Annual Meeting Queen's County Branch P. E. I. Fish And Game Ass'n

The annual meeting of the Queen's County branch of The P.E.I. Fish and Game Association was held last night at the Vocational School.

The annual report was presented by the President, Mr. Erskine MacNutt, and showed the past year to have been a very active one. Seven general meetings of the branch were held during the year.

The program of work in fish and game being carried on by the Department of Industry and Natural Resources was highly commended and also the work of the various Federal Departments. Mr. MacNutt also stressed the fact that a large membership in the various county associations was much to be desired and he was glad to note that interest in fish and game work generally was becoming very keen.

Mr. Frank A. MacKenzie presented the Treasurer's audited report showing a moderate balance on hand and listing in detail the various expenditures of the branch for the past year.

Mr. Harold Smith gave a report on the crow shooting contest and a vote of thanks was extended to all those who generously contributed the various prizes. It was suggested that this year ten per cent of the crows shot should be turned in as carcasses to enable the biologists to continue their study of the type of foods mostly consumed by crows. This matter is considered to be quite important in the efforts to try and determine in a fairly definate way just how much damage crows really do.

The display of stuffed birds prepared by Mr. A.F. Calder was highly praised and it was suggested that some effort be made to have this display made known to the public so that they would come to the Vocational School and see this really most remarkable collection of birds, all of which were shot on P.E.I.

A resolution was passed extending sympathy to the family of the late D.A. MacKinnon, who always took a keen interest in the affairs of the Fish and Game Association and who was one of the charter members of it.

The next meeting will be held in conjunction with the King's County branch at Montague at the Poole Hotel on Friday evening of this week and members were urged to attend at Montague. Dr. Lothian will be one of the speakers at Montague.

The election of officers and directors resulted as follows: Mr. Erskine MacNutt, president; Mr. Harold Shaw, vice president; Mr. Peter Rogers, secretary treasurer; and the following members of the executive: Ralph Jenkins, Ollie Harper, Harold Smith, Graham Rogers, for three years; Stewart Jones, Frank A. MacKenzie, Lloyd Martin, Harry Wood, for two years; Wallie Rodd, T.M. Gillies, D.L. Mullins, Dingwell MacLeod, Tom Lothian, for one year.

In addition to the President, Vice President and Secretary, the following were elected as Directors from the Queens County branch to the Provincial Executive Council Stewart Jones, Harold Smith, Graham Rogers.

The study and work being carried on at Ellerslie by the Federal authorities in connection with trout was outlined in a general way by Mr. B. Graham Rogers and highly commended upon. Mr. Rogers urged all members to try and visit this work sometime during visit this work sometime during the summer months and stated that there would be of great help to the Department of Industry and Natural Resources in the program they are endeavoring to work out for the development of trout fishing in this Province. The department is also actively engaged in the wild bird life conservation work in conjunction with officials of the Federal Government.

A written report on the fish and game census returns received by the department which had been prepared by the Game Supervisor, Mr. Spurgeon Jenkins, was read by the secretary as Mr. Jenkins was unable to attend the meeting.

Census returns received to date show that 249 resident hunters reported having shot 2392 Hungarian partridge, 381 ring neck pheasants, and 280 ruffed grouse (native partridge). 535 resident anglers reported having caught 45,524 trout.

Mr. Stewart Jones reported that there would likely be a meeting of The Maritime Association in June and that further details would be available shortly.

Hockey Player Dies of Cancer

KINGSTON, Ont., May 27—(CP)—Ron Plumb, 23-year-old hockey player, died of cancer today. He had been ill for six weeks.

Plumb was a member of Vancouver Canucks of the Pacific Coast Hockey League last year and scored 28 goals in 48 games.

The Toronto-born player also played with New York Rovers of the Eastern Amateur Hockey League and with St. Paul in the United States League. Earlier, he played with Guelph Biltmores in the Ontario Hockey Association Junior A League.

