IN MEMORIAM

MACGREGOR — In loving memory of our dear son and brother Murray Bruce MacGregor who passed away May 11, 1955, at the age of 10 months. You're not forgotten Murray dear. Our thoughts do often stray. To a little grave where we laid you just three years ago to-day. Lovingly remembered by Mother, Dad and sisters Sharon, and Carol Ann.

WAKELIN — In fond and loving memory of a dear husband and father George Wakelin who passed away May 12th, 1957. Good took your hands we had to part. He eased your pain but broke our hearts. Although we smile and seem care-free. No one missed you more than we. Our hearts still ache with sadness. Our eyes fill up with tears. Only God knows how much we miss you. At the end of one long year.

So we'll be brave dear George And pray to God each day And when he calls us home to you Your smile will guide the way. Lovingly remembered by wife Joyce and children, Bruce and Shirley, Hamilton, Ontario.

WAKELIN — In fond and loving memory of George Wakelin who passed away May 12th, 1957. He had a nature you could not help loving. And a heart that was purer than gold. And to those that knew him and loved him His memory will never grow old. Always remembered by Mom Spencer and girls, Hamilton, Ont.

WAKELIN — In loving memory of my Brother-in-law, George Wakelin who passed away May 12th, 1957. Three little words forget you not They don't say much but mean a lot. Ever remembered by Dot.

DAVIDSON — In loving memory of my dear mother, Mrs. Harry Davidson (nee Alice C. MacWilliam) who passed away, May 13th, 1947. I have only your picture, Dear Mother. To remember my whole life through. But the sweetness will linger forever. As I treasure the image of you. Lovingly remembered by her daughter, Lexie.

Construction Is Booming
TORONTO (CP) — Canadian construction contract awards in the first four months of 1958 were the highest ever listed for this period of the year, says Hugh C. MacLean Building Reports.

The total was \$950,287,600, or 22 per cent higher than in the corresponding period last year and five per cent higher than in 1956, which held the previous record for the period.

Residential contracts gained 103 per cent over last year, business 41 per cent and engineering 10 per cent. Industrial was down 51 per cent.
