Prince County Exhibition

OPENING DAY.

A Fine Show of Fruit, Flowers, Vegetables and Grain

IN THE SKATING RINK.

Small Attendance of Visitors.

(By Telephone to The Examiner).

An exceptionally fine day and the unfinished harvest, no doubt induced many farmers to stay at home and get their grain all in to-day and see the horse and cattle show to-morrow. The attendance at present is decidedly smaller than usual. Among those present are Hon. D. Laird, Hon. Senator Prowse, Hon. G. W. Bentley, Hon. J. Lefurgey, Hon. J. O. Arsenault, David Rogers, M. P. P., Dr. Dodd, John Ings, J. B. Reid, James Paton, J. McIsaac, Horace Haszard, Peter McCourt, and others.

The spacious Skating Rink of the town is well filled. On entering the building a fine exhibit of apples and other fruit is very pleasing to the eye. Around the sides right and left is a large display of roots, vegetables, grain, etc. Messrs. Robblee & Co., of Miminigash, make a small exhibit of very big mackerel, and a fair exhibit of herring in barrels, and some canned goods. The show of butter and cheese is very good, and the ladies have also made a creditable display of flowers, textile fabrics, fancy articles and genuine works of art.

His Honor the Lieutenant Governor entered the building shortly after 12 o'clock. The following address was then read and presented to His Honor by Richard Hunt, Esq., Secretary of the Prince County Exhibition Association :

To His Honor the Honorable J. S. Carvell, Lieutenant Governor of Prince Edward Island.

May It Please Your Honor,—The officers and members of the Prince County Exhibition Company desire to unite with the inhabitants generally in again extending to you and to Mrs. Carvell a cordial welcome to Summerside on the occasion of your formally opening the first County Exhibition of agricultural and industrial products, under the new and recently organized Board of Management, a welcome with which you have for so many years been greeted in your private capacity when visiting Summerside, but which becomes if possible more pronounced in receiving you as the Representative of our Gracious Queen in this Province.

In the early part of the season it was feared that some of the staple products of the farm would be less than an average yield, yet it is believed that an inspection of the several exhibits on view in this building to-day will demonstrate that we have abundant reason for thankfulness to Divine Providence for a bountiful harvest, and rewards to the labors and industry of our country.

For the greater convenience of competitors and visitors, it has been deemed advisable to hold the present exhibition on two consecutive days, and the managers hope that you and Mrs. Carvell may not find it inopportune to visit the Cattle Show, which takes place to-morrow on the spacious grounds of the Summerside Driving Park. The number of entries made, and the active interest taken in the department of horses, cattle and other stock, justify the belief that a much larger and better show of stock will be there displayed than those found at any previous county fair.

In reviewing the fine display of horses which we expect to see on the grounds, it may be suggested to your honor that a third class of these animals could be introduced with much advantage. We have now the standard bred and the light carriage class, and a fair representation of the different breeds of heavy draft horses; but the supply of horses suitable for coach and cavalry purposes is quite limited, if not wholly absent. In this latter description there is an ever-ready remunerative demand. In times of peace (and may this be always) they can be shipped with better paying results than those now produced in this Province, while in times of war and "rumors of war" they command the very highest figures.

We venture, therefore, to respectfully suggest that your honor would be pleased to bring this important matter to the notice of your government, with the view of inducing them, through the medium of the model farm or otherwise, to add this class to the already well established reputation of our province for horse raising.

Trusting that your honor may long be spared to fill and exercise high positions in this province, and that you and Mrs. Carvell may enjoy your present visit to Prince County, we now request you to formally open this Exhibition. On behalf of the Prince County Fair and Exhibition Association, we have the honor to be,

Sir, your obedient servants,

Richard Hunt, President.

Directors.

Summerside, 25th Sept., 1890.

The Lieut.-Governor thanked the Association for their address and expressed his great regret that ill health had prevented him from replying at length. He, however, could not but congratulate the people of Prince County upon the formation of a County Exhibition Association. This is, in his opinion, a step in the right direction, and he was very glad to see such a fine exhibition under its auspices for the first time. He said that he thought very highly of the efforts now being made to improve the character of carriage horses. There is money for this province in horses. We have had for many years exceptionally fine draft horses. It has for 25 years past been his strong desire to see the breeding of carriage and trotting horses developed to its fullest extent, and he had heard with gratification of the large gathering of thriving young trotters at Summerside a few days ago. The finances of the province may be greatly improved by attention to this branch of agriculture, and to improve our finances is, of course, the chief aim we have in view in holding these exhibitions. He heartily wishes the Prince County Exhibition Association success, and now declares the exhibition open to the public.