MacPhail Quits Horse Ass'n

BALTIMORE, May 27—(AP)—Larry MacPhail, stormy petrel of sports, has quit the Maryland Horse Breeders Association in a dispute over one of his yearlings, judged champion of a show for Maryland-breds at Pimlico May 15.

It was reported the show committee was informed the yearling had been foaled in Kentucky and therefore was ineligible for the show. Asked for proof it was foaled at his Glen Angus farm in Bel Air, MacPhail is reported to have returned trophies and ribbons won at the show by his yearlings and said he didn't want to get into an argument.

The Intermediate Abbies will lose a good ball player this morning with the departure of Jack "Spy" Ready for Camp Borden, Ont. where he will commence an officers training course. Ready, veteran baseball observers will tell you, is a player who might have had and who still may have enough natural ability to go places in the game as a pitcher. A left hander with plenty of speed but with only so-so control, "Spy" could have been a good fastball pitcher without using nearly all his power. We speak of his pitching ability in the past tense because Jack injured his arm last spring trying out with Moncton Legionnaires and was sidelined for the rest of the season. So far this year he has not attempted to throw and the usefulness of his left arm is an undetermined factor.

• • •

But make no mistake, Big "Spy" could fog that ball across the plate. Standing six feet in height, around 200 in weight, he could make that ball look like an aspirin tablet to the batters when it came into the stroke zone. Of course it didn't always cross the platter. With coaching that could have been developed in time and "Spy" who is still only 21 years of age despite the fact that he has been around in athletic circles a long while might have gone on to good things in the game.

• • •

In a few weeks he may know what the arm will do for him. He is hoping that he will be able to get enough time off from his army duties to play some ball in an Ontario league. With the Southern Ontario heat he may regain his old time condition and start on the way up the ladder again. If the arm is sound he still has time to do it. Sal Maglie or "Maglie the Magnificent" as the Giant fans like to call him, is 35 years of age and only now is at his peak. Its quite a peak too, nine wins in nine starts this year.

• • •

But from the moment this morning when "Spy" picks up his train ticket at the local station until another six months have passed, Ready will be known as Officer Cadet Ready instead of pitcher or defenseman Jack Ready. He will train for his officers appointment in the Armoured Corps and he stated last night that he might make a career out of the Army if he likes it well enough. While in Ontario he hopes to look up Phil Vitale, "Red" Favero and any other members of the Islanders team who live near Camp Borden.

• • •

Two other fellows prominent in athletic circles will be leaving the City with "Spy" for Army training. They are Garth Crockett and Irving "Sonny" Praught. Crockett is a well known baseball and basketball player and a former sports writer of the Moncton Transcript. Garth, however, will attempt to reverse the idiom that "The pen is stronger than the sword" and has given up his occupation as a writer to complete his Officers Training Course. Praught, although he did not play an active part in sports, is a keen student of athletics, particularly hockey and baseball.

• • •

Crockett, like Ready, is a pitcher and hurled in junior ball here several years ago. For the past two or three years he has been absent from the City in the summer time and we do not know how much action he has seen on the mound in that time. Garth won a name for himself in basketball the season before last when he helped the Prince of Wales College team to win the Island hoop championship.

• • •

The services, it appears, are claiming quite a number of local athletes this spring. Jackie O'Connor of Hope River, a former football and basketball star with St. Dunstan's and a good middleweight boxer has accepted a permanent commission in the Air Force. Jackie graduated from St. F. X. this spring with his Bachelor of Commerce degree.

• • •

Yesterday was a day-off for the boys who are attempting to whip into condition for play in the Island baseball league. The holiday was due solely to the weather conditions and not any idea of coaches or players who are showing loads of enthusiasm this spring. With the opening of the Island League this coming Sunday afternoon few of the boys feel that they can afford to miss those practise sessions.

• • •

While we haven't seen the Maritime Central Airways team practising we understand from those closely connected with the team that they will be capable of holding their own in the league. Managing the team is Earl Goss, a pretty fair ball player in the thirties and also a pretty fair bowler as he indicated last Saturday at the Roll-Away Alleys.

