

That Christmas Money.

In the next few weeks people will talk Christmas more than all other subjects combined. And very many will count their pennies to see if they will go around. And some will re-lize for the countless things offered for sale, "that money talks." Yes and many a poor tired clerk will wish that they could talk-back. To give uselessly without thought of return is the true Christmas spirit; but how many times, oh human nature, will the thought occur this month "Now if I make so and so and a Christmas present, I wonder if I will get a return next year." The growing Christmas present custom comes hard upon certain classes, who do not always have plenty of ready money; among farmers and people near towns, who keep poultry the "egg supply" is a great source of Christmas money, because prices are always very high at this season. If the old hens will only sell out the eggs now, thinks many a mother, I can soon get back all the money taken for Christmas. The surest way we have heard to get it back is this—E. A. Hubbard of Hatfield, Mass., says, "about one year ago I sent \$5.00 for six cans of Sheridan's Condition Powder to make hens lay and in January my 28 hens laid 29 dozen eggs. I have sent \$5.00 this year for five more cans and the Farm Poultry monthly. Certainly that Christmas money came back in short order. Mrs. Warren Delano, Hampden, Me., said recently to the manufacturer of this wonderful Powder "I sent \$6.00 for Farm Poultry two years, and six large cagns of Sheridan's Powder. It is the very thing needed. Last winter my hens did so poorly I almost lost heart, but this year 50 hens have cleared me \$125.00. "All for a little courage and Sheridan's Powder, her hens paid her more than double the average usually allowed per hen, so that her Christmas money returned many fold. Husbands, a word to the wise is sufficient; Make your wives a Christmas present of six cans of Sheridan's Powder and take no other. For 50 cents I. S. Johnson & Co., Boston, Mass., will send two 25 cent packs; five packs for \$1.00; or for \$1.20 one large 25 pound can of Powder, postpaid; six cans for \$5.00, express pre-paid. The best poultry paper, Farm Poultry, one year, and a can of Powder for \$1.50.

On the Use of Campbell's Wine of Beech-Tree Croscote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and the two specialists so highly recommended by public opinion, have experimented with all the proposed medicines against tuberculous Phthisis, it is the one prepared to-day, and that which for ten years past they have finally adopted, after many comparative experiments, as the most efficacious and most reliable in the treatment of the disease. After a few days' use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Bacilli, the breaking off of the fever and the rapid recovery of appetite and strength. When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis has to be dealt with, the different forms of which may sometimes give rise to an uncertain diagnosis, they have always been cured. Those excellent results need not astonish us, if we consider the lucky natural associations of complete antisepsis and Balsamic principles in the compound we now describe. When our Wine shall have restored health, it will be well not to discontinue its use at once, before winter sets in, and at every change of season to lower by damp weather. DIRECTIONS: A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful.
N. B.—The use of Cod Liver Oil, as a powerful assistant to the remedial properties of the Wine, is recommended. Campbell's "Skim" Oil being the best, is the kind which should be taken.

UNPARALLELED!

WHAT? McLeod & McKenzie, Star Merchant Tailors.

MODESTY forbids us (to use a slang phrase) to blow our own horn, and as it is contrary to our opinion (according to the old proverb) when in Rome to do as Rome does, we shall endeavor, as heretofore, to present facts so undeniable as to be beyond the reach of dispute. True, people have gained for themselves a name (not an enviable one) which, to all appearances, served the purpose they had in view. But wisdom dictates, before posing as leaders in the great race for supremacy, that we should look well to the foundation upon which those assertions are based. To throw the mantle of charity over such people is our motto; and instead of revealing to the public gaze, through your columns, the errors into which they have fallen, we will endeavor to lead them gently into the light. That you will acquiesce in what we say, is a foregone conclusion, namely, as Fathers of the trade in this Province we treat the several branches of the trade in this city with the same consideration as a loving parent would his innocent offspring; and to this end we invite such traders to aim high and co-operate in elevating this, the first profession, to the high status to which it is entitled. In the meantime, call and see our handsome goods, in NAPS, MELTONS, SCOTCH TWEEDS, WORSTEDS, etc., made up in the latest styles and cheap. McLEOD & MCKENZIE. Charlottetown, Oct. 19, 1889.

THE LADIES!

A New and Distinct Form of Disease which is afflicting Canadian Women. How some of Them Regained Fresh Complexion, Perfect Health and Superb Physical Beauty.

A great London Physician says that he notes a new and distinct form of nervous disease produced in Canadian women by worry about servants and overwork in caring for the home. It is why we see so many ladies pale, weak, languid, and suffering from headaches and innumerable weaknesses. They cannot stand the strain upon their nervous system. Many of them have found the means to sustain their failing strength, to give color to the cheeks, and new life and vigor to the body, in Paine's Celery Compound. This pure scientific remedy is especially adapted to the needs of woman, and is daily making the most remarkable cures. Mrs. W. E. Cooper, 60 St. Hyppolite St., Montreal, was for a long time troubled with nervous headache, loss of appetite, low spirits, etc. After using the Compound, her headaches disappeared, appetite was good, and her spirits revived. Annie Gourley, of River Beaudette, P.Q., found the Compound a certain cure for weakness, and now feels as well as she ever did. Many a Canadian lady has the same reason to be grateful. Paine's Celery Compound can be purchased at any drug store for one dollar a bottle. If he should not have it on hand, order direct from WELLS, RICHARDSON & CO., MONTREAL.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Hyattsville Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of various chronic diseases. Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most powerful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as the most perfect Specific for woman's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, worn-out, "run-down," debilitated mothers, milliners, dressmakers, seamstresses, "shop-girls," bookkeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly blessing, being unequalled as an appetizing cordial and restorative tonic. As a soothing and strengthening nervine, it is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep, relieves mental anxiety and despondency. Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition, and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, or indigestion, flatulency, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, female weakness, retroversion, constipation, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat." As a regulator and promoter of functional action, it is the critical period of change from girlhood to womanhood. "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life." "Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taint, and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine guaranteed, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been tested in thousands of bottles, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large illustrated Treatise on Diseases of Women (100 pages, paper-covered, send ten cents in stamps. Address, World's Dispensary Medical Association, 200 Main St., BUFFALO, N. Y.
