[L.S.] *Admiral and Ordinary of the same, &c. &c. &c.*

GEORGE DUNDAS, Lieut. Governor.

**W**HEREAS it appears that divers persons in certain parts of this Island have associated, or leagued together, for the purpose of counselling, aiding and assisting one another in resisting the payment of certain Rents, which they became legally bound to pay, as Tenants, on certain Townships in this Island.

And whereas it has been brought to my notice that an Officer of the Law has recently been violently obstructed and prevented from discharging his duty by persons who have so combined as aforesaid. Now I have thought fit to issue this my Proclamation, warning all parties concerned in such unlawful combination that, in attempting to carry out such purposes, they do oppose themselves to Her Majesty and the Laws.

And I do command and enjoin all such persons immediately to abstain from all such unlawful associations.

And I do further command and enjoin all Magistrates, Sheriffs and other Ministers of the Law, and all Constables and Peace Officers, and all other loyal subjects of Her Majesty, to discourage, by every means in their power, such unlawful combination, and to give their prompt aid and assistance, when lawfully required, in opposing, preventing and resisting all persons, whomsoever, who shall take part in any such unlawful combination, and in arresting and bringing to justice any such persons offending, or having offended as aforesaid.

And I do further solemnly warn all persons that it is my duty to see that the Law shall take its course, and that I shall cause it to be obeyed and respected throughout the Island.

Given under my hand and the Great Seal of this Island, at Charlottetown, in the said Island, this Twenty-second day of March, in the year of our Lord One thousand eight hundred and sixty-five, and in the Twenty-eighth year of Her Majesty's reign.

*Holloway's Pills* are the finest medicine for dilapidated constitutions, disordered liver, bile, and indigestion. The wonderful efficacy of this salutary medicine, and the good effects produced in patients suffering from the above complaints, would appear incredible if not confirmed by daily proofs of the cures effected by them, and the permanent benefit derived from their use. They are composed of vegetable extracts, unmixed with a grain of any mineral or noxious substance. They may therefore be given with the utmost confidence, and with perfect safety, to delicate females or young children. They cannot do harm.
