Grain
WINNIPEG, July 14 - (CP) - Prices generally showed a weaker tone today on the Winnipeg Grain Exchange, with heavier hedging and more liberal offerings in all grains. Fairly aggressive commercial demand came into oats on the declines and to a limited degree in barley, but prices closed near the low levels of the day. American house buying gave way to local selling in rye, and prices declined along with coarse grains. Losses in United States markets and more favorable crop reports in the Canadian West influenced the trade. Flax was inactive. In the only export business recorded, 50,000 bushels of Canadian wheat was allocated to the United Kingdom. Class two wheat prices dropped one cent from yesterday. Closing Prices: Oats: July 97 1-2; Oct. 84 1-2A; Dec. 80 3-4. Barley: July 1.48 7-8; Oct. 1.20 3-8B; Dec. 1.16 1-4B. Rye: July 1.48 1-2; Oct. 1.46 1-4; Dec. 1.44 1-8B. Grain
WINNIPEG, July 14 - (CP) - Prices generally showed a weaker tone today on the Winnipeg Grain Exchange, with heavier hedging and more liberal offerings in all grains. Fairly aggressive commercial demand came into oats on the declines and to a limited degree in barley, but prices closed near the low levels of the day. American house buying gave way to local selling in rye, and prices declined along with coarse grains. Losses in United States markets and more favorable crop reports in the Canadian West influenced the trade. Flax was inactive. In the only export business recorded, 50,000 bushels of Canadian wheat was allocated to the United Kingdom. Class two wheat prices dropped one cent from yesterday.
