POTATO PRODUCER'S MEETING

Monday, March 30, 1964-2.00 p.m.

Vocational Institute, Malpeque Rd.

The following questions are to be considered:

1. Is the Potato Marketing Board the logical group to look after the industry?

2. Should a Potato Board accept greater responsibility in marketing?

3. Does the meeting accept the desirability of more control and direction of the industry.

4. Should the Government require the Potato Board to exercise its full powers as already authorized?

5. Should the Potato Board be reorganized?

This meeting is called to give interested Potato Producers the opportunity of taking part in planning the future of the industry. Good attendance will be an indication of interest in the future. Members of the Potato Board are invited to attend.

Meeting sponsored by:

The P.E.I. Federation of Agriculture