• • •

The M. C. A. nine have two definite and good starting pitchers in Lefty MacAleer and Freddy Keeler. MacAleer's ability is a known quantity and Keeler, it is said, is an effective thrower. Behind the plate will probably be a man by the name of LeBlanc, who caught for Kentville several years back.

• • •

While the infield positions have not been settled it looks like Austin Squarebriggs, the boxer, on first base. One thing in Squarebriggs' favor will be his reach. Mike Tromba will look after the key-stone sack while Joe Pineau will probably play either third or short. The other infield position is open, waiting for a capable man to fill it.

• • •

M. C. A. will probably be as strong in the outfield as any team in the league. One of the outfielders will be Irving MacKinnon, who has played for the past several seasons with the Intermediate Abbies. A chap by the name of Wilson will take care of another section of the outer gardens and this boy, it is said, is a sharp fly-chaser. Pitchers MacAleer and Keeler may share the other outfield post between them.

• • •

"The Old Champ" as Joey MacDonald is known around the bowling alleys came through last night to lead the Old Timers to the City five-pin bowling title. Joey put together three games of 337, 309 and 245 to aggregate 891 in the match and win the high single and high three honors. Not a bad night for "The Old Champ".

Old Timers Win Big-4 Bowling Championship

The Old Timers won the Big Four Five-Pin Bowling Championship at the Rollaway Alleys last night by defeating the Pick-Ups four points to one and winning the finals 18 points to 12.

Joey MacDonald sparked the Old Timers to victory with games of 337, 309 and 245. He won high three honors with an aggregate of 891 and his 337 was good for high single.

The Old Timers won two games and dropped the final. Their match score was 3536 against 3027 by the Pick-Ups. Their 1330 in the second game was good for high string.

Vic Williams made the stoutest showing for the Pick-Ups. Vic has games of 267, 235 and 241 for a three game total of 743. Irv MacKinnon with 313 in the first game had the losers highest individual game.

Roy McCabe came close to beating out his team-mate Joey MacDonald for high single. Roy bowled 324 in the second game, 13 below Joey's mark in the first game.

Following are the results:

Old Timers

H. Poulton	300	166	190
R. McCabe	202	324	179
R. Ellison	142	264	199
J. MacDonald	337	309	245

I. MacKinnon	313	193	170
Totals	1114	902	1011

Match Score—3027.

High Single—Joey MacDonald 337.

High Three—Joey MacDonald 891.

Leaving For Camp

Officer Cadet Jack "Spy" Ready (above) will leave this morning for Camp Borden, Ontario where he will undergo a six months Officers Training Course in the Armoured Corps.

Also leaving this morning for Camp Borden will be Officer Cadets Irving Praught and Garth Crockett of Charlottetown. Praught is taking a six months Officers Course while Crockett will complete his O.T.C. in three months.

All three are well known in athletic circles. Ready has been a local hockey, and baseball star while Crockett has taken an active part in baseball and basketball competitions in addition to writing sport for a Moncton newspaper this past winter. Praught has been an ardent follower of all branches of sport.

Maglie Chalks Up 9th Victory Without Defeat

(By The Canadian Press)

Sal Maglie rang up his ninth straight victory without a defeat last night in pitching New York Giants to a four-hit 3-0 victory over Brooklyn Dodgers. The victory increased the Giants' first-place lead in the National League over the Brooks to 1 1-2 games.

In the American League the leading Cleveland Indians went down 6-4 before cellar-dwelling Detroit Tigers. Vic Wertz's three-run homer capped Detroit's six-run rally in the sixth inning.

In other National night games Boston Braves won 4-2 over Philadelphia Phillies in a twilight section of a doubleheader but the Phils came back to win 5-4 in the nightcap. Meanwhile, Cincinnati Reds won 5-4 over Pittsburgh Pirates. In a day game St. Louis Cardinals slammed three Chicago pitchers for 16 hits to whip the Cubs 8-5.

