HARBOR LIGHT.—The ladies in charge of refreshments at the Harbor Light this evening will be Mrs. Dr. McLeod, Mrs. T. L. Chappelle and Mrs. John Coombs. SONS OF TEMPERANCE SOCIAL.—On Friday evening next, the members of Orient Division, S. of T., will give a social in their Division Room, McLeod's Hall, to which the members of Victoria and Prince Edward Divisions are invited. J. T. MELLISH, Esq., J. P., gave his decision on Friday, in the case of John Quinn vs. James McConnell. The magistrate stated that as the charge was a very serious one he would send the accused up to the Supreme Court for trial. As there were mitigating circumstances, however, McConnell was released on giving bail for his appearance.

LECTURE.—To-night in McLeod's Hall Mr. H. J. Fisher, formerly of this city, will deliver a lecture, subject, "Mormon Delusion." Mr. Fisher leaves in a few days for the South. The friends will not forget this and give him a full house, as the proceeds go to work among the fallen. Mr. Fisher returns in the fall for work in this city.

A SEAL FOR THE CITY.—The Fish Market has been the scene of much excitement during the past twenty-four hours on account of the presence of one of the seals captured near Tignish, which was received by Mr. J. T. Crockett yesterday afternoon. The visitor appears to be in the best condition and is criticised by hundreds of onlookers. We would suggest that his sealship be preserved in good health and placed at the proper time in the tank at the Queen Square fountain. Such attractions exist in many other cities.

BLACK SAM'S BRIDGE.—A part of it's railing of Black Sam's Bridge has been removed and a person going along in the dark with his hand upon the rail might easily fall over into the not always delightful stream below. The sidewalk and crossing leading out into the Brighton Road are also in a very disgraceful state. The attention of the Councilors for Ward 5 and the proper city officials is respectfully directed to this matter. An accident involving life or damage might at any time occur at the bridge.

Twenty to thirty per cent. discount on boots at St. Amper's Corner. Now is the time to get big gains as the stock must be sold.

The Benevolent Irish Society, of Charlottetown, are also hard at work making ready for the celebration. They have arranged for special fares from all stations along the line of railway. At their concert in the evening John Gaffney, Esq., of Summerside, will make an address. There will also be celebrations at Alberton and Summerside and other sections of the Province.
