Buckeye Mowe and Reaper,

TO OUR PATRONS IN P. E. I.

IT is now four years since we began shipping Machines to your Island, and from our large increase of sales each season are assured that our efforts to furnish you with the "best Mower and Reaper in the world," have been appreciated, and with this encouragement we have endeavored to study more particularly your requirements, and each year build our Machine more especially adapted to your country.

We have this year attached a Self-raking Reaper to our Machine, and can now offer you "the most perfect combined Mower and Reaper" manufactured in America, or in any other country. This Machine differs in many respects from all others, and is particularly adapted for cutting lodged grain. By a very simple device the points of the guard-fingers can be dropped at the option of the driver, picking up everything, and making all smooth work. It will cut several inches lower than our Reaper last season Improvements have also been added to the Mower.

Other Machines will probably be offered you at, perhaps, lower prices, but be assured there are "none" that can compete with us in quality of work or quality of material used in construction. We feel confident that our Combined Machine will prove as satisfactory as the Mower has heretofore, and have no hesitation in warranting it to be superior to any Machine in this or any other market.

Yours respectfully

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

For a *Cough* and *Cold*, no better remedy can be had. Take small doses three times a day, and put the feet in warm water at night, until the disease is broken up.

For *Influenza*, when it affects the throat or lungs, take the same course.

For *Whooping Cough*, give small doses three or four times a day.

For *Croup*, give large and frequent doses until the disease is overcome.

No family should be without the *Cherry Pectoral* on hand to protect them, in case of attack, from the above complaints. Its timely use often spares the patient a great amount of suffering and risk, which he would incur by waiting until he could get other aid. Parents, keep it in your houses for the exigencies that arise. Lives dear to you may be saved by it.

So generally are its virtues known, that we need not publish certificates of them here, or do more than assure the public that the best qualities it ever possessed are strictly maintained.

Prepared by DR. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

The Most Reliable Friend

Holloway's Ointment

Its Searching and Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs, bad breasts, sores wounds, and ulcers, its effect is marvellous For ring-worm, scald head, scrofula and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses in its passage every part to which it is applied.

Glandular Swellings, Mumps Bronchitis Quinsey, Sore Throats and Diptheria

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing the detergent Ointment, twice a day, upon the neck, chest and back. It acts upon the very main-springs of life; for through the glands pass all new matter required for the body's reparation, and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet if Holloway Ointment be briskly and perseveringly rubbed upon the parts effected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment, and facilitate and confirm the cure.

Bad Legs, Bad Breasts and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed around the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrufulous Sores,

In all irritations of the skin sores, ulcers, burns or scrufulous enlargements of any kind Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions		Sore Throats
Bites of Mosquitos and Sand Flies	Elephantiasis	Skin Diseases
	Fistulas	Scurvy
Coco-bay	Gout	Sore Heads
Chiego-foot	Glandular Swellings	Tumours
Chilblains	Lumbago	Ulcers
Chapped hands	Piles	Wounds

There is not a remedial agent in this world that will cure

FEVER AND AGUE,

And all other Malarious, Bilious, Scarlet, Typhoid, Yellow, and other Fevers (aided by RADWAY'S PILLS), so quick as RADWAY'S READY RELIEF.

RADWAY'S READY RELIEF

has proved infallible, and will cure these terrible fevers quicker, and without entailing the frightful penalties of ENGORGED LIVER, FAT SPLEEN, DISORDERED KIDNEYS, and SAFFRON-COLORED SKIN, that are sure to follow the use of the "Chologogues," "Ague Cures," and other scents of the heroic Quinine, Mercurial, Arsenic, and other treatments where the medicines used accumulate, and become deposited in the system.

THE TRUE THEORY OF PURGATION

APPLIED TO THE

Liver, Kidneys, Skin, STOMACH & BOWELS.

DR. RADWAY'S PERFECT PURGATIVE PILLS,

Perfectly Tasteless,

ELEGANTLY COATED.

MATERIA MEDICA contains, in its repertoire, many purgative and cathartic agents that, for ordinary purposes, opens the bowels, and through what is called a "peristaltic" movement, purge from the alimentary canal the feces *and this is all.* Such agents, for the purpose of cure, or removal of any settled disease, are utterly useless.

Dr. RADWAY has completed one of the most essential discoveries in medical chemistry—in the combination of vegetable substances, for the purposes of a PURGATIVE, APERIANT, COUNTER-IRRITANT, ALTERATIVE PILL, that can be taken or administered with the absolute certainty of securing THOROUGH EXPULSION OF ALL DECAYED AND DECOMPOSING Elements of the human body, and also safe to take in the most malignant of Eruptive Fevers. In cases where the mucous membranes of the internal viscera are suffering from Ulceration, Inflammation, or from

LIVER,
Gastric, Bilary, Pancreatic Complaints,

DR. RADWAY'S PILLS

Supply the only Vegetable substitute for

CALOMEL OR MERCURY.

In RADWAY'S PILLS you have one medicine that will secure quicker, more thorough and better results than will be given in from three or more different prescriptions of the medical practitioner. As a proof of this—You are seized with a Bilious attack! Doctor prescribes Blue Pills or Calomel! next, some Drastic Aloetic Pill or Powders to work off the effects of the Blue Pill; this prostrates you, and a tonic is next given, or a gentle aperient, whereas ONE DOSE OF RADWAY'S PILLS *will do all the work that the three* or more prescriptions are given for, without running any risk from mercurialising or salivating the system.

RADWAY'S PILLS.

In RADWAY'S PILLS, *the true principle of purgation* is secured—not alone to the office of dismissing the feces and excrements from the bowels, but those humors that are checked or stopped in their passage through the *Skin, Kidneys, Lungs*, and all excreting and secreting functions; for if these excrementious secretions belonging to the skin, liver, lungs, kidneys, are interrupted in their escape, they become products of decay and decomposition, and must be purged from the living body through their proper channels; hence the purgative qualities of RADWAY'S PILLS extend to the secretions of the SKIN, KIDNEYS, LIVER, &c.; whereas not one of the advertised Pills claim to act beyond the bowels.