Willie Mays, who reports for induction in the U. S. army Thursday, led the Giants to their sixth straight National League triumps and their second in a row over the Dodgers with a home run and two doubles. Don Mueller also homered off loser Ben Wade.

Maglie walked four and fanned five as he shut out the Dodgers for the second time this season. He didn't allow a hit until Carl Furillo opened the fifth with a singe.

A 10th-inning triple by Del Ennis and a fly ball by Willie Jones gave the Phillies their victory in the nightcap of their doubleheader against Boston.

A three-hit flare-up good for two runs in the 12th inning gave the Braves the first game. A sixth inning homer by Sam Jethroe with none on gave the Braves a temporary margin before the Phillies deadlocked the count in the eighth.

Infielder Ed Pellagrini hit his first home run of the season in the top of the 14th inning to give Cincinnati its victory over the Pirates. Frank Smith, a side-arming righthander, replaced Bubba Church in the seventh inning for the Reds, held the Pirates scoreless the rest of the way and got credit for the victory.

In the day contest, San Musial poked his fifth homer of the season in the fourth with none on while two more Card homers were smashed in the eighth by Enos Slaughter and Hal Rice, each with the bases clear.

Yogi Berra blasted two home runs and Irv Noren hit a four-bagger with a man on base to lead New York Yankees to a 7-2 American League triumph over Washington Senators.

Allie Reynolds pitched a two-hitter for his fifth triumph and his eighth complete game. Connie Marrero, seeking his fifth win, lasted only six innings and was charged with his first defeat.

Eddie Joost doubled with the bases loaded in the ninth inning to provide the insurance runs as Philadelphia's Athletics chalked up their first victory of the season over Boston Red Sox 7-3. Rookie righthander Harry Byrd gained credit for his first win after three losses.

A bases-loaded single by Ed Stewart that was good for two first-inning runs gave Chicago White Sox a fast start as they defeated St. Louis Browns 3-0. Ned Garver suffered his fifth straight defeat.

Singles Bowling Tourney Postponed For One Week

The Prince Edward Island five pin singles bowling tournament originally scheduled for today at the Roll-Away Alleys has been postponed for one week on account of the Island play-offs on Thursday night.

The singles tournament will now be held on Wednesday and Thursday of next week. It is expected that quite a number of bowlers from different points in the Province will take part in the competitions. Each bowler will be required to roll ten games.

Rothesay Track And Field Meet

ROTHESAY, N. B., May 27—(CP)—Jack Russell, New Richmond, Que., won five events and set two records today when Rothesay Collegiate School defeated King's Collegiate School of Windsor, N. S., 71-9 in the annual two-school track and field meet.

The Rothesay boys took all 10 events in their sixth consecutive win of the yearly meet.

Russell tossed the discus 119 feet 10 inches, beating the former record by 11 feet, 11 inches. He pole-vaulted 10 feet 2 1/4 inches for another record. The old one was 10 feet 1 inch. Russell also won the 120-yard high hurdle, shot put and high jump.

For the visitors, Joudrey was second in the shot put, Vance second in the pole vault and Kelly second in the 440-yard dash.

Fast Racing Strip Is Boost For Canadian Hopes In Epsom Derby

By Alan Harvey

EPSOM, Surrey, England, May 27—(CP)—A ribbon of emerald turf, as fast as racing regulars remember ever seeing it, strengthened hopes today for an upset "Canadian" victory in the 173rd renewal of the famous Epsom Derby.

G. M. Bell's Indian Hemp, carrying Canadian colors for the first time in the history of Britain's flat-racing classic, likes the ground as hard as he can get it, and that's just the way it promises to be for tomorrow's big race.

"We asked for a dry spell and we got it," said Bell, a Calgary publisher who races horses as a hobby. "Now all the horse has to do is win."

Track conditions were clearly demonstrated today when a two-year-old won the opening five-furlong race at the four-day Epsom meeting in the exceptionally swift time of 57 2-5 seconds. After a rare spell of sunshine, the horseshow Epsom course is thought to be just as hard as when the Aga Khan's Mahmoud set up a derby record in the 1936 running, breezing the 1 1-2 miles in 2:33 4-5.

