crapaud Hall on the afternoon of February 18th, 1958. There was a fair attendance.

The president, John Simmons, presided, and after the minutes of the last annual meeting were read by the secretary, he addressed the meeting. He extended a welcome to those present, and then reviewed the activities of the Company during the past year.

The volume of production in 1957 was slightly less than in 1956, the record year for the Company to this date. The sum of \$5,000.00 was paid on our debt during the year, which is very

gratifying. He felt that new and modern equipment should be constantly studied, and the plant kept up to date. He thanked the directors and management for their co-operation, and was pleased with the steady progress which was being maintained.

The secretary then gave the financial report as follows: Sales of butter \$347,622.20, sales of feed \$75,914.53, revenue from cold storage \$3,561.00. The net profit realized on these operations, after provision for income tax, amounted to \$5,721.48, which was an increase over 1956 of approximately \$3,000.00.

Mr. Henry MacDonald, Dairy Supt. for Prince Edward Island, addressed the meeting and gave a very informative talk. He congratulated Mr. Paynter on the quality of his butter, and thought more young men should be taking up the butter-making trade. He thought the Creameries might offer better working hours and higher pay as an incentive to stay with our local Creameries. Mr. MacDonald was tendered a hearty vote of thanks by the meeting. Mr. B.J. Trowsdale reported for the auditors and said he found the books of the Company in good order.

F.A. Smith, Tryon, and George Nicholson, Crapaud, were appointed directors to retire in 1962. B. J. Trowsdale and Eric Lowther were re-elected as auditors.

The following prizes were donated by the Company to the ten highest producers: 1st. Harrison Green, Kingston, \$20.00. 2nd. Allison Lea, Victoria, \$15.00. 3rd. Gordon Harvey, Carleton, \$10.00. 4th. Windsor Bell, South Melville, \$5.00. 5th. Frank MacDonald & Son, Crapaud, \$5.00. 8th. Thomas Devereaux, New Haven, \$5.00. 9th. Artie Boulter, Victoria, \$5.00. 10th. Fred Beer, Clyde River, \$5.00.

The officers for the ensuing year are as follows: — President — John Simmons vice-President — Max Thompson, Secretary — Treasurer — Brent Wood. Directors: J. W. MacKenzie, Wilfred Bradley, Wrixon Moore, Heber Canfield, Austin Smith, George Nicholson, Manager — L. H. Rogerson. Butcher — K. L. Paynter. Feed salesman — Ernest Harvey.

**LADIES AND GENTLEMEN OF THE SUMMERSIDE CIVIC JURY:**  
This wild rush to throw away the tax payers money, which has been going on for some years must cease. I will fight to this end whether I am alone or have help. This is the only way to relieve the rapid upward spiral of taxes, growing heavier year after year, which has imposed a poll tax on home-making married women, and elderly persons not able to earn.

Should you see fit to elect me in the Center Ward, this will cease or there will be a Hot Time in the Old Town Tonight and I will be the willing and fearless stoker.

This is a promise. I am in favor of having all the churches put back on the old electric set up for I sincerely believe that there are other users, not half as worthy, getting much greater consideration.

I will not be able to make a personal call on the rate-payers. Owing to my severe illness of four years ago I am handicapped but I thank The Good Lord I was left with a fairly active mind and a well lubricated tongue, both of which have always stood for fair play, regardless of the odds against me.

If you see fit to turn out and elect me, it will be to your advantage for I assure you I will not let you down.

Thanking you,  
**RAY M. TANTON**

**S'ide Scouts And Guides Attend Mass In Body Sunday**