It is expected that there will be a large influx of visitors when the Thomson-Houston Electric Company of Boston will make an exhibit of their incandescent lights.

W. M. S. Convention.

The Convention of the N B and P E I branch of the Women's Foreign Missionary Society met in the Methodist Church (brick) at 9.30 yesterday. There was a large number of delegates present. The platform was beautifully decorated with flowers. The President, Mrs. Macmichael, presided. The devotional exercises were conducted by Mrs. Archibald, of Mt Allison College. An address of welcome was delivered by Mrs. Dr. Beer, of Charlottetown, and responded to by Mrs A Lucas, of Sussex, N B. Miss Thorne, of Fredericton, read the report of the Executive Committee. After some further business the meeting adjourned until the afternoon.

Afternoon Session.—The devotional exercises at the afternoon session were conducted by Mrs. Kirby, of Winsloe. Subject for prayer: "Promptness and Liberality." After further reports from delegates greetings were received from sister societies. Mrs. DesBrisay spoke on behalf of the Baptist W M S. Greetings were also received from the Charlottetown W C T U. The Treasurer then read her report, which showed a large increase over last year. The meeting was pleasantly surprised during the reading of this report by the entrance of two little girls, "Dot" Hugan and "Dot" Robertson, carrying a large basket of flowers, presented by the Charlottetown W C T U. A beautiful boquet was handed to the President, and to each present. Miss Chipman then read the report of the Mission Band, which was followed by the Treasurer reading a paper on the "Methods of Work," by Mrs S E Briggs, and after the Corresponding Sec'ys Report, the meeting adjourned until 9.30 to-day.

Those who attended the public meeting in connection with the W. M. S. of the Methodist Church, held last evening, could not fail to be highly pleased.

After the devotional exercises, the President gave a very fine address. She spoke at some length of woman's position—at the side of man, his helpmeet; of woman as the medium through which sin entered the world; also the channel through which came the life everlasting, and noted that among the many rebukes given by Christ not one was to a woman. She was sent by Him as His first missionary with the glad resurrection tidings. She pointed out very plainly the duty to heed the Saviour's command "Go ye." In closing, she hoped so many would respond to that e're long there should swell out the world over the glad angel anthem, "Peace on Earth," sung by its ransomed nations.

Next came the report of the Treasurer. She briefly stated the condition of the society which proved to be in a good state. She was followed by the corresponding Secretary, who reported her work in a very pleasing manner. Then came an address by Mrs. Chipman of St. Stephen, on Mission Bands, very suggestive and helpful. A recitation by Mrs W. A. Trueman "Patchwork" was excellent. Then an original paper by Mrs. Archibald, of Mt. Allison, was highly creditable. In closing, she said she did not like doing so without a special word to girls, and in a few words she pointed out to them the beauty of a life of loving, loyal service. The last name on the programme was that of Rev. W. W. Brewer. He opened his address in a very pleasant manner, and among other things remarked that a while ago the brothers asked the sisters to help them, but ere long the brothers would have to ask the sisters if they might help them.

The meeting was closed by a benediction by Mr. Brewer. Music was furnished by organist and Church choir.

The Races at Georgetown.

The races on the driving park yesterday afternoon were keenly contested, and were witnessed by a large assemblage. The track was in good condition when the 2.50 class was called, but when the horses were scoring for the third time in the first heat of this event, the rain began to fall, softening the track somewhat and slightly delaying the race. However, when the horses were sent off, they did highly creditable work.

The judges were J. J. Davies, Charlottetown; James Tuplin, New Annan; and John McLean, Souris.

2.50 class.

This was the first race called. There were three starters, Harry Connolly's br. s. Harry C., George Hibbett's b. g. Honest John; and P. McKenna's br. m. Maiden Queen. Maiden Queen was distanced for running in the first heat, and the balance of the race was between Harry C. and Honest John. Both horses were very evenly matched, and some splendid trotting was done. Below is the