Including Indian Hemp, 34 three-year-olds are expected to go to the post tomorrow at 10:30 a.m. EDT, equalling the record for numbers established when Caractacus beat 33 rivals in 1862.

As in most post-war years, the derby picture has been clouded in advance by the anticipation of French ascendancy. Cross-channel invaders have won three of the six derbys contested since the war ended, and this year they're sending a record eight entries, five of whom have dominated the betting for the first three weeks.

First and second favorites are M. Paul Dubosq's Silnet and M. Eugene Constant's Thunderhead II, both trained by M. Etienne Pollet, who says in rapid French he doesn't know which is the better of the two. M. Pollet also trains a stayer named Magnific, which some experts think could beat anything in the race, but this one is being saved for a big race in France.

Pirates Put Strikeout King Through His Paces

PITTSBURGH, May 27—(AP)—The Pittsburgh Pirates put their minor league strikeout king through the paces on the home diamond and got word today from catcher Joe Garagiola that there's just one thing wrong with him.

"He wants to strike out everybody."

Ronnie Neccial showed up at Forbes Field to display a fine performance during an hour on the mound.

The 19-year-old righthander who lately whiffed 27 batters in a no-hitter with Bristol in the Class D Appalachian League was a first baseman in high school. The Pirates signed him as such but an old Cleveland player, George Detroe, made a pitcher of him at Salisbury in the North Carolina State League.

Ron's record this year with Bristol: 43 2-3 innings pitched, 109 strikeouts, 10 hits, four runs, 14 walks. He won four straight.

On Forbes Field Ron was all business but in the clubhouse he made no bones about how he felt:

"All I want is a few good nights' sleep. I haven't had much rest since the word got around that I was pitching to guys with holes in their bats.

"What am I already, a freak or something that they have to advertise me? All I want is a little sleep. I mean a lot of sleep."

Garagiola thinks the kid is anything but.

"He's got a lot of stuff," said Joe, "He's big and lean, six feet, five and 180 pounds, the whippy Ewell Blackwell type, and he can throw as hard as anybody in this league.

"Right now, I would say that there may be one thing he lacks and that is pacing. He wants to strike out everybody.

"He gets burned up if anybody gets a hit off him and can't wait to get the ball back from the catcher to bang it back to strike out the next batter."

PHILADELPHIA, May 27—(AP)—Pitcher Kent Peterson, recently acquired by the Phillies in a trade with Cincinnati Reds for Bubba Church, today was optioned to Baltimore Orioles of the International League.

Baseball Meeting Is Postponed

The Little League Baseball meeting scheduled for yesterday evening at the Knights of Columbus diamond was postponed on account of wet weather and will be held this evening at the same place at six o'clock, weather permitting.

Approximately 50 youngsters did show up yesterday evening although Art Perry had made the rounds of the schools in the afternoon and informed the kids that the meeting was off. The weather, however, could not dampen the enthusiasm of these youngsters.

The kids and their prospective manager-coaches will get their chance to turn out this evening.

Rickey Apologetic Over $21,000 Bonus

BROOKLYN, May 27—(AP)—When Branch Rickey signed schoolboy Billy Loes for a $21,000 bonus, he almost apologized to the Brooklyn press.

"The boy is not a $21,000 pitcher," he said. "Probably $10,000 but not $21,000. But he is a Long Island boy and I can't afford to let somebody else grab him under my nose."

All of which proves that Rickey, too, can be wrong. Sailing along with a 5-0 record, 22-year-old Billy looks more like a $100,000 pitcher. He's flying high with an earned run average of 0.63, two shutouts and a 1-1 tie in three starting chances.

Tomorrow afternoon at Ebbets Field he gets the big test—a starting assignment against the Giants

Loes thinks 10 pounds he picked up in the army last year made him stronger, adding zip to his fast ball. Dodger catcher Roy Campanella said he never caught anybody as fast as Billy.
