—COMMUNITY PARTY — On Monday evening, December 16th, Mr. and Mrs. John Paynter, Free-town entertained at a family party, with Mr. H. B. MacLeod of Burlington as guest of honor. After an evening of games and contests, Mr. Truman Paynter as Master of Ceremonies called upon Mr. John Paynter to read an address to Mr. MacLeod, who by his talent for friendship and kindness to each member of the family as well as the many hours of pleasure he has given the children, has become in a few years as a favorite "uncle" to one and all. Also expressed was the hope that he might be spared to enjoy many years of happiness in his new home, and a large plate glass mirror was presented by Mrs. Donald Bernard and Mrs. Horace Paynter. The recipient, although taken completely by surprise responded with sincere thanks and with the thought that the courtesies he had received as a friend of the family and a guest in the homes overbalanced any that he had extended. Refreshments were served by the ladies and due to a developing storm, early good-nights were said, and the several family groups turned homeward. Bur.

—SPECIAL meeting of the Ladies' Aid of the Prince County Hospital is called for Friday at the Nurses' Home at 3 p.m. All members please attend.

—CONGRATULATIONS are extended to the hockey team of R.C.A.F. Station Summerside, P.E.I., on carrying off the laurels for the first game of the season at the Crystal Rink in Summerside on Tuesday, January 9. The score for this exhibition game was 5-4, and to F.L. A. W. Stinson the Manager and F.O. D. D. Hoffman, Coach, go heartfelt felicitations and best wishes for future success during the winter months.

—LT. Eric Forde of the Royal Canadian Army Service Corps, who has been Officer in Charge of the Supply Depot on Attached Duty at this Unit, during the past two years, will leave for Number 6 Company, R.C.A.S.C. "M.T." on January 20, where he has been transferred. Lt. G. E. Lindsay will replace Lt. Forde at this Unit.

—MRS. William Bracken and daughter Kathryn of R.C.A.F. Station Clinton, Ont., are visiting in Summerside the guests of Mrs. Bracken's father and sister, Mr. J. M. Nicholson and Miss Jean Nicholson, while S-L. Bracken is attending a course.

—MRS. G. R. F. Gross was a patient in Prince County Hospital, Summerside, during the week and is now convalescing at her home in Slemon Park. Her many friends wish her a speedy recovery.

—R.C.A.F. Station Summerside, P. E. I., played an 8-3 overtime tie with the Borden Nationals in the opening game of the Island Physical Fitness Intermediate League. Both teams showed lack of condition and tired rapidly in the latter stages of the game. The boys in blue started for an easy victory, but the Borden team fought back strongly in the middle canto to tie the score. The lead changed hands several times in the see-saw battle with both teams throwing plenty of weight around in the heavy checking game.

—Howell and Campbell turned the hat trick for Borden with Nolan doing likewise for the Air Force. Hulme and Caloren got two each for the R.C.A.F. with a single counters going to Mulvihill. The prettiest play of the night — while playing short-handed, skated the entire length of the rink and planted one behind the Borden goalie. Dorcie and Eddie completed the scoring for the Nationals. In the first period Hulme and Dorcie got majors for fighting while Buck got another five minutes for fighting during the middle session.

—last and Betty ends up in the thick of one of the most suspenseful and hilarious gunfights ever brought to the screen.

Forsees Further Development In RCAF Station At S'side

OTTAWA, Jan. 16 — (Special) — In a pre-seasonal visit to Ottawa yesterday and today, J. Watson MacNaught, Liberal member for Prince and parliamentary assistant to Fisheries Minister Mayhew, held conferences with a number of cabinet ministers and deputies on matters vital to his constituency. In particular, Mr. MacNaught was "tied up loose ends" and ensuring such Federal works in the riding as possible prior to a threatened clampdown owing to mounting defence spending.

He foresaw "gradual but constant" development of the R. C. A. F. Station at Summerside as a major factor in defences of the Atlantic seaboard.

Mr. MacNaught will resume his accustomed role of answering queries on East Coast fisheries when the Commons reconvenes at the end of this month. To this end, he conferred today with branch heads and senior officials of the Fisheries Department.

"Reorganization and strengthening of the Fisheries Department is going along well on the lines laid down by Fisheries Minister Mayhew upwards of a year ago", Mr. MacNaught said. "Our objectives include the securing of an expanded market for fish and fish products; helping the fishermen to increase their catch and to get higher prices for their produce, and improving the standards of Canadian fish and fish products."

The member for Prince will be in Charlottetown on January 23, 24, and 25 at the meeting of the East Coast Fisheries Association. On the eve of the coming session, Mr. MacNaught told The Guardian: "I will kindly miss my very good friend, former colleague and former room-mate in the Parliament buildings, Mr. J. Lester Douglas. He was most kind and helpful when I first came to Ottawa and we've been staunch friends in the House, in caucus and also outside our official duties."

Asked if he had any intimation as to when a by-election would be called in Queen's to fill the vacancy caused by Mr. Douglas' passing, Mr. MacNaught said: "By-elections of course come under Government policy and their dates are decided by the cabinet. At present, the Government is engaged so closely with the grave international situation that I imagine most other matters have to be deferred; even such important issues as by-elections. I am told here that neither the electorate of Queen's nor that of Brandon, Manitoba, where there is also a vacancy, are eager to go to the polls under winter conditions. I feel however that there will be no undue delay in having full representation for Prince Edward Island in the House of Commons."

Mr. T. E. Hickey, C.A. was the guest speaker at the regular meeting of the Kinsmen Club of Summerside held last evening in the Olympia Restaurant. He gave an informative talk on taxes, particularly income tax. He outlined the history of income taxes in Canada from their first imposition during World War One when they were supposed to be only a temporary measure.

Mr. Hickey explained various aspects of the present Income Tax Act that might be of interest and benefit to his listeners, including deductions and exemptions. At the conclusion of his talk he answered a number of questions from the floor.

A letter was read from St. Vincent's Orphanage expressing thanks to the club for the annual donation of toys at Christmas. Harry Dickie reported for the sports committee and said that bantam, peeewe and paperweight teams will be organized this week. The schedule for the outdoor rink was read which included periods for hockey and skating for the youngsters.

Harold Arsenault was appointed chairman of the committee in charge of staging the annual bingo in the near future.

Roy Johnston was chairman of the meeting and Alex MacRae was finesmaster.—S.

MONTREAL, Jan. 16 — (CP) — Montreal's lack of a subway has brought forth many suggestions from residents on how to solve transportation problems. But, an unidentified city councillor thinks the city should become the Venice of North America by uncovering the huge sewers under city streets and using them as canals.

record-breaking 1949 certified seed crop exported—totalling 4,980,645 bushels—nearly three and one-half million bushels went to the United States, distributed to points in thirty different States. Virginia alone took over a million bushels, with Florida, New York, Georgia and Michigan being next in line. Shipments to countries outside the United States and other Provinces of Canada included those to South Africa, Dominican Republic, British West Indies, and Venezuela.

Of the total shipments from the 1949 crop 1,712,000 bushels left the Province by water — thirty-six ships having been loaded at Island ports during the season, a record to date.
